AFFIDAVIT OF POSTING

Agenda packets are available for public inspection 72 hours prior to scheduled meetings at City Hall: 1 Civic Center Drive, San Marcos, CA 92069. Any agenda-related writings or documents provided to a majority of the commission after distribution of the agenda packet are available for public inspection at the time of distribution in the Council Chambers. I, Regina Williams, Community Services Secretary, City of San Marcos, hereby certify that I caused the posting of this agenda at the entrance of City Hall Council Chambers on Thursday, September 15, 2016.

Date: September 15, 2016

Regina Williams, Commission Secretary

The City of San Marcos is committed to making its programs, services and activities accessible to individuals with disabilities. If you require accommodation to participate in this meeting or any other City programs, service or activity, please contact the City Clerk's office at 1 Civic Center Drive, San Marcos, CA 92069, or call (760) 744-1050.

Discussion about how statistics are gathered, calculated and whether each program area is using the same methods of reporting. Staff will create new spreadsheets with further clarification of program areas. Use of ActiveNet registration software will also increase accuracy of participation and revenue reporting.

COMMISSIONER TOWSLEY MOVED TO APPROVE JULY MINUTES, SECONDED BY COMMISSIONER SMITH AND CARRIED UNANIMOUSLY. ABSTENTIONS: MAAS

COMMISSIONER TOWSLEY MOVED TO APPROVE CONSENT CALENDAR ITEMS 2-3, SECONDED BY COMMISSIONER SMITH AND CARRIED UNANIMOUSLY.

REPORTS AND OTHER BUSINESS

4. SAN MARCOS LACROSSE

Representative Zach Burke, who previously played professional Lacrosse and has been coaching for many years, is happy to share that the teams he coaches have won many championships. Living in San Elijo Hills, he is glad to be part of the thriving lacrosse programs in San Marcos which include 11 teams, four of which were girl's teams. Burke stated that

because of Title 9, there are many opportunities for female lacrosse players, especially scholarships for Pac 10 schools. Burke would like to see CSUSM start an NCAA lacrosse program. Lacrosse club seasons are from mid February until end of May, in San Marcos they practice at Bradley and San Elijo Parks but would like to explore the possibility of using hard courts and fields, which are typically the size of roller-hockey rinks.

5. SOUTH LAKE AND RICHMAR PARK UPDATE. PP shown. City Associate Civil Engineer, Isaac Etchamendy, spoke on two park projects from the 2005-2007 Parks Master Plan, Richmar Park and South Lake.

Richmar Park, located adjacent to the Post Office on Twin Oaks Valley Road, is presently under construction and is being funded by two grants. There will be an open turf area, play and climbing structures, restrooms, parking and picnic shelters. City Council requested an urban feel, so design elements such as seat walls, bridges, and a plaza layout were incorporated. Richmar Park is scheduled to open by the end of 2016, potentially around the same time playground equipment at the Senior Center will be replaced.

South Lake is a reservoir owned by the Vallecitos Water District, which the City has a joint-use agreement to build a park around the lake. The reservoir is mostly for emergency water storage by Vallecitos, but could be made active at any time, depending on water needs. In the Parks Master Plan it is very clear the approving City Council wants this to be a usable water recreation area with amenities such as restrooms, parking, play structures, viewpoint, picnic areas, and a flexible dock that will adjust for various water levels. No motorized water vehicles allowed.

Next phases of the project will be:

- City staff working with a design contractor to assess environmental impacts and scale down original designs due to budget constraints.
- Permitting could take a significant amount of time
- Follow phases outlined in the Parks Master Plan, small features will be phased in for the public to enjoy over the next few years.
- Presently the area does not warrant a traffic signal until camping areas and dock constructed.
- Stocking and monitoring wildlife has not been determined, possibilities include private or grant funding
- Time sensitive auto-locking mechanisms are now being installed on all park restrooms.

6. Trail Advisory Committee. Commissioner Crain informed the commission of the social media project #DiscoverSanMarcos and expanding the volunteer ranger program to include bicycle & equestrian patrol. New park closure signs are to be posted on the parking gate at Lakeview Park due to the fact that many vehicles remain in the parking lot after gate closure.

7. Park naming, Armorlite Drive near Mission Sports Park. Tanis Brown, of the San Marcos Historical Society, presented to the commission a few options for park names based on the history of that areas. Top recommendations of park names were We-la-me or Wind Spirit, Flatlands or Mountain View, Stanley "Sam" Mahr, or Rodeo Park. All of these suggestions have historical relevance in that geographical area, so commissioners will consider these names and ensure a respectful treatment of any Native American communities with regard to the park naming.

COMMISSIONER AND STAFF COMMENTARY

Buck Martin updated commissioners on items such as:

- Double Peak Challenge 10k, Oct. 1, 2016. Commissioners are encouraged to promote this event which will raise funds for both the Friends of San Marcos and the San Marcos Promise non-profit organizations.
- Richmar Park Grand Opening scheduled for Oct. 13, activities will include a Movie in the Park and ribbon cutting ceremony.
- Horse Heritage Festival, Oct. 16 at Walnut Grove Park
- Annual Commission report to City Council on Nov. 8, 2016. Representative Commissioner will need to be selected to provide a presentation.
- To embrace the Pokémon GO phenomenon, City staff has created a social media campaign called #DiscoverSanMarcos. Participants will take a 'selfie' photo at 7 various places around San Marcos, post on social

media, and be eligible for prizes and other promotions.

Commissioner Mockus complimented Jennifer Overman and staff about having another successful family campout at Walnut Grove Park. The weather was ideal for a fun family outing full of activities.

Commissioner Crain enjoys Connors Park, and as a football coach consistently sees a healthy number of both athletic participants and local residents. Connors Park is a great example of how parks should be, with multipurpose field/play use and a community presence.

Commissioner Smith complimented the Las Posas Pool staff for professionalism and cleanliness.

Commissioner Maas thanked staff for better consistency with the locking gates at Discovery Lake Park. As a resident of that area, she has seen a significant drop in the amount of park users who stay after park closure. Maas inquired about the City's panhandling policy, and has noticed a lot more transients congregating in a grassy area along Foxhall Drive.

Commissioner Towsley complimented Adventure Day Camp staff, especially Amber Schmaltz, on their creativity, reliability, safety, and communication.

Commissioner Lindsay feels the custom park features, such as those at Questhaven, South Lake, and Richmar are great additions to attract park users and complimented city staff on these features considering the budget constraints.

Chairperson Franklin commended the Public Works department for keeping Woodland Park clean, especially after large group use over the weekends and noted there is a Pokémon stop near the community garden.

TAC COMMENTARY

Next meeting is 6:30pm Wednesday, October 5, 2016.

ADJOURNMENT

Moved by Chairman Jim Elliot, TAC unanimously approved to adjourn the meeting of the San Marcos Trails Advisory Committee at 8:00 PM.

ATTEST:

RON VINLUAN, STAFF ADVISOR
CITY OF SAN MARCOS
TRAILS ADVISORY COMMITTEE

CITY OF SAN MARCOS
YOUTH SPORTS COUNCIL
Tuesday, September 6, 2016
1 Civic Center Drive

Attendance: All members present except San Marcos Pop Warner, San Marcos Youth Basketball, San Marcos Youth Rugby and San Marcos United.

Community Services Commissioner present: Julia Maas

Staff present: James Daza, Holly Malan, Eric Leichliter & Taylor Oshinski.

Call to order

James Daza called the Youth Sports Council meeting to order at 6:05pm.

Approval of Minutes

Wayne Marking (AYSO 1505) motioned to approve the modified minutes from the June 7, 2016 meeting. Kelly Breihan (SMYL) seconded the motion.

Motion carried 5-0. With AYSO 127 abstaining.

SMUSD Field Updates

Martin Leon gave an update on the SMUSD athletic fields. He reported that the softball field portion of San Marcos Middle School would be closed through September 30 for renovation. He reminded all members that school district permits for use of fields need to be submitted before the groups begin to use the fields. He mentioned that only one member has completed their permits for field usage.

James Daza reminded all members that at a previous meeting it was decided that all members who use SMUSD fields would turn one copy in to LaTanya at the District office and one copy to each school they plan to use. Martin explained that not having the proper paperwork on file creates issues between the youth groups, school district employees and the school administration. Martin further explained that in the future any SMUSD fields that require renovations will be shut down for the entire summer to allow for proper repair, as partially closing fields did not work this summer. Martin requested that all groups who line soccer fields on any school field to forward their schedule to James who will in turn send them to Martin. Martin asked AYSO 1505 when they plan to line fields at San Elijo Middle School; Wayne responded that they line fields on Friday's after 4pm to allow for students to leave before they begin. Martin told Kelly Breihan

(SMYL) that their storage container has been approved to stay at San Elijo Middle School.

Woodland Park Middle School Principal is concerned about the public using the tennis courts during school hours. He proposed locking the gates to the courts from 7:30am-2:30pm to allow only the school P.E. classes access during these times.

Martin mentioned that SMPW did not show up for their scheduled rental on Saturday, September 3. SMUSD had staff present for three hours before they left. Martin asked to follow up with their representatives.

James reminded YSC members to submit all permits to SMUSD school locations and the district office as soon as possible to eliminate any issues. All communication between YSC members and SMUSD should go through James who will follow up with Martin as needed.

San Marcos Parks Update

Art Sotelo reported that Bradley Park received new artificial turf in the soccer arena in June and also a drinking fountain was installed at the request of YSC members. Art also gave an update for the capital improvement project that will be starting on October 5 on the multi-purpose field and North softball field. Both fields will be leveled and will have new turf and irrigation systems installed and will be closed through February. Art mentioned that the current grass will begin to turn brown but will remain playable for the youth groups. Jeremy Vargas (SMGS) asked if the October 5 start date is set in stone. Art responded that it is a tentative date; however everything should be ready to go on that day.

Art said that the City has contracted out the sport field maintenance service to Pac West. Any concerns about the field maintenance should be forwarded to James who will then relay the message to him.

Art informed the YSC that Richmar Park is about 80 percent complete and will open to the public on October 13. He also mentioned plans for a new park on Armorlite Drive that is part of the Davia development.

Vallecitos Water District yard solar panels are still being hit and broken by errant baseballs. Molly Carpenter (SMYB) ensured Art that all managers know of the issue and are being vigilant about preventing future issues. She said they moved rocks that were previously in the area to prevent children from throwing them.

Walnut Grove had 6,000 square feet of sod replaced in July that is holding up well. Art explained that the Public Works Department reviews and approves tournaments during the fall on a case by case basis depending on the condition of the grass fields.

Double Peak Challenge

Holly Malan presented on the Double Peak Challenge run that the City will be hosting on October 1. She explained that there will be a 10k, two mile run and a kids run. The event is being run by Sandy Feet Events and will benefit the Friends of San Marcos and the San Marcos Promise.

Returning Unused Field Space

All YSC members are reminded to please return any unused field space if they know their group will not be using it. There are other groups who request additional field space and returned field space helps facilitate those requests. Patrick Jenkinson (AYSO 1505) stated that it is in the best interest for the members to work together to maximize the field space since other groups might need additional space.

Julia Maas asked James if the City has used any online sharing like Outlook to view what field space is being used. James responded that the City has looked into this issue previously and could not find a viable option.

Sunset Park Noise

James reminded the YSC members who use Sunset Park for games and practices to try to keep the noise under control. The City has received complaints from neighbors stating that the park can get very loud with whistles, screams, shouts and air horns, (which are not allowed).

Hollandia Park

The City has encountered issues over the past few months regarding teenagers in the park drinking alcohol and using drugs. He mentioned anyone encountering these situations to please call the Sheriff's non emergency line at 760-510-5200. The Sheriff's Department is aware of the problem and is ready to respond if called.

Palomar College Game Days

James reminded the YSC soccer groups that the youth groups cannot access the field until 6pm on Palomar College game days. Although it is tough to monitor, the youth organizations need to do their best to minimize issues with players entering the field before 6pm.

Old Business

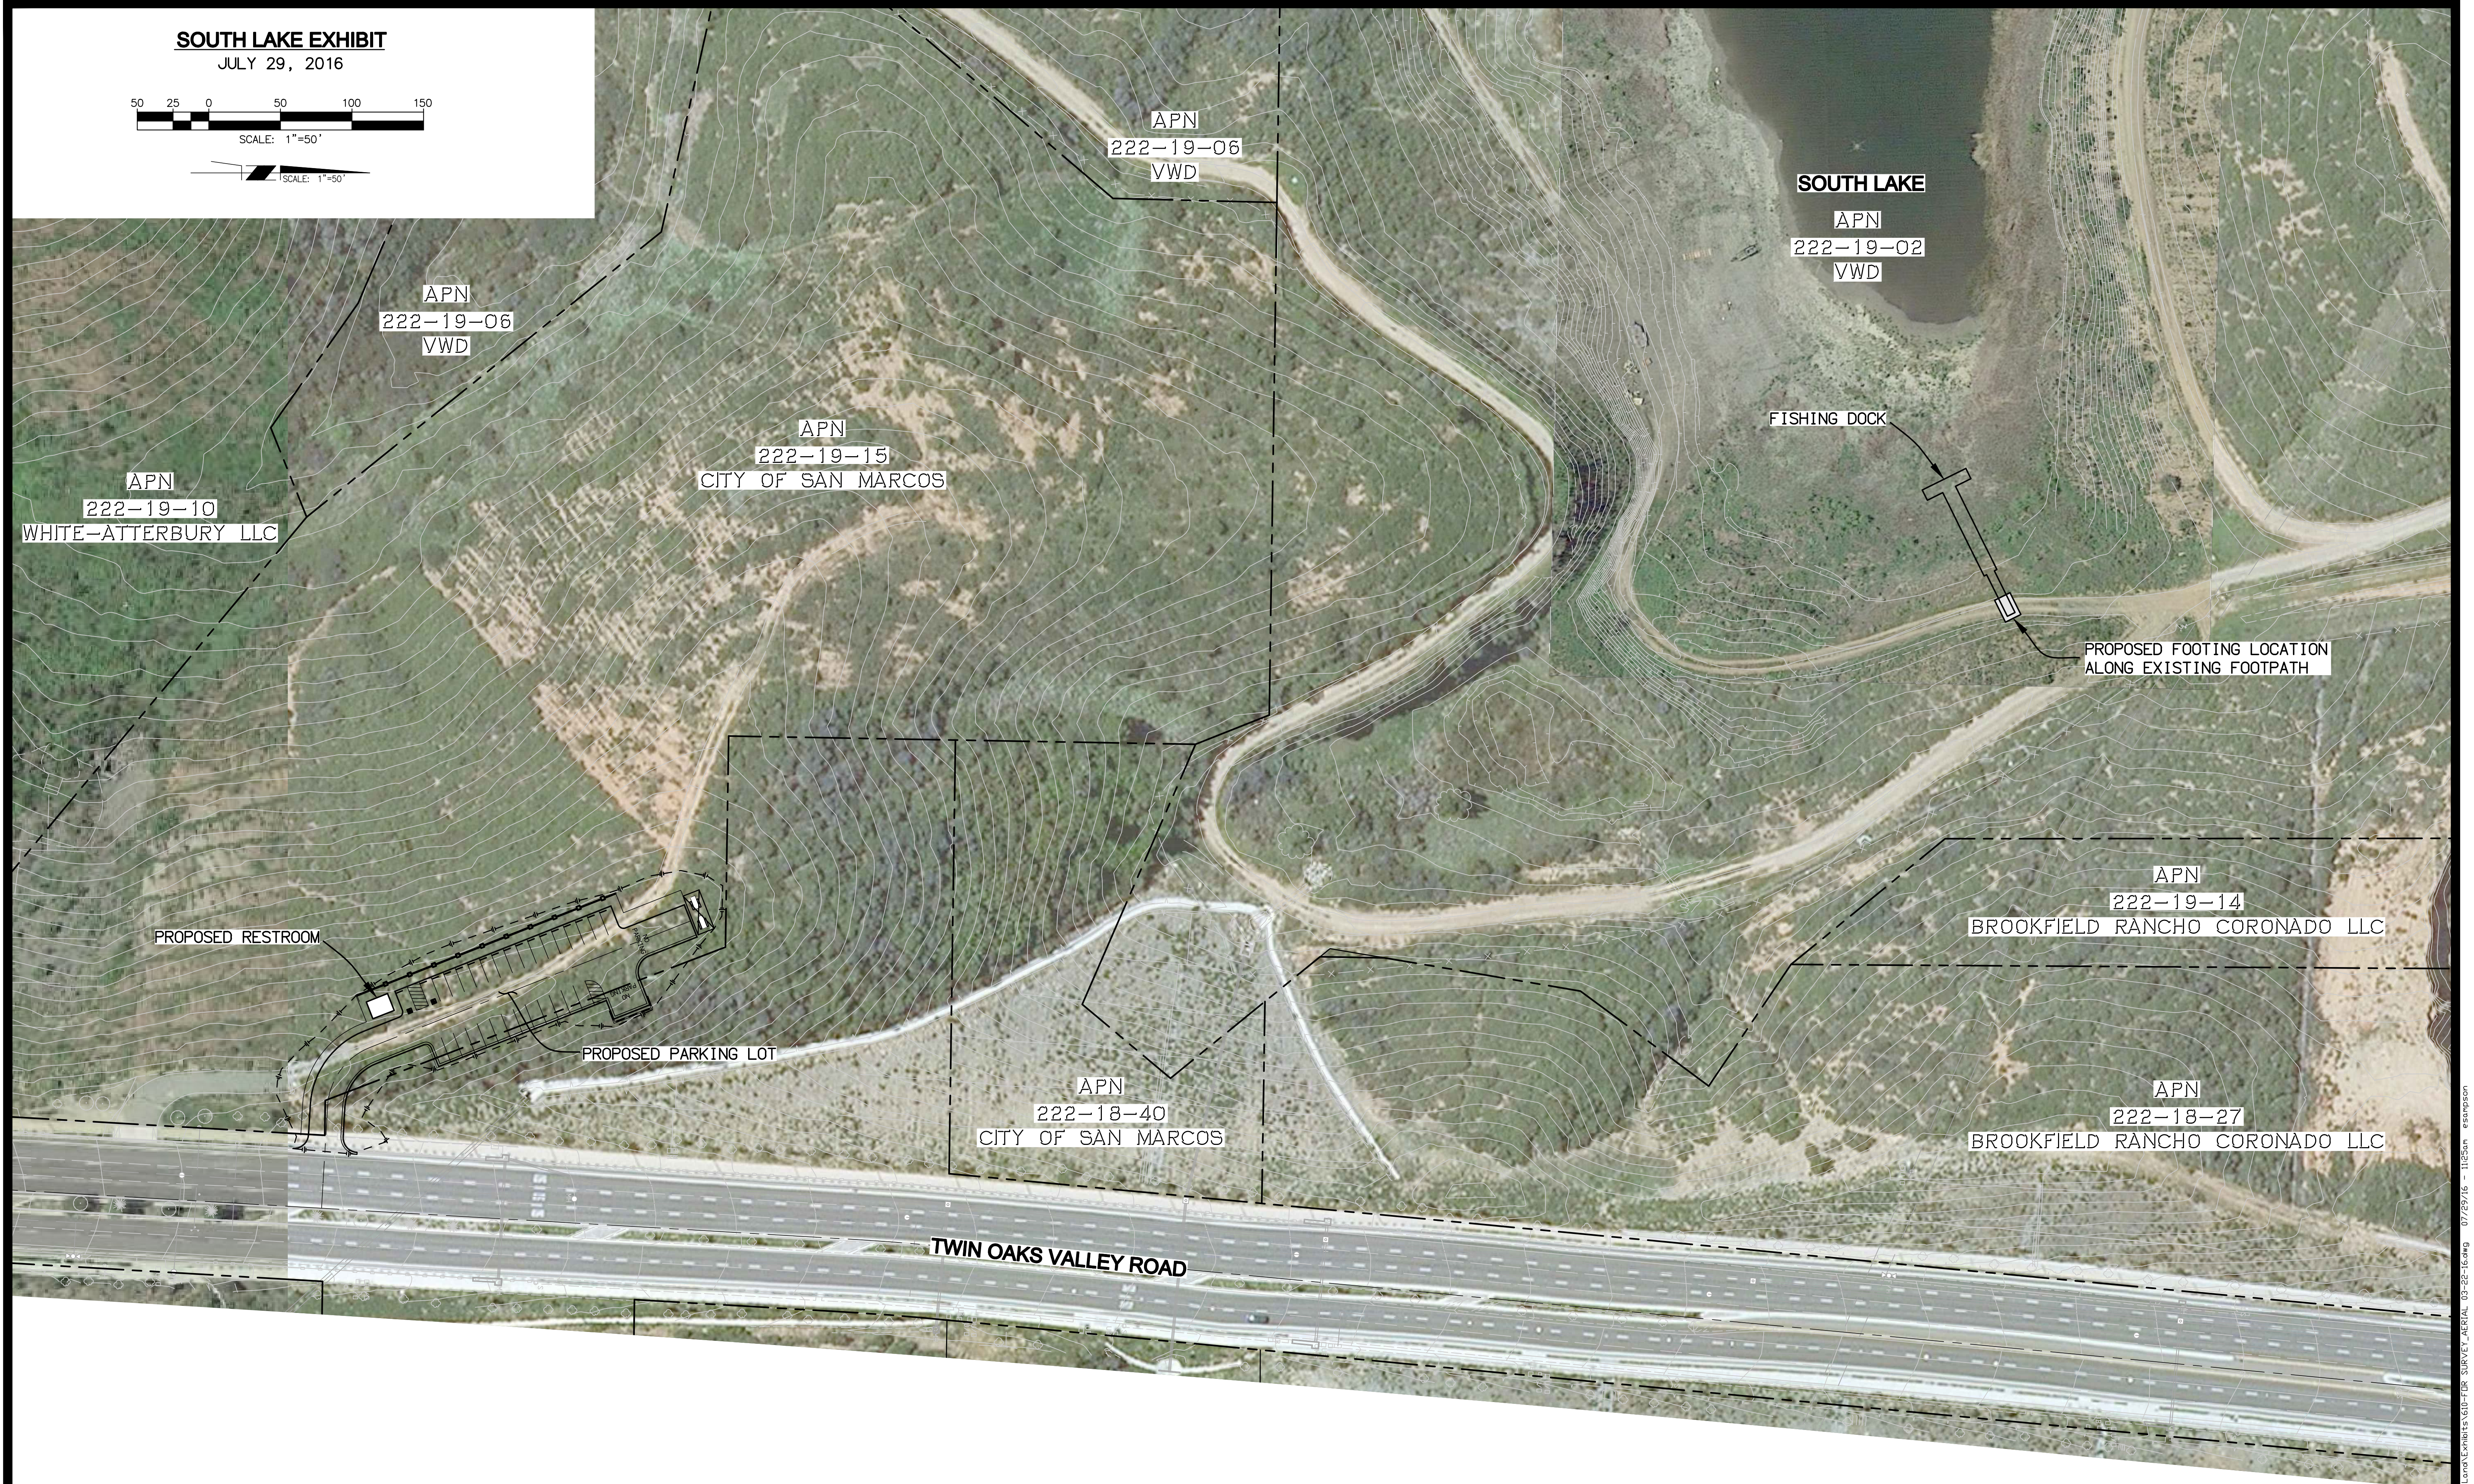

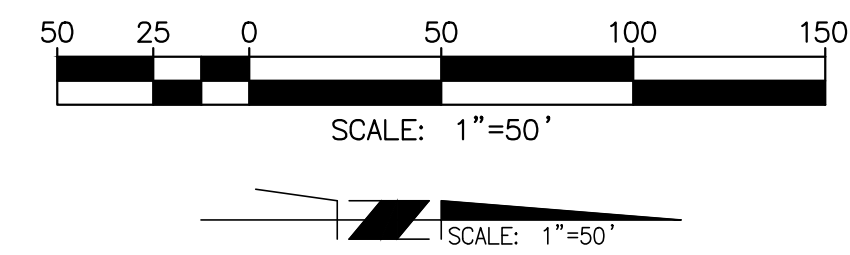

Taylor Oshinski informed the YSC members present that the Community Services Department will be offering a Tots Futsal program on Wednesday mornings from 9am-10am at the Corky Smith Gym. The class is scheduled to run from Wednesday, October 26 through Wednesday, November 30.

James reminded the members that all registration banners needed to be removed no later than September 1. Any banners left up at the parks will be removed by staff.

Next regularly scheduled meeting will be Tues, November 1 @ 6pm. Meeting adjourned at 6:56pm.
