### Sign Up

The **County of San Diego** offers landscape classes as part of its **Sustainable Landscapes Program**, which promotes the watershed approach to landscaping

**Design Seminars** help you design a successful sustainable landscape. **Learn how** to contour the garden for rainwater capture, create a climate appropriate plant list, and place plants on a plan using key design principles that group them according to water needs.

**July 16**  
San Marcos  
9:00 AM - Noon

**July 23**  
San Marcos  
9:00 AM - Noon

**July 30**  
El Cajon  
9:00 AM - Noon

**August 6**  
Spring Valley  
9:00 AM - Noon

**August 20**  
Oceanside  
9:00 AM - Noon

**September 19**  
Lakeside  
9:00 AM - Noon

**Lawn Be Gone Hands on Workshops** are taught in real gardens. **Learn how** to remove turf without harmful chemicals, build healthy living soil, capture rainwater from the roof and other hard surfaces and '**slow, spread, and sink it**' into the landscape.

**August 26**  
San Marcos  
3.30 PM – 6.30 PM

Get your Landscape Design questions answered at the "**Live Well San Diego**" Event at **San Diego Waterfront Park, July 30th**. **FREE** Egg-timer (10minute) design consultations with G3 Certified Watershed Wise Landscape Professionals and members of the Association of Professional Landscape Designers.

**July 30**  
San Diego  
7.30 AM – 11.15 AM

These workshops and events are **FREE** but registration is recommended:
