

Agenda

MEETING OF THE SAN MARCOS COMMUNITY FOUNDATION

WEDNESDAY, AUGUST 10, 2016 – 6:00 P.M.

**MEETING OF THE
SAN MARCOS COMMUNITY FOUNDATION
GRANT FUNDING COMMITTEE**

**SAN MARCOS ROOM
1 CIVIC CENTER DRIVE
SAN MARCOS, CA 92069**

Cell Phones: As a courtesy to others, please silence your cell phone or pager during the meeting and engage in conversations outside the meeting room.

Americans with Disabilities Act: If you need special assistance to participate in this meeting, please contact the Board Secretary at (760) 744-1050, ext. 3121. Notification 48 hours in advance will enable the City to make reasonable arrangements to ensure accessibility to this meeting. Assisted listening devices are available for the hearing impaired. Please see the Board Secretary if you wish to use this device.

Public Comment: If you wish to address the Board on any agenda item, please complete a “Request to Speak” form. Be sure to indicate which item number you wish to address. Comments are limited to FIVE minutes.

The Oral Communication segment of the agenda is for the purpose of allowing the public to address the Board on any matter NOT listed on the agenda. The Board is prohibited by state law from taking action on items NOT listed on the Agenda. However, they may refer the matter to staff for a future report and recommendation. If you wish to speak under “Oral Communications,” please complete a “Request to Speak” form as noted above.

Agendas: Agenda packets are available for public inspection 72 hours prior to scheduled meetings at the Administration Department located on the second floor of City Hall, 1 Civic Center Drive, San Marcos, during normal business hours.

AGENDA

CALL TO ORDER

ROLL CALL

OLD BUSINESS

1. GRANT AWARD HISTORY

Recommendation: **NOTE & FILE**

(Choose one) **MINI-GRANT** (Choose one) **REGULAR GRANT**

Project Name: Elementary Arts Education Classroom Instruction Date Submitted: 7/6/2016	Total # of people served: 2100 Total # of San Marcos residents served: 2100	Amount Requested: \$ 1500.00
Non-Profit Organization Name and Address, Website Luminary Arts Corporation 1124 Harwich Dr San Marcos Ca 92069 www.luminaryarts.org		Contact Person – Name, Title & Phone, email Rebecca Noland Grant and Fundraising Coordinator 858-774-9256 Rebecca@luminaryarts.org
<p><u>Briefly</u> describe your request for funds (to be expanded upon in narrative for regular grant):</p> <p>Luminary Arts will offer in classroom instruction in three San Marcos Elementary Schools for the 16/17 school year, Richland Elementary, Alvin Dunn Elementary, and Paloma Elementary. In classroom instruction will be provided to Pre K-6th grade in Theater, Dance, and Music. Students participate in a 6-week rotation of high-quality standards based and common core aligned, arts lessons in all three disciplines. Luminary Arts teaching artists are professionally trained performers and educators with a wealth of knowledge and experience in their fields as well as in the San Marcos and North County San Diego Communities. The programs we offer are partially funded by the parent teacher organizations at the schools. We have also applied for grants from the County Supervisor, and Banc of California for equipment and supplemental programming such as arts based theater performance assemblies. The \$1500 mini grant funds we are requesting would be used to train teaching artists and develop curriculum. Those activities are not currently factored into the cost of our programing.</p>		

Briefly describe the significance of your request to the San Marcos community:

Arts Education is critical to the Four C's of 21st century education, Communication, Collaboration, Creativity, and Critical Thinking. This program allows the school to bridge the gap in arts education that current school budget financial restraints limit. It serves to provide the same level of arts education across the board to all San Marcos students regardless of financial status of the families, offering opportunity to a large number of underserved in the community. Arts encourage children to participate in their community more, giving them a sense of ownership and pride in their San Marcos roots. The Arts offer struggling students a medium that they may excel in, and offer excelling students an opportunity to step out of their comfort zone. A strong arts education can help produce engaged, creative, active community bonding and community members.

Please attach the following items.

Both Mini-Grant & Regular:

1. Budget for request (use SMCF Budget Worksheet)
2. Annual Operating budget for the organization or unit
3. Federal & State Tax ID numbers
4. Board of Directors listing with affiliations

5. Regular Grants Only:

- a. 1-2 page narrative
- b. First 2 pages of Federal 990
- c. Most recent year-end Statement or Audit including any management letters associated with Audit.
- d. Signature of President or Authorized Officer on Application
- e. Optional: letters of support

Expected date project will begin/end: August 2016 through June 2017

Date by which funds will be expended:

Signature of President or Authorized Officer

 7/6/16

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

LUMINARY ARTS CORPORATION

Sincerely,

A handwritten signature in dark ink, appearing to read 'J. Cooper', with a stylized flourish at the end.

Jeffrey I. Cooper
Director, Exempt Organizations
Rulings and Agreements

To those concerned:

It was voted upon and approved (2/17/2016) that the board of directors for Luminary Arts Corporation be defined and bylaws adopted. It was also agreed that the current board structure will be amended or changed as we find members of the community to take on the responsibilities of the board.

Conclusion: The current board of directors is as follows:

President/CEO – Bruce Blackwell - Manager

Member – Patrick McBride - Teaching Artist

Member – Spencer Farmer - Drama Teacher Classic Academy

Member/Secretary – Jill Blackwell - Elementary School Teacher

June 29, 2016

San Marcos Community Foundation
City of San Marcos
1 Civic Center Drive
San Marcos, CA 92069

To Whom It May Concern:

Thank you for the opportunity to apply for funds from the San Marcos Community Foundation. REINS Therapeutic Horsemanship Program provides therapeutic horse back riding lessons to children and adults who have disabilities like Autism, Cerebral Palsy, Chromosome Disorders and many others. Out of our 200 students, 15 (9%) of our students are from San Marcos.

We are in need of \$1,500 to help support the lesson fees for one (1) San Marcos Student.

I have enclosed your San Marcos Community Foundation Grant Cover Page, Budget for request, Annual Operating budget, copy of our Federal 501 (c)(3) tax-exempt status determination letter, copy of our State 23701 (d) tax-exempt status determination letter and our List of Board of Directors.

Sincerely,

A handwritten signature in green ink, appearing to read "Denise Erickson".

Denise Erickson
Development Assistant

Briefly describe your request for funds (to be expanded upon in narrative for regular grant): Scholarship for one San Marcos student for a full year to ride in REINS Therapeutic Horsemanship Program.			
Briefly describe the significance of your request to the San Marcos community: Currently REINS has a total of 200 weekly riders with approximately 15 residing in San Marcos. This grant will give a disabled San Marcos student, (adult or child), the opportunity to receive therapeutic riding lessons for one year, who could not afford to pay. We also have 4 weekly volunteers that live in San Marcos and REINS is volunteer site for Cal State San Marcos students.

Dear Sir or Madam:

This is in response to your correspondence dated May 13, 2004, to correct your organization name. We have updated our records to reflect the name change as indicated above".

In June 1984, we issued a determination letter that recognized your organization as exempt from federal income tax. Our records indicate that your organization is currently exempt under section 501 (c)(3) of the Internal Revenue Code.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Riding Emphasizing Individual Needs and Strengths (REINS)
33-0035455

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

Section 6104 of the Internal Revenue Code requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. The law also requires organizations that received recognition of exemption on July 15, 1987, or later, to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. Organizations that received recognition of exemption before July 15, 1987, and had a copy of their exemption application on July 15, 1987, are also required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing.

For additional information on disclosure requirements, please refer to Internal Revenue Bulletin 1999 - 17.

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

A handwritten signature in black ink that reads "Janna K. Skufca". The signature is written in a cursive style with a large, stylized "J" and "K".

SAN MARCOS COMMUNITY FOUNDATION
Grant Cover Page

(Choose one) ☐ MINI-GRANT (Choose one) ☒ REGULAR GRANT

Project Name: North County Senior Connections (NCSC) Date Submitted: June 7, 2016	Total # of people served: 953 un-duplicated seniors (8,893 total meals) through May 31, 2016 1327 unique San Marcos residents have access to program; 3556 total meals have been served through May 2016	Amount Requested: \$10,000
Non-Profit Organization Name and Address, Website Rancho Santa Fe Foundation P.O. Box 811 Rancho Santa Fe, CA. 92067 www.rsffoundation.org	Contact Person – Name, Title & Phone, email Christy Wilson, Executive Director 858-756-6557 christy@rsffoundation.org	
<p><u>Briefly</u> describe your request for funds (to be expanded upon in narrative for regular grant):</p> <p>A feasibility study commissioned on behalf of Rancho Santa Fe Foundation by the Caster Center at the University of San Diego revealed that there was a critical unmet need to provide access to healthy food and opportunities for socialization to vulnerable seniors in the North County area, in particular along the Highway 78 corridor. Rancho Santa Fe Foundation also desired to design a program which would rely on a multi-faceted collaboration of funders and service providers. By taking the lead in providing more than 40% of the funding for the three year program, and identifying four nonprofit service providers (Interfaith Community Services [ICS], Dreams for Change [DfC], Produce Good [PG] and S.D. Food Bank [SDFB]), we were able to launch the program during a pilot phase in November 2014.</p> <p>At this time we aspire to raise the additional funds needed from other key stakeholders in the community which will enable the service providers to build out a sustainable program beginning January 2018.</p> <p>A grant in the amount of \$10,000 for general operating support will not only assist NCSC in fulfilling its immediate programmatic needs but it will assure that vulnerable seniors who are residents of San Marcos will have weekly access to the benefits of North County Senior Connections.</p>		
<p><u>Briefly</u> describe the significance of your request to the San Marcos community:</p> <p>Of the total number of meals served in the NCSC program to date, 40% are to those who are residents of San Marcos. This is in part due to having two of the five locations in San Marcos, but also to the fact that the City has dedicated several mobile home parks to seniors only. North County Senior Connections is a natural partner with the City of San Marcos to provide for a population that is vulnerable economically but that has contributed so much as a generation to the well-being of the community as a whole. The concept of a senior mobile home park, makes the NCSC particularly easy to facilitate with maximum impact on those who choose to participate.</p>		

Please attach the following items.

Both Mini-Grant & Regular:

1. Budget for request (use SMCF Budget Worksheet)
2. Annual Operating budget for the organization or unit
3. Federal (95-3709639) & State (CA1093086) Tax ID numbers
4. Board of Directors listing with affiliations
5. **Regular Grants Only:**
 - a. 1-2 page narrative
 - b. First 2 pages of Federal 990
 - c. Most recent year-end Statement or Audit including any management letters associated with Audit.
 - d. Signature of President or Authorized Officer on Application
 - e. Optional: letters of support

Expected date project will begin/end: May 2015 – December 2017

Date by which funds will be expended: December 2016

Grant Proposal to San Marcos Community Foundation

1. Grant Purpose

To meet the needs of North County San Diego's growing senior population, the Rancho Santa Fe Foundation seeks general operating support for North County Senior Connections (NCSC), a weekly lunch and socialization program for underserved North County seniors served via the food truck, *Thyme Together*. NCSC locations are strategically located throughout Vista, San Marcos, and Oceanside at four senior mobile home communities and one faith center, five days a week. Two of these sites are in San Marcos (Palomar Estates East and West), housing 1327 residents. In addition to healthy, prepared to order meals, weekly educational speakers and entertainment are presented. North County Senior Connections is a collaborative program of the Rancho Santa Fe Foundation (RSFF), Interfaith Community Services (ICS), Dreams for Change (DfC), and Jacobs Cushman San Diego Food Bank (SDFB).

2. Grant Period

Present – December 2016

3. Request Amount

Total amount requested is \$10,000

4. Background and Needs Statement

Based on a needs assessment conducted by the University of San Diego, the core of the NCSC Program is based on the premise that good nutrition is the path to senior physical and mental wellness. A well-nourished senior is more likely to stay healthy and function independently and thus be able to engage with others. They want to experience social connectedness and have a sense of belonging. Therefore, NCSC revolves around a "food-friends-health" model. As transportation is the greatest issue affecting seniors' access to programs and services, NCSC takes the food truck and the program to where seniors live and congregate.

During the six month pilot phase from November 2014 to April 2015, North County Senior Connections served 2,416 meals at four locations to 313 unduplicated seniors. The program continues to grow, with requests for NCSC to serve additional sites around North County. Between May 1, 2015 and May 31, 2016, a total of 8,893 meals have been served to 953 unduplicated seniors.

5. Project Summary

Recognizing that for many seniors, transportation and access to services is a challenge, the Rancho Santa Fe Foundation developed this innovative, collaboration that takes the meals and access to services to where seniors live and congregate. Funding for this program will support North County Senior Connections' efforts to promote healthy aging in place and self-sufficiency through wholesome nutrition, social connectedness, community engagement, and lifelong learning. Locally sourced, healthy, cooked-to-order meals are prepared on the *Thyme Together* food truck at five locations each week. The locations are strategically located throughout Vista, San Marcos and Oceanside to effectively address the nutritional needs of vulnerable seniors, while also expanding socialization opportunities, providing educational speakers, entertainment, and information on health resources and supportive services.

6. Goals and Outcomes

The North County Senior Connections program will continue to provide access to healthy food while enhancing social connectedness for vulnerable seniors in North County.

The goals of the NCSC program through December 2017 are:

- To serve 15,500 meals to 750 additional unduplicated seniors
- To create a fresh produce delivery system from local resources at each site. NOTE: As of December 2015, Jacobs & Cushman San Diego Food Bank began supplying fresh produce for seniors attending the lunches.

The anticipated outcomes are:

- 70% of NCSC participants, at the conclusion of each 6 month period, will report that meals and resources provided by the NCSC have improved their nutritional security
- 70% of NCSC participants, at the conclusion of each six month period, will report that socialization, and access to supportive services through NCSC have improved their quality of life
- Fresh produce will be available to seniors at each location at least twice a month

7. Evaluation

The University of San Diego (USD) has been engaged by RSFF to measure outcomes and impact, and will conduct independent evaluations of the program. Evaluation will consist of qualitative and quantitative data, including attendance, the number of meals served, focus groups, survey responses from seniors, and questionnaires measuring social connections, physical and mental wellness, and quality of life. Interfaith Community Services and Dreams for Change will work closely with USD to implement data collection, daily activity journals and support data.

8. Timeline – May 2015 – December 2017

9. Risks

Developing a collaborative program is challenging and can be risky. The Rancho Santa Fe Foundation, as the backbone partner, has put in place monthly conference calls and quarterly team meetings, with troubleshooting as needed. Open lines of communication help to avoid problems by addressing challenges as a team.

An ongoing task is increasing and maintaining attendance at each site—ICS works with management at each site to develop incentives to attend. Developing a reliable volunteer corps that is well trained and managed has been challenging. ICS is refining its training and scheduling of volunteers to increase efficiency at all sites.

In order to ensure effectiveness, efficiency and sustainability, ICS and DfC must begin to build their own capacity to sustain NCSC when RSFF's funding ends in 2017. To that end, RSFF is encouraging both organizations to begin building relationships with potential funders now.

10. Sustainability

RSFF has committed its Community Impact Fund 2013 through 2016 to this project, however additional funding is needed to expand and sustain North County Senior Connections. We received a significant two year grant from Leichtag Foundation in the amount of \$100,000. More than \$70,000 has been contributed by individual donors. 100% of the Board of Directors of the Rancho Santa Fe Foundation has participated in funding NCSC. RSFF is in conversation with other potential funders including The San Diego Foundation, more than 30 North County based private foundations, donor advised fund holders at the Rancho Santa Fe Foundation and individual donors in the community. RSFF focused its 2015 #GivingTuesday efforts on North County Senior Connections, raising \$18,600. See attached Budget Worksheet for Committed and Pending funding sources.

RSFF will continue working with Interfaith Community Services and Dreams for Change to raise the funds needed to sustain the program. Government funding through the County of San Diego as well as with the individual municipalities in which NCSC is operating will be one area of concentration. Through actively soliciting these additional funding opportunities, ICS and DfC will ensure their capacity to sustain North County Senior Connections. Dreams for Change plans to build sustainability for North County Senior Connections by incorporating both social enterprise and workforce development, to support and expand the food service while also reducing the financial resources needed to operate the food truck.

CASE FOR SUPPORT **North County Senior Connections (NCSC)**

Increasing wellness and food security for vulnerable seniors in North San Diego County

While it is remarkable that an increasing number of seniors are living longer and healthier lives, this increased age expectancy challenges our community to provide the vital social connections and nutritional services necessary to support the growing number of seniors aging in their homes.

The San Diego Association of Governments (2013) estimates that by 2030, the population of older adults in San Diego County aged 65+ will increase by 130 percent and those 75+ will increase by 111 percent. The Center on Policy Initiatives (2015) published a report that found, in San Diego County, more than 47,000 seniors are living below the federal poverty level of \$12,316 per year.

To respond to these challenges, the RSF Foundation Grants & Projects Committee sought to fund a collaborative program that would support vulnerable seniors in North San Diego County. The committee commissioned a needs assessment to better understand the food and transportation needs of this vulnerable senior population. This study, conducted by the Caster Family Center for Nonprofit and Philanthropic Research at the University of San Diego, found that the seniors benefit most from a program that combines food and social time and that a lack of public transportation is a key issue in the North County region.

Using recommendations from Caster Center study, RSF Foundation created North County Senior Connections (NCSC) – with a vision of healthy aging and increased food security for vulnerable seniors in North County San Diego. We put that vision into action by providing access to senior services and socialization with fresh and nutritious meals provided by a food truck.

The core of North County Senior Connections is based on the premise that good nutrition is the path to senior physical and mental wellness. The food truck, named *Thyme Together*, effectively provides a mobile senior center. Since North County covers a large area geographically, and public transportation is inadequate, NCSC takes the senior center to the seniors.

The food truck serves freshly prepared lunches to seniors at four mobile home parks and one faith center, Monday through Friday each week (except holidays). Seniors make their selection from a full menu of nutritious options, and they pay \$2.00 for the meal. The North County Senior Connections program also promotes social time for the seniors with activities that inform and entertain them. Volunteers are recruited and trained to take meal orders from seniors, serve food from the truck to seniors' tables, and provide friendly visits and conversations throughout the meals.

Since May 2015, North County Senior Connections served **8,893** meals to **953** unduplicated vulnerable North County seniors. Eighty-seven percent of participants reported improved nutritional security and improved quality of life.

North County Senior Connections (NCSC) is a collaborative program between a funder, the Rancho Santa Fe Foundation, and three nonprofit organizations, Dreams for Change, Interfaith Community Services and Produce Good.

The role of Dreams for Change was first to purchase the food truck and prepare it for the program, from upgrading the interior to wrapping the exterior with the new *Thyme Together* graphics. Dreams for Change also handles all the senior nutrition research, menu development, and food buying and preparation.

Interfaith Community Services provides the program manager to arrange for the educational and recreational programs at the lunch sites and an on-site coordinator. They also refer and connect seniors to information and additional support services they may need.

Produce Good recruits, trains, schedules and manages the volunteer corps—an essential component of NCSC.

The Rancho Santa Fe Foundation, as a funder, provides a multi-year grant to fund the food truck, staff and subsidies for the meals. The Foundation continues to seek collaborative support for the program from other foundations, businesses and individuals to fully fund the program over three years.

This innovative collaboration in North County San Diego is known for both its nutritious food and its charitable mission. That mission is to provide nutritious meals and socialization to support healthy aging for vulnerable seniors in Vista, Oceanside and San Marcos.

SAN MARCOS COMMUNITY FOUNDATION
Grant Cover Page

(Choose one) ☐ **MINI-GRANT** (Choose one) ☒ **REGULAR GRANT**

Project Name: ECG Machine Date Submitted: July 15, 2016	Total # of people served: 32,828 Total # of San Marcos residents served: 13,521	Amount Requested: \$4,700
Non-Profit Organization Name and Address, Website North County Health Services (NCHS) 150 Valpreda Road San Marcos, CA 92069 www.nchs-health.org		Contact Person – Name, Title & Phone, email Alta Farley Grant Writer (760) 736-8723 Alta.farley@nchs-health.org
<u>Briefly</u> describe your request for funds (to be expanded upon in narrative for regular grant): NCHS respectfully requests a \$4,700 grant to purchase a new Electrocardiograph machine (ECG) for NCHS San Marcos Health Center. The new ECG will provide timely diagnostic tests for heart health, especially for patients with high blood pressure or chest pain. It will also interface with NCHS' Electronic Health Records system so that precise data from up to 12 sensors (electrode leads) can automatically be recorded into each patient's health record, saving time and eliminating errors. This San Marcos Community Foundation grant will have long lasting impact, providing ECG diagnostic tests for San Marcos residents for many years. This grant will also help NCHS to build capacity to function at higher levels of care and efficiency.		
<u>Briefly</u> describe the significance of your request to the San Marcos community: A grant from San Marcos Community Foundation will ensure that patients needing ECG tests will have immediate access. The new computer-based ECG machine will be used on a daily basis, serving two to four patients per day. This diagnostic tool will provide some of the most critical data needed to prevent heart attack, stroke, or even death. From young patients participating in sports to older patients with chronic conditions NCHS provides critical preventive medicine for San Marcos' primarily low- and extremely low-income residents. NCHS' wide array of safety net services provide increased access, high quality medical and dental care, and health education to prevent more severe conditions, loss of days from school and work, and the over-use of emergency rooms.

we're here for you.

Proposal to San Marcos Community Foundation

ORGANIZATION INFORMATION:

North County Health Project, Inc., aka North County Health Services (NCHS) is a 501(c)(3) federally qualified health center that began as an all volunteer organization in 1971. NCHS' **mission** is *"to improve the health status of our diverse communities by providing quality healthcare that is comprehensive, affordable, and culturally sensitive."*

Based in San Marcos, NCHS has served San Marcos residents since 1976. NCHS' two San Marcos locations served 32,828 patients (117,855 visits) in 2015. Ninety-eight percent (98%) of patients who reported incomes were at or below 200% of the Federal Poverty Level (74% were below 100% FPL). Patients identified themselves as 71% Hispanic, 22% White, 3% Asian, 2% African American, and 2% other or mixed race; 40% of patients were children aged 19 and under. Patients are not turned away due to their level of ability to pay for services.

NCHS' comprehensive services include adult and pediatric primary care, internal medicine, obstetrics, gynecology, perinatology, family planning, dentistry, behavioral health, chiropractic services, radiology, lab, pharmacy, and enabling services, such as transportation and language interpretation. NCHS also conducts extensive outreach and assists eligible families in applying for, enrolling in, and utilizing their health insurance/MediCal/CalFresh/WIC benefits.

In addition to clinical services, NCHS has a wide range of programs in North County that focus on early prevention to maximize health outcomes. NCHS' WIC (Women, Infants and Children supplemental nutrition program) serves almost 11,000 women and children monthly. NCHS conducts extensive outreach, community health fairs, and free health screenings (dental, blood pressure, glucose, obesity, etc.). These screenings include helping individuals and families establish a dental/medical home at NCHS. NCHS' Family Nutrition Program provides nutrition education and training for families with young children to form good nutritional habits from an early age. NCHS also conducts support groups for patients with chronic conditions like hypertension, diabetes and obesity, and also for mental health. Federal and state programs include medical and dental services for homeless individuals and teen pregnancy prevention.

NCHS' primary care health centers hold the National Committee for Quality Assurance's Patient-Centered Medical Home (PCMH) level 3 recognition. This distinction recognizes long-term patient relationships, and continued improvements to quality and efficiency of care.

PROJECT: ECG Machine for NCHS San Marcos Health Center

North County Health Services respectfully requests a \$4,700 grant from the San Marcos Community Foundation to purchase a new Electrocardiograph (ECG) machine for NCHS San Marcos Health Center (also called an EKG). NCHS will cover the cost of sales tax, training and calibration in-kind. NCHS will purchase a new compact, wireless ECG machine (McKesson LUMEON® and Burdick Premium Resting ECG). It will interface with NCHS' Electronic Health Records so that precise data from up to 12 sensors (electrode leads) can automatically be recorded into each patient's health record, saving time and eliminating errors.

Proposal to San Marcos Community Foundation

We're here for you.

An electrocardiogram (ECG) is used to detect abnormal heart rhythms (palpitations) and to investigate the cause of chest pains. The heart produces tiny electrical impulses which spread through the heart muscle to make the heart contract. These impulses can be detected by the ECG machine, which may also be used as part of routine tests, such as before having an operation.

To perform the test, a doctor places small electrodes on the patient's arms, legs and chest. The ECG detects and amplifies the electrical impulses from each of the electrodes that occur at each heartbeat and records them on a line on a paper or computer screen. The doctor reads and interprets the peaks and dips of the line to diagnose abnormal or unusual activity.

One of the most common uses for an ECG is for patients with high blood pressure to detect any damage to the heart or blood vessels, cholesterol clogging up the heart's blood supply, a past heart attack, enlargement of one side of the heart, or abnormal heart rhythms.

PROJECT BENEFITS:

A San Marcos Community Foundation grant will ensure that NCHS patients needing ECG tests will have immediate access to these preventive, diagnostic tests. The new computer-based ECG machine will be used on a daily basis, serving at least 600 patients per year. The high-resolution, color LCD monitor has a convenient touchscreen that will display up to 12 electrode leads of ECG data per patient for immediate review and chart plotting. The need to repeat an ECG test will be reduced because the system is able to select and capture the best 10 seconds of data.

The new ECG will be augmented by an existing portable ECG at NCHS San Marcos that is not computer-based and produces only paper read-outs. Due to being frequently moved, the portable ECG requires frequent recalibrations that temporarily put it out of service. Therefore NCHS will use the portable ECG as a back-up whenever the new ECG needs regular maintenance, including recalibration. This will ensure that patients will not have to schedule a separate appointment, or be referred to an outside specialist, which could be more costly.

Due to greater accessibility, doctors performing pre-op ECGs (before operations or other procedures) for patients will significantly reduce the lag time between the need for surgery and the scheduled procedure, also optimizing patient outcomes. More importantly, the ECG may provide the deciding factor in where the patient should have a procedure performed. The new ECG machine will also speed up the process of sending reports to specialists for follow-up care when needed, as well as receiving ECG readouts from outside health providers.

It is often the untreated, preventable conditions that contribute to more days lost from school or work and lead families to resort to emergency rooms when symptoms become dire. With support from the San Marcos Community Foundation, NCHS' will enhance its wide array of preventive safety net services for San Marcos' low-income residents. This diagnostic tool will provide some of the most critical data needed to prevent heart attack, stroke, or even death. NCHS cares for patients during all stages of their lives and does not turn patients away due to their level of ability to pay for services.

SAN MARCOS COMMUNITY FOUNDATION
Budget Worksheet

Toll Free Telephone Number: 1-877-829-5500

Dear Taxpayer:

This is in response to your Sep. 06, 2011, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in July, 1973.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

In reply refer to
EO:JCS:ch

North County Health Project Incorporated
170 West Mission
San Marcos, CA 92069

Purpose: Charitable
Form of Organization: Corporation
Accounting Period Ending: August 31
Organization Number: 676146

Gentlemen:

Based on the information submitted and provided your present operations continue unchanged or conform to those proposed in your application, you are exempt from State franchise or income tax under Section 2370ld, Revenue and Taxation Code. Any change in operation, character or purpose of the organization must be reported immediately to this office so that we may determine the effect on your exempt status. Any change of name or address also must be reported.

You are required to file Form 199 (Exempt Organization Annual Information Return) or Form 199B (Exempt Organization Annual Information Statement) on or before the 15th day of the 5th month (4-1/2 months) after the close of your accounting period. See annual instructions with forms for requirements.

You are not required to file state franchise or income tax returns unless you have income subject to the unrelated business income tax under Section 23731 of the Code. In this event, you are required to file Form 109 (Exempt Organization Business Income Tax Return) by the 15th day of the 3rd month (2-1/2 months) after the close of your annual accounting period.

Contributions made to you are deductible by donors as provided by Sections 17214 through 17216.2 and 24357 through 24359 of the Code, unless your purpose is testing for Public Safety.

If the organization is incorporating or is a foreign corporation qualifying to do business in California, this approval will expire unless incorporation or qualification is completed within 30 days.

Exemption from federal income or other taxes and other state taxes requires separate applications.

(Choose one) ☐ **MINI-GRANT** (Choose one) ☒ **REGULAR GRANT**

Project Name: <i>The Alliance to Accelerate Excellence in Education at CSUSM: Roadshows and Coaching Cadres</i> Date Submitted: July 6, 2016		Total # of people served: 177,770 Total # of San Marcos residents served: 2900	Amount Requested: \$10,000
<u>Non-Profit Organization Name and Address, Website</u> California State University San Marcos Foundation 333 S. Twin Oaks Valley Rd. San Marcos, CA 92096 www.csusm.edu/giving		<u>Contact Person – Name, Title & Phone, email</u> Lauren Tucker Director of Corporate and Foundation Relations University Advancement 760-750-7313 ltucker@csusm.edu	
<u>Briefly describe your request for funds (to be expanded upon in narrative for regular grant):</u> The Alliance to Accelerate Excellence in Education Roadshows and Coaching Cadres requests \$10,000 from the San Marcos Community Foundation to 1) offer college readiness assemblies to 8 th grade students at all four San Marcos middle schools, and 2) recruit and train a Coaching Cadre of current CSUSM students to support graduating San Marcos seniors over the summer as they prepare for the transition from high school to college.			
<u>Briefly describe the significance of your request to the San Marcos community:</u> At the heart of the Alliance's mission is the belief that the more that can be done to prepare the region's youth for success in college, the more the entire region benefits. This project would put 1500 students at San Marcos middle schools and 1400 graduating San Marcos seniors on the path to college success. Now more than ever, the labor market places a large and growing emphasis on academic skills and educational attainment. According to the Public Policy Institute of California, in 2025, if trends continue, 41% of jobs will require at least a bachelor's degree. By working together collaboratively with its K-12 partners and the community, CSUSM is doing its part to ensure that more people in North San Diego County will have the necessary skills for tomorrow's jobs, reducing their dependence on the social safety net.			
Please attach the following items. Both Mini-Grant & Regular: 1. Budget for request (use SMCF Budget Worksheet) 2. Annual Operating budget for the organization or unit 3. Federal & State Tax ID numbers 4. Board of Directors listing with affiliations 5. Regular Grants Only: a. 1-2 page narrative b. First 2 pages of Federal 990 c. Most recent year-end Statement or Audit including any management letters associated with Audit. d. Signature of President or Authorized Officer on Application e. Optional: letters of support		Expected date project will begin/end: September 2016-August 2017 Date by which funds will be expended: August 2017 Signature of President or Authorized Officer  7/5/16 Neal Hoss, Executive Director and Vice President of University Advancement

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

Letter 947 (DO/CG)

CALIFORNIA STATE UNIVERSITY SAN

Sincerely,

A handwritten signature in dark ink, appearing to read "Robert Choi". The signature is fluid and cursive, with the first name "Robert" and last name "Choi" clearly distinguishable.

Robert Choi

SAN MARCOS COMMUNITY FOUNDATION
Proposal Narrative

The Alliance to Accelerate Excellence in Education at CSUSM:

Roadshows and Coaching Cadres

The Alliance to Accelerate Excellence in Education at California State University San Marcos requests \$10,000 from the San Marcos Community Foundation to offer college readiness assemblies called “Roadshows” to 1500 8th grade students at all four San Marcos middle schools: San Marcos Middle School, Woodland Park Middle School, San Elijo Middle School and Double Peak School; and to further support college readiness by recruiting and training a Coaching Cadre of current CSUSM students to support 1400 graduating San Marcos seniors from San Marcos High School and Mission Hills High School over the summer as they prepare for the transition from high school to college.

The Alliance to Accelerate Excellence in Education is the umbrella administrative office for the CSUSM guaranteed admission program. This program is detailed in MOU with 10 local school districts and is part of the university’s goal of raising the educational attainment of the region. The Alliance is the first of its kind and works to support the success of the whole student - academically, emotionally, and socially - from K-12 education to college, and it is built upon the premise that all stakeholders: school districts, the university, and community organizations, can work together to make a difference for all youth.

CSUSM leadership is deeply and publicly dedicated to making student success a top institution-wide priority. We know that education is a passport to social and economic prosperity for our students and our region. The university is proud of its diverse student body: 50% of students are first in their family to attend college and approximately 60% of students self-identify as students of color.

Our commitment to student success is what led President Karen Haynes to sign the University’s first guaranteed admission agreement with San Marcos Unified School District in 2006. Today, the Alliance oversees then such agreements with school districts in Oceanside, Vista, San Marcos, Escondido, Valley Center/Pauma, Fallbrook, Carlsbad, Temecula, Lake Elsinore and Murrieta. Through these ten districts, the Alliance serves 177,770 students. With a vision statement that focuses on students getting *to* college and then successfully *through* college, the Alliance works collaboratively to meet the unique needs of each district’s students. The funding requested here will serve two purposes:

First, it will allow the Alliance to build upon a successful 2015-2016 pilot project in which CSUSM students designed and delivered college readiness assemblies for local 8th grade students. In the assemblies, college students introduced the guaranteed admission agreement and reminded participants about what it takes to be accepted to college. Because the Roadshows were presented by real college students, the 8th grade students were very receptive. After each of the four pilot assemblies, students lingered afterwards to talk with the CSUSM facilitators, to ask questions, and to make connections. The CSUSM students, in collaboration with Alliance staff, refined the roadshows based upon student and teacher feedback and will be offering them to all middle schools in the Alliance (40 in total).

Funding from the San Marcos Community Foundation will be used only in the four San Marcos middle schools and will allow us to enhance the experience with an additional facilitator and with prizes and printed information not available to the other 36 middle schools. The prizes are lanyards with the CSUSM Alliance logo that students can use to hold school identification

cards, house keys, and other frequently used items. Although these lanyards were extremely popular in the pilot roadshows during the 2015-2016 academic year, budget limitations mean we are unable to offer them to 8th graders in all districts. This grant would provide these items to San Marcos students, which serves as a reminder of the Alliance and its guaranteed admission agreement. Additionally, we would like to distribute MOU checklists in an easy-to-read format that students can keep in their binders and backpacks. Funding would allow us to offer this resource to San Marcos students when it is unavailable to other students across the Alliance.

Second, it will allow the Alliance to design and pilot a support network for graduating high school seniors known as Coaching Cadres. Because San Marcos schools serve a large number of low-income, under-represented students who are first in their families to attend college, the Alliance would like to provide additional summer support to ensure that high school graduates who are admitted to and enroll at CSUSM successfully transition over the summer and arrive at the university as planned. Without a dedicated person to answer questions and give support, many would-be first generation college students flounder after high school graduation.

The Alliance's Coaching Cadres will be modeled after a successful program in New York City. This program, run by College Access: Research & Action (CARA), trains current college students to work as mentors to graduating high school seniors to help them figure out how to pay for textbooks, register for their university's orientation program, fill out financial aid and other forms, and address the myriad questions that arise in the summer before one's first semester at college. Although the New York City program is in its infancy, anecdotal reports indicate that it is helping more high school graduates make the leap from high school to college.

Coaches would be current CSUSM students who work 15 hours per week for eight weeks in the summer and are assigned a caseload of 25-50 graduates from San Marcos High School or Mission Hills High School. Identified in collaboration with counselors at the two high schools, these recent graduates would receive weekly contact from the coaches as well as be able to attend regular office hours and to ask questions as they transition from high school to college. Coaches would be recruited during the 2016-2017 academic year, trained in Spring 2017, and work throughout Summer 2017. At the end of the summer, we will review enrollment data, solicit feedback from both coaches and students, and make adjustments to this pilot program with the intention of expanding it to all Alliance districts.

Funding from the San Marcos Community Foundation would support four current CSUSM students to act as the pilot Coaching Cadre and would benefit students from both San Marcos and Mission Hills high schools. Only students from these two high schools will be assigned to the Coaching Cadre's initial caseload so the direct benefit will be to members of the City of San Marcos.

Data indicate students admitted through the Alliance enter CSUSM with higher high school GPAs, and higher SAT/ACT scores than the general student population. Alliance students at CSUSM also have higher college GPAs, take more units per semester, and have a higher four- and five-year graduation rate than the general student population. We also know the majority of Alliance students are first generation college students. As the Alliance initiatives launch and develop, we expect to see similar results across all districts and with a growing number of students.

This funding from the San Marcos Community Foundation will provide an additional benefit for the City of San Marcos, allowing San Marcos Unified School District to act as the trailblazer on this very important project and then serve as a guide and resource in the future.

**MINUTES
SAN MARCOS COMMUNITY FOUNDATION
GRANT FUNDING COMMITTEE
SAN MARCOS ROOM
1 CIVIC CENTER DRIVE
SAN MARCOS, CA 92069**

**MEETING OF THE GRANT FUNDING COMMITTEE
WEDNESDAY, JULY 13, 2016 – 6:00 PM**

CALL TO ORDER VICE PRESIDENT WILLIAMS called the meeting to order at 6:00 p.m.

ROLL CALL

PRESENT: BOARD MEMBERS: NUTTAL, WASCO, WILLIAMS

ABSENT: BOARD MEMBERS: NONE

ALSO PRESENT Recording Secretary, Michael Gordon and City Staff Sandra Gallegos

OLD BUSINESS

1. GRANT AWARD HISTORY

Noted and filed.

NEW BUSINESS

2. MINI-GRANT PROPOSALS

(A) LUMINARY ARTS CORPORATION

The committee discussed the request for funding from Luminary Arts Corporation for its elementary arts education classroom instruction program at three San Marcos elementary schools. The committee will contact the applicant about the number of San Marcos residents being served and program costs, as well as support from the school district.

3. REGULAR GRANT APPLICATION PROPOSALS

(A) RANCHO SANTA FE FOUNDATION

The committee discussed the request from Rancho Santa Fe Foundation to help fund the North County Senior Connections program to provide access to food for vulnerable seniors. The committee will contact the foundation to find out more about their proposal.

(B) NORTH COUNTY HEALTH SERVICES

The committee discussed the request from North County Health Services to purchase a new electrocardiograph (ECG) machine for its San Marcos Health Center. The committee will contact the applicant to find out if they have asked any ECG providers to donate a machine.

(C) CAL STATE SAN MARCOS FOUNDATION

The committee discussed the request from Cal State San Marcos Foundation to offer college readiness assemblies to 8th grade students and train current CSUSM students to support graduating San Marcos high school seniors transitioning to college. The committee will contact the foundation to ask how this program will become sustainable and also about the budget line item for lanyards.

CONSENT CALENDAR

4. **WAIVER OF TEXT** – Waived
5. **APPROVAL OF MINUTES** – Approved – SMCF Grant Funding Committee Meeting minutes of May 11, 2016.
6. **ORAL COMMUNICATIONS** - No members of the public requested to speak.

ITEMS FOR THE GOOD OF THE ORDER

7. **NEXT MEETING DATE** – The next meeting of the Grand Funding Committee is scheduled for Wednesday, August 10, 2016. The next meeting of the SMCF Board of Directors is scheduled for Tuesday, August 16, 2016.
8. **MISCELLANEOUS**
9. **ADJOURNMENT**

**MOTIONED BY BOARD MEMBER WASCO AND SECONDED BY BOARD MEMBER NUTTAL
ADJOURN THE MEETING. MOTION PASSED BY UNANIMOUS VOICE VOTE.**

Meeting adjourned at 6:24 PM.

Terri Williams, Vice Board President

ATTEST:

Michael Gordon, Recording Secretary
