<p><u>Briefly describe your request for funds (to be expanded upon in narrative for regular grant):</u> Canine Companions for Independence is a non-profit organization that enhances the lives of people with disabilities by providing highly trained assistance dogs and ongoing support to ensure quality partnerships. We respectfully are seeking support to place one highly skilled dog with a resident from San Marcos who has applied for an assistance dog.</p>		
<p><u>Briefly describe the significance of your request to the San Marcos community:</u> By pairing a Canine Companion to a person with disabilities, the San Marcos Foundation will profoundly change the life of a person with disabilities. Imagine not being able to turn on a light, pick up dropped objects off the floor, or hear an alarm when it sounds. Canine Companion service dogs are trained in over 40 commands that assist a person with disabilities to live a fuller, more independent life. The impact not only serves the person with disabilities, but also impacts the community at large. People with disabilities find that their canine companion assists them in the ability to function more independently at home and when out in the community and serves as a bridge in social settings. Each team raises awareness in the community that people with disabilities can lead productive lives. Through awareness, the community learns tolerance and understanding.</p>

Dear Taxpayer:

This is in response to your May 07, 2015, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in February 1979.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

San Marcos Community Foundation

San Marcos, CA 92069

Dear Ms. Kaserman:

On behalf of Canine Companions for Independence, we are grateful for the opportunity to present this proposal for the **Quarterly Funding Cycle** to the San Marcos Community Foundation. Canine Companions respectfully requests funding in the amount of **\$5,000.00 to support the training and placement of a new Canine Companion for a person with a disability residing in San Marcos, California.** The Canine Companions for Independence Program Manager in Oceanside has confirmed that a San Marcos resident has been selected for the Graduate Team Training Program for the 2015-16 year.

Founded in 1975, CCI pioneered the concept of training assistance dogs to help people with disabilities other than blindness and remains the respected leader in this rapidly growing field. For 40 years, our work has been guided by our valuable mission: ***to enhance the lives of people with disabilities by providing highly trained assistance dogs and ongoing support to ensure quality partnerships.***

A grant from the San Marcos Community Foundation would cover the direct costs involved in breeding, raising and training one dog for placement with a local resident of San Marcos with a disability, and providing follow-up services to the team. The generosity of donors like the San Marcos Foundation and the efficiency of our program enable us to provide our assistance dogs, training and ongoing support services free of charge to the recipients.

We hope you will look favorably on our request and partner with us to dramatically change the life of someone with a disability in San Marcos. Together, we can provide a future graduate the gift of companionship, love, hope and independence. If you should have questions or require additional information, please feel free to contact me directly at (760) 901-4306.

Kind regards,

**2015 Grant Proposal
San Marcos Community Foundation**

Canine Companions for Independence respectfully requests your support to fund the cost of one graduate team from San Marcos for Team Training--a critical component in the process that prepares and provides persons with disabilities a skilled assistance dog. The two-week Team Training takes place at the Southwest Regional Campus in the neighboring community of Oceanside. Once a graduate completes the program, they will return to San Marcos and impact the entire community by living a fuller and more independent life. While our mission is to focus on the individuals with disabilities, the graduate team acts as an ambassador and helps build tolerance, understanding and acceptance within a community. Each time a team is out in public, there is an opportunity for teachable moments; to touch people, educate people both young and old and bring people together in a positive and impactful way. A community that supports all of their citizens through tolerance and understanding is healthier and more cohesive community and by supporting a graduate team from San Marcos is a visible reminder that taking care of its citizens makes communities better and stronger.

About Canine Companions for Independence: Canine Companions pioneered the concept of training dogs to assist adults and children living with physical and developmental disabilities. Founded in 1975, our work is driven by an important mission: *to enhance the lives of people with disabilities by providing highly trained assistance dogs and ongoing support to ensure quality partnerships.* Effective, quality services has earned Canine Companions its reputation as the leader and gold standard in the growing assistance dog industry. We are thrilled to be celebrating our 40th Year Anniversary.

The essence of Canine Companions' program involves:

- Breeding, raising and training assistance dogs.
- Strategically matching the dogs with qualified applicants during a two week training program.
- Providing long-term and life time support services to ensure success of every human-canine team.
- Provide a dog free of charge to the graduate.

Need: 11.9% of the civilian non-institutionalized population of the United States has been diagnosed with at least one disability. This includes 10% of adults from ages 18-64, and 4% of children under 18. (2010 US Census) Persons with developmental and physical disabilities often deal with limited mobility and social ostracism. Simple tasks that a non-disabled person may take for granted such as opening a door or picking up a dropped object, for example, can be impossible for some individuals with limited mobility. Moreover, people with disabilities are frequently left behind by a society that averts its eyes from those it finds different. Assistance dogs make an impactful difference in the well-being of children and adults with disabilities through their aptitude to aid with tasks of daily living and improving the emotional quality of the individual's life.

Project purpose: Funding from the San Marcos Community Foundation will enable Canine Companions to provide one highly trained assistance dog for one resident from San Marcos with disability free of charge, thereby making an immediate, tangible and dramatic impact in the quality of life on this underserved population. Additionally, while the funds we seek only directly impact one team from San Marcos, our goal is to educate residents about the important role that service dogs play in the lives of an individual with a disability. A person who receives a dog from our program gains more confidence and lives a much more independent life. While out in the community of San Marcos, the dog acts as an ice breaker to those who may have little to no direct contact with a person with a disability. Children who may feel uncomfortable seeing a person in a wheelchair is immediately put at ease by seeing a service dog. Once that barrier is broken, the community at large is impacted because they learn tolerance, acceptance and understanding. There is a strong ripple effect from the canine human team that is felt throughout the entire community and each team acts as ambassadors to create a more cohesive and close knit community. Studies indicate that recipients of assistance dogs report that more people approached them (100%), their social interactions increased (87%), and that their number of friends expanded (59%) [Fairman & Huebner, 2001]. Overall, they describe a greater sense of belonging and they feel more socially accepted.

Project: A Graduate Sponsorship supports one student from San Marcos to reside at the Southwest Training Facility in Oceanside during an intensive two week period known as Team Training. During the two week program, students meet six days a week to learn about canine behavior and care, dog handling skills, and the commands that their

future partners already know. Each class is led by Canine Companions professional instructors. The student and his or her family member(s) are taught how to work in partnership with their assistance dog through seminars, quizzes, hands-on instruction, and practice, both at the regional center and with frequent field trips to locations such as shopping malls and restaurants. Staff members match each student with the assistance dog that best meets his or her needs, a skill that receives awed feedback from recipients who can't believe what an apt companion has joined their lives.

The Skilled Companion Graduate Sponsorship includes:

- Two weeks of thorough, professional instruction, monitoring and evaluation.
- Training manuals.
- Training equipment- leashes, collars, assistance dog vests etc.
- Field trips.
- Hands-on training with a dog.
- Private room and accessible bath for each student plus community kitchen and laundry facilities and meals at our Southwest Campus.
- 24-hour caretaker and security.
- "Going home" packet which includes grooming supplies, food bowls, toys and a limited food supply.
- Assistance Dogs International public access certification (upon successful completion of written and practical exams).

The students are administered written and practical tests to measure their level of knowledge and ability to be successful at home with their new assistance dog. In order to receive temporary home and public access with their canine companion, they must pass both tests. Six weeks after they have passed the Team Training, graduates return to the Canine Companions campus for their formal public access tests and certification using the standards of Assistance Dogs International. In total, students will learn the 40 + commands, experience 100+ classroom hours, 17 hours of lectures, 50 practice sessions, 10-12 hours on field trips, 25 hours outside the classroom for study and testing and 1.5 days of final evaluations.

Intended results: With the successful placement of an assistance dog with one person with a disability, Canine Companions intended results include:

- The team will gain enhanced self-confidence, loving companionship, hope, self-esteem and independence.
- The team will be able to take advantage of new opportunities that may not have been feasible prior to receiving an assistance dog.
- The team and family will gain an important new sense of responsibility in providing care and a safe, loving home for their dog.
- The team will make important new social connections with his/her peers and community that result in greater inclusion and disability awareness.
- General awareness of Canine Companions will grow, building a greater community understanding of assistance dogs and of the challenges faced by people with disabilities.

Monitoring and Reporting Progress; Measuring Project Success: Success will be determined by the following monitoring and evaluation tools, used at every stage of the process:

- ✓ Annual veterinary report.
- ✓ Thorough instruction, monitoring and evaluation throughout Team Training.
- ✓ Certification testing 45 days post-graduation and every one to three years thereafter.
- ✓ Regular reports, visits, workshops, phone calls and emails throughout the lifetime of the partnership to ensure ongoing success.

Timeline: This grant would provide a Canine Companions assistance dog for one person from San Marcos on Canine Companions' waiting list who has already passed through the extensive application and interview process. Following successful completion of Team Training, the new teams will graduate in a special public ceremony. The team will return to the Southwest Center 45 days later for public recertification testing and provide regular progress reports as required by Canine Companions. Home visits, workshops, seminars, special events, testing and reunions will be continually offered in addition to phone and email support to enable the team's long-term success. Each team that graduates will remain together between eight to ten years. Imagine the impact this team will have on the countless people they will touch in San Marcos over time. The ripple affects are endless.

Charity Wings 1 – 2 page narrative: Page 1

Mission:

Charity Wings is an inspiring place for people of all ages to “Gather, Give Back and Create”; as well as to partner with other charities to give free classes to those who can benefit from the hope, happiness and healing that art can provide.

Program Overview:

Charity Wings Art & Craft Center provides free therapeutic art services to many local charities including Wounded Warriors, Scout Troops, San Marcos Unified Schools, San Marcos Boys and Girls Club, San Marcos Senior Center, San Marcos Historical Society, CSUSM, local cancer support groups, migrant workers, San Marcos ARC and other agencies providing services to adults with disabilities, Fraternity House, Inc., military families, and more! In addition, the general public can take low-cost classes, or stop in to work on a project of their own using our tools and supplies.

Our projects, events and classes range from ceramics, pottery, metalsmithing, jewelry making, sewing, knitting/crochet, scrapbooking, to poetry, mixed media, painting (oil and acrylic), and home décor. Help us keep art classes accessible to all. Art transcends all boundaries. Race, gender, culture, socioeconomic status, age, ability. We believe Art and creativity are the foundation of all we do as human beings and that the most therapeutic thing people can do is exercise their imagination.

We have just opened the doors at our new Art & Craft Center location. We strategically chose a home that makes us part of the growing CSUSM campus. (We are now a storefront under the newest dorms.) We have collaborations with various departments in CSUSM to help at all the community fairs on campus. We host hands-on project making tables at their awareness events such as suicide prevention day, eating disorders awareness day, etc. We are now offering free center memberships to students and we are already seeing more students joining us for our organized classes and events. We also offer internships and volunteer opportunities which the students have been taking advantage of now that we are so visible.

Our prior space was in a warehouse a few blocks away on Industrial Street. Just before our move we did a two month zip code study, collecting zip codes from center attendees. 63% attending listed their zip-code as City of San Marcos (92069, 92096, 92078, and 92079). We expect that % to grow at our new location.

April 2016 marks our 10 year anniversary! It is only through generous community members, sponsor support and local grants that we have been able to grow. We are small, but mighty! Over the last 10 years we have met our mission by hosting hundreds of field trips and crafting events, taking craft opportunities to organizations, teaching classes, donating creative projects and art to charity auctions, and giving free use of our space to organizations for creative fundraising events and presentations. To date Charity Wings volunteers have supported 93 different organizations in raising over \$437,000. Some of our partners have shared letters of support that we attached to this application.

Charity Wings 1 – 2 page narrative: Page 2

Use of Funds:

Charity Wings Art & Craft Center is requesting \$4,902 in funding for three key areas that will help us best serve the community and invite them in to use their imagination.

1. Gallery display rails to go on each wall with the cables and hooks to build beautiful art installations showcasing local artists. These displays will change periodically throughout the year. We have a new 25 foot art exhibit wall, large floor to ceiling windows and additional space where we would like to install the gallery rails. The estimate for our space to have gallery rails, 100 cables and 100 clips is \$1,859.
2. The next item we are asking the San Marcos Community Foundation to fund is our liability insurance for one year. While not glamorous, it is necessary to keep our doors open and engage volunteers, board, staff and the broader community in art projects at our center. The cost for 2016 is \$963.
3. We would like to use funding from the San Marcos Community Foundation as challenge to other donors and foundations. If you agree to fund 20% of our Class and Volunteer Coordinator's salary, we will work to find four matching donors. This position is crucial to our success. They schedule all classes and recruit volunteers. This is an ongoing 20 hour per week position at \$10/hour. 20% of the salary is \$2,080.

Looking Forward:

Charity Wings' new space just had our soft grand opening in mid-September. We have additional new and exciting news to share along with settling into our new space: In late September we hosted the San Marcos Chamber of Commerce mixer. As of October 1st, we now are able to offer the only ceramic studio in San Marcos that is open to the community. We have been gifted 5 electric wheels and 2 kilns, tools, clay and glazes. There are so many wonderful things that can happen with collaboration and a truly inspiring space like Charity Wings Art & Craft Center.

With the support of the San Marcos Community Foundation, we are looking forward to all the additional creativity we can offer to our nonprofit partners and the community over the coming year! Thank you for your time and consideration. Please come out and see us! We are open seven days a week (closed major holidays) and welcome you to add some creativity to your life.

To Whom It May Concern:

Student Health and Counseling Services, H.O.P.E. and Wellness Center provides health and wellness programming for students at California State University San Marcos. Health promotion and education planning encompasses mental health (stress, anxiety, depression, suicide prevention, alcohol and other drugs, and eating disorders) and physical health. Our focus is on prevention, early intervention, treatment and recovery and stigma reduction.

My partnership and collaborations with Charity Wings has produced many exciting projects that engage and educate students for mental and emotional health. This linkage with Charity Wings has increased our capacity to bring beneficial mental health messages to our students through creative art projects. I sincerely appreciate the linkage to artistic expression that Charity Wings has provided which enables my programs to be not only informative, but fun and memorable.

I have worked with Charity Wings Executive Director and staff for two years, in my role as Mental Health Educator. We have a wonderful working relationship, and I can always count on Charity Wings to respond with amazing ideas, an abundance of materials and enthusiastic volunteers. Charity Wings serves as a community resource for as many as 10 different events during an academic year.

I strongly support Charity Wings in their pursuit of grant funding. This organization is so worthy of support to continue and expand their work. I look forward to collaborations with Charity Wings during 2015-16.

Please do not hesitate to contact me if you need additional information.

RE: Charity Wings Arts & Craft Center

To Whom It May Concern:

It is my privilege to recommend Charity Wings Art & Craft Center. Charity Wings has been a partner of the Boys & Girls Club of San Marcos for several years. Charity Wings has given Club youth members the opportunity to inspire, create and explore art in ways they otherwise would not have access to. Collaboration between Boys & Girls Club and Charity Wings includes field trips to the Art Center, bringing specialty art classes to the Club, and access to a variety of supplies.

Charity Wings has also extended their support beyond direct services to our youth members. They have provided meeting space, art supplies and creativity for our Auction fundraising committee, helping to increase the productivity of volunteers and bring another element of fun to the cause.

The Boys & Girls Club of San Marcos has benefitted from our partnership with Charity Wings. We look forward to future collaborations as both agencies continue to support the community at large through positive and engaging opportunities. If you have any questions, please feel free to contact me at (760) 471-2490 x303.

Dear Elena:

Thank you so much for all the support Charity Wings has given the San Marcos Historical Society and Heritage Park in the last year. The donation of garden beds and the beautiful mural have transformed our garden area from a simple farmhouse kitchen garden into a place for kids to become inspired while they participate in our gardening activities associated with Hands on History at Heritage Park.

We also appreciate your participation in the upcoming Horse Heritage Festival next weekend. Your craft ideas will enhance the theme of the event and provide a fun project for both children and parents at the same time.

Since we've gotten to know each other through our common participation with the San Marcos Arts Council, we've had a chance to brainstorm ideas for future collaborations that can be both culturally and artistically enriching to the San Marcos community. I really appreciate your willingness to participate in so many events that support the spirit of creativity while at the same time helping others.

I believe the move to your new location will provide a better opportunity for you to reach a wider audience and share what Charity Wings is all about. The Historical Society also looks forward to continuing to work with you on joint projects across San Marcos, that bring together both young and old, college students and retirees. The possibilities are unlimited.

Thank you again for your contributions and involvement with the San Marcos Historical Society. I look forward to future projects where we can create wonderful experiences for San Marcos and support the mission and goals of both our organizations.

Best of luck on your grant application. Charity Wings is just another example of what makes San Marcos such a great city to live in!

Sincerely,

Tanis Brown

Briefly describe your request for funds (to be expanded upon in narrative for regular grant):

Established in 2006, the Foundation for Animal Care and Education (FACE) is a not-for-profit 501(c)(3) public charity whose mission is to enhance and preserve the quality of life of animals by providing access to necessary medical care and education. To date, FACE has provided more than \$1.9 million in financial assistance to more than 1,200 families with pets requiring emergency veterinary care.

Briefly describe the significance of your request to the San Marcos community:

In the past year, FACE provided more than \$20,000 in financial assistance to pets requiring emergency veterinary care in San Marcos pet hospitals. Families requesting assistance from FACE are as varied as their animals and breeds. We have helped senior citizens, military families, single parents, students, widows/widowers, the homeless, low-income families and individuals, and people with disabilities. These people consider their pets members of their family, but simply do not have the resources to afford all or part of the cost of emergency veterinary care. Without the Save-A-Life Program, these pets would either pass away or need to be euthanized to alleviate their suffering.

Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. During your advance ruling period, you will be treated as a public charity. Your advance ruling period begins with the effective date of your exemption and ends with advance ruling ending date shown in the heading of the letter.

Shortly before the end of your advance ruling period, we will send you Form 8734, Support Schedule for Advance Ruling Period. You will have 90 days after the end of your advance ruling period to return the completed form. We will then notify you, in writing, about your public charity status.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

If you distribute funds to other organizations, your records must show whether

Letter 1045 (DO/C/G)

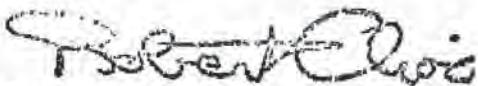

FOUNDATION FOR ANIMAL CARE &

tney are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), you must have evidence the funds will be used for section 501(c)(3) purposes.

If you distribute funds to individuals, you should keep case histories showing the recipient's name and address; the purpose of the award; the manner of selection; and the relationship of the recipient to any of your officers, directors, trustees, members, or major contributors.

We have sent a copy of this letter to your representative as indicated in your power of attorney.

Sincerely,

Robert Choi

Purpose : CHARITABLE
Code Section : 23701d
Form of Organization : Corporation
Accounting Period Ending: December 31
Organization Number : 2890998

You are exempt from state franchise or income tax under the section of the Revenue and Taxation Code indicated above.

This decision is based on information you submitted and assumes that your present operations continue unchanged or conform to those proposed in your application. Any change in operation, character, or purpose of the organization must be reported immediately to this office so that we may determine the effect on your exempt status. Any change of name or address must also be reported.

In the event of a change in relevant statutory, administrative, judicial case law, a change in federal interpretation of federal law in cases where our opinion is based upon such an interpretation, or a change in the material facts or circumstances relating to your application upon which this opinion is based, this opinion may no longer be applicable. It is your responsibility to be aware of these changes should they occur. This paragraph constitutes written advice, other than a chief counsel ruling, within the meaning of Revenue and Taxation Code Section 21012(a)(2).

You may be required to file Form 199 (Exempt Organization Annual Information Return) on or before the 15th day of the 5th month (4 1/2 months) after the close of your accounting period. Please see annual instructions with forms for requirements.

You are not required to file state franchise or income tax returns unless you have income subject to the unrelated business income tax under Section 23731 of the Code. In this event, you are required to

file Form 109 (Exempt Organization Business Income Tax Return) by the 15th day of the 5th month (4 1/2 months) after the close of your annual accounting period.

Please note that an exemption from federal income or other taxes and other state taxes requires separate applications.

THIS EXEMPTION IS GRANTED ON THE EXPRESS CONDITION THAT THE ORGANIZATION WILL SECURE FEDERAL EXEMPT STATUS WITH THE INTERNAL REVENUE SERVICE. THE ORGANIZATION IS REQUIRED TO FURNISH A COPY OF THE FINAL DETERMINATION LETTER TO THE FRANCHISE TAX BOARD WITHIN 9 MONTHS FROM THE DATE OF THIS LETTER.

A copy of this letter has been sent to the Registry of Charitable Trusts.

Board of Directors & Executive Leadership

CINI GANNON ROBB, Chair/President

Mrs. Robb is a resident of Rancho Santa Fe. Her passion is animals. Her animal family includes 20 birds, two cats, and seven Dachshunds. She has been a long supporter of Best Friends Animal Sanctuary, SPCALA and various other animal organizations. She has served on the FACE board since its inception and believes passionately in its commitment to "saving pets and helping families." She also works actively in the field of addiction and has served on the Board of Directors of the Betty Ford Center for the past twelve years. She is married to Ira, who supports her in all her endeavors.

HOWARD FINKELSTEIN, Vice Chair

Mr. Finkelstein graduated from the Temple University School of Law in 1976, worked as a Law Clerk for the United States District Court in Philadelphia, and then was an Assistant United States Attorney for three years. In 1981, he moved to San Diego and worked for two prominent law firms until becoming the founding partner of Finkelstein & Krinsk. He has guest lectured at Harvard Law School and the University of San Diego School of Law. Mr. Finkelstein is a founding member of FACE, and also serves on the Board of the Operation for Hope Foundation to promote awareness of domestic violence. He and his wife, Lorin LeGrant, enjoy time with their Miniature Schnauzer, "Cooper."

HEIDI ARAMBULA, Secretary

Mrs. Arambula graduated from Temple University School of Public Health in 1997. During graduate school she also worked as an outreach counselor for The Wistar Institute on the University of Pennsylvania campus helping patients and their families find clinical trials and information on their life threatening diseases or disorders. In 1999, she moved to San Diego and started working for a local pharmaceutical company. When she first moved to San Diego she volunteered with Temple Solel as a youth group leader and currently volunteers with the Jewish Family Services as a Big Pal for the last three years. She has three children with fur: Maxwell, Mr. Peabody and Ralph all of which are rescues.

GREGORY BELLMAN, Treasurer

Gregory W. Bellman, CPA is a Partner at CEA, LLP, a CPA and consulting firm that provides audit and tax services, located in Carlsbad. Greg graduated from the University of California, Los Angeles with a Bachelor of Arts in Economics, and worked in the software industry for several years before joining CEA in 1999. Greg also serves on the Board of Senior Mutt Match, a 501(c)(3) charity whose mission is to promote the adoption of older shelter and rescue dogs. When not at work, Greg can be found playing basketball, strumming his guitar, or running around town with his rescue dogs, Mazzy and Fish.

LUCIE BERREBY GREENBAUM, Director

Lucie Berreby is passionate about animal welfare and works diligently to save the lives of people and animals around the world. She is a long time vegan and is the Greenbaum Foundation's Director of Animal Welfare Issues. She also assists with global human trafficking issues and other projects in countries where her unique managerial and linguistic skills are in need. Lucie can frequently be found volunteering in the waters of Cutting Edge K9 Rehab. She has a Bachelor's degree in Languages from Concordia University and a Graduate degree in translation from McGill University.

He has published scientific articles and textbook chapters on Internal Medicine and has collaborated in several clinical studies across the country. He lectures frequently both nationally and internationally, and is an adjunct clinical professor at the College of Veterinary Medicine at Western University.

KEITH RICHTER, DVM, Director

Dr. Keith Richter is a graduate of Cornell University, College of Veterinary Medicine. After completing his internship and residency, he served on the Internal Medicine staff of Angell Memorial Animal Hospital in Boston and as Clinical Assistant Professor of Medicine at Tufts University School of Veterinary Medicine. His career followed as a professor at the Cornell University College of Veterinary Medicine. He has authored several scientific articles and lectures frequently at national and international scientific meetings and veterinary colleges. Dr. Richter is a founding member of the FACE Foundation and of the Veterinary Specialty Hospital of San Diego, where he has been the director since 1990.

DORI SLATER VANCE, DVM, Director

Dori Slater Vance's lifelong passion for all animals led her to her career in veterinary medicine. She is a cum laude graduate of the University of California, Davis, and spent nearly 20 years in the veterinary field. She was an influential advisory committee member to the SPCALA as they built their no-kill shelter in Long Beach, and has worked on the design of numerous animal shelters. Dori and her husband Jack have two Australian Shepherds, six rescue cats, and a rescue tortoise! In her free time she loves to garden, cook, and considers herself a life-long learner, with particular interests in animal behavior, pet therapy, holistic medicine, and photography.

BROOKE HAGGERTY, Executive Director

Brooke has over ten years of experience in the animal welfare/animal rights sector. She holds a Master's degree in Human Behavior (she wrote her thesis on Personality Traits and Attitudes toward Animal Welfare), a B.A. in English, a Certification in Non-Profit Management, and spent a semester at Oxford University studying International Relations. Prior to her involvement with FACE, she spent five years in the animal rights and advocacy sector with the Animal Protection and Rescue League. She is a repeated attendee of the F.A.R.M. Animal Rights Conference, and sits on the Advisory Board for National University's College of Letters and Sciences. Brooke is a long-time vegetarian, and has one beloved rescue senior cat named Bertha.

Dear San Marcos Community Foundation,

The Foundation for Animal Care and Education (FACE) is a not-for-profit 501(c)(3) public charity whose mission is to enhance and preserve animals' quality of life by providing access to necessary medical care and education. With a mission of "Saving Pets and Helping Families," it is our hope that FACE Foundation will be considered for a grant from the San Marcos Community Foundation.

Emergency veterinary care can range from hundreds to thousands of dollars. In the veterinary community, payment in full is required before a pet is treated. When an emergency occurs, pet parents with limited financial resources are faced with the devastating decision of euthanizing their pet to alleviate their suffering simply because they cannot afford the cost of their emergency or critical veterinary care. Imagine a young parent having to explain to his or her children that their beloved pet won't be returning home, not because the pet's life wouldn't have been saved with treatment, but because they could not afford to pay for the emergency care required. Or, imagine an elderly person having to lose his or her only companion simply because they cannot afford a life-saving treatment on their fixed income.

I'd like to share with you a story of one of FACE's many success stories. Ginger is a sweet, happy dachshund that loves her humans. When Ginger's owners found out she was diagnosed with a vertebral disease, they were absolutely heartbroken and overwhelmed. A single mother living with her disabled son, the cost of the surgery needed to save Ginger was not feasible for them. However, losing Ginger, who is her son's therapy dog, was also not an option. They put everything they had towards helping Ginger, but it still was not enough to cover the cost of her emergency surgery. That's when they turned to the FACE Foundation for help. With a grant from FACE, Ginger was able to get the surgery that she desperately needed and is now happy to be back at home with her family.

To date, FACE has provided more than \$1.9 million in financial assistance to over 1,200 families with pets in need of emergency veterinary care. In the past year, FACE has contributed more than \$20,000 to assist pets in San Marcos pet hospitals. To help us continue to serve families and their pets in San Marcos, we are requesting a grant in the amount of \$3,000 to help pay for life-saving surgeries for pets in need. 100% of the grant would go directly toward critical care for pets through the Save-A-Life Program.

We hope that the San Marcos Community Foundation will be a partner in helping FACE save even more lives. Thank you for your time and consideration and for everything you do to support our community.

For the animals,

Brooke Haggerty, Executive Director

History of the FACE Foundation

Established in 2006, the Foundation for Animal Care and Education (FACE) is a not-for-profit 501(c)(3) public charity whose mission is to enhance and preserve the quality of life of animals by providing access to necessary medical care and education. FACE was founded by a group of board-certified veterinarians and concerned community members who witnessed pets with treatable conditions lose their lives because of the financial constraints of their owners. What started out as a beautiful vision to stop the surrender and euthanasia of beloved family pets, has become a supportive center where families in crisis can get a helping hand to save their pets' lives.

Statement of Need

Each year, many animals are brought to their veterinarian with life-threatening conditions. Sadly, many owners cannot afford the critical care their beloved pets so desperately need to survive. They are left with one choice—euthanasia. Labeled as “economic euthanasia,” this tragedy occurs every day, but has been overlooked by the humane community for years. Veterinarians are not required to report the number of pets euthanized for financial reasons, which has kept this issue effectively out of the public’s eye. FACE is changing this by bringing light to the issue and raising money to effect real change and save lives. As the only nonprofit of our kind in San Diego County, the need for our services and support is growing rapidly.

According to the San Diego Animal Welfare Coalition’s most recent shelter statistics (from July 2012 to June 2013), over 6,000 ill/injured pets were relinquished to county shelters by pet owners, and 2,879 animals specifically categorized as “treatable” were euthanized. These alarming totals do not include the number of treatable pets euthanized in veterinary hospitals - a number that veterinarians do not have to report. These numbers demonstrate that there is an enormous need for assistance in saving these pets with critical yet treatable conditions.

Mission and Goals

The FACE Foundation’s mission is to enhance and preserve the quality of life of animals by providing access to necessary medical care and education. It is our goal to keep pets and their families together and avoid the unnecessary heartbreak of losing a beloved family member.

Project Summary: FACE’s Save-A-Life Program

The Save-A-Life program is the primary focus of the FACE Foundation. Families requesting assistance from FACE are as varied as their animals and breeds. We have helped senior citizens, military families, single parents, students, widows/widowers, the homeless, low-income families and individuals, and people with disabilities. These people consider their pets members of their family, but simply do not have the resources to afford all or part of the cost of emergency veterinary care. Without the Save-A-Life Program, these pets would either pass away or need to be euthanized to alleviate their suffering.

The Save-A-Life Vet Network is a collaborative effort between the FACE Foundation and veterinary hospitals. Based on established criteria, FACE provides financial grants to animal owners who are unable to partially or fully cover the cost of their pet’s emergency or critical care. Through this program, FACE gives funding directly to local veterinary hospital partners who generously discount their prices by at least 25% for qualified cases.

Since its inception, FACE has contributed more than \$1.9 million to save the lives of over 1,200 pets. In the past year, FACE provided more than \$20,000 in financial assistance to pets requiring emergency veterinary care in San Marcos pet hospitals.

Objectives and Outcomes

In 2015, we intend to grant \$465,000 to save at least 300 more family pets that are facing euthanasia simply because their owners are unable to afford the entire cost of their care. We plan to achieve this through the following objectives:

- Increase our network of Save-A-Life partners by reaching out to local veterinary hospitals
- Expand the Save-A-Life program to other communities in Southern California
- Increase awareness of our mission by growing our social media presence
- Increase funding for services through foundation and corporate grants
- Increase funding for services through additional fundraising events

Evaluation

Success of the Save-A-Life program is determined by the number of lives that have been saved. To date, we have helped to save over 1,200 lives with the help of more than 100 veterinary hospital partners. In 2014, FACE cases had a success rate of 95%.

Program Budget

FACE has projected a total budget of \$465,000 in animal care grants for the Save-A-Life program in 2015. 100% of this budget is directly allocated to life-saving treatments and surgeries for pets in need. The Save-A-Life program budget accounts for 63% of FACE's total annual budget projected for 2015.

Briefly describe your request for funds (to be expanded upon in narrative for regular grant):

The overarching goal of Interfaith's Senior Services program is to build community among seniors while simultaneously enhancing the wellness and food security of North County seniors as they age. Interfaith offers the following programs and services that enable seniors residing in North County to live healthy, thriving and independent lives: Senior Connections food truck, housing, emergency financial support, minor home repairs, nutrition assistance, and social services. Over the past year, Interfaith's Senior Services has provided services to over 900 North County seniors.

Briefly describe the significance of your request to the San Marcos community: Increased funding from the San Marcos Community Foundation will enable Interfaith to provide support to San Marcos seniors through its Senior Services Program. This funding opportunity will be used to support the overall personnel costs associated with operating the programs senior emergency account, minor home repairs, nutritional assistance and corresponding case managed social services for approximately 300 vulnerable San Marcos seniors over the next year.

Dear Taxpayer:

This is in response to your Mar. 08, 2013, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in February 1984.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

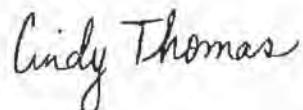

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

Current Needs of Vulnerable North County Seniors

As seniors age, their sense of “social capital,”-connection, trust, and participation to those around them, decreases and they tend to feel isolated and alone. Decreased social capital may also affect nutritional intake as well, which may in turn, cause or aggravate health issues. Studies have revealed that, those seniors who have a greater sense of social capital live healthier, happier lives. According to a recent study conducted by the University of California, San Francisco (UCSF), isolated seniors are more likely to experience life-threatening health issues. The study also found that seniors 60-years-old and older who reported feelings of loneliness and isolation, saw a 45% increase in their risk for death. Isolated seniors also had a 59% greater risk of mental and physical decline than their more social counterparts. Moreover, in 2012, a San Diego County HHSA report estimated that 84,000 San Diegans will be 85 years and older by 2030.

As the senior population in San Diego County continues to rapidly increase, the need for accessible resources and services specifically geared to the senior population is in high demand. Interfaith Community Services’ (Interfaith) Senior Services program works to effectively respond to these growing needs by providing a variety of support and services to seniors throughout San Diego’s North County region. Interfaith’s comprehensive services empower low-income, frail and disabled seniors to live independently.

Senior Services Program

Interfaith Community Services is extremely grateful for the previous support from the San Marcos Community Foundation, increased funding enabled Interfaith’s Senior Services to provide services to 164 isolated, frail, and vulnerable seniors from February until August 2015. Of those 164 seniors served, 59 were San Marcos residents. Although previous support enabled Interfaith to successfully provide services to vulnerable seniors, there is still an existing funding gap in regard to the overall personnel costs associated with operating the Senior Services program. Increased funding from the San Marcos Community Foundation will enable Interfaith to provide support to at least 300 San Marcos seniors through its Senior Services Program over the next year. This funding opportunity will be used to support the overall personnel costs associated with operating the programs senior emergency account, minor home repairs, nutritional assistance and supportive services for vulnerable, isolated, and frail seniors over the next year.

Interfaith is uniquely positioned to effectively meet the needs of the target population as a result of the existing organization’s capacity, comprehensive social services, and existing presence in the North County region. Interfaith Community Services was founded in 1979 by a handful of diverse faith communities to address the needs of low-income, homeless, and under-served neighbors in North San Diego County. By creating Interfaith they were able to collaborate to make a bigger impact on the needs of people in our community. As participation grew, Interfaith evolved into a broad continuum of programs and services that provide the tools and resources people in crisis need to stabilize and rebuild their lives.

These programs are organized into five clusters: Nutrition and Basic Needs, Housing, Employment, Self-Sufficiency and Support as well as Behavioral Health and Recovery. Through these priority areas, Interfaith provides numerous programs covering a broad spectrum of support. Programs are designed to overlap so that each client receives as many services as necessary to improve their independence and self-sufficiency. With more than 300 member faith centers, and more than 130 dedicated staff, Interfaith served over 16,000 unique individuals last year alone.

Interfaith's Senior Services Program offers the following supportive services to vulnerable North County seniors:

Minor Home Repairs: Staff, volunteers, and local business groups assist in completing free minor home repairs for qualified seniors. These repairs make it easier and safer for caregivers to manage daily caregiving activities. Services include such repairs as: leaky faucets, repairing screen doors and windows, and installing grab bars and smoke detectors. Over the past year, 319 vulnerable seniors have received minor home repairs and modifications, including 77 San Marcos residents.

Information and Referrals: Staff and volunteers provide information and referrals to seniors to help them navigate the maze of health and social services, enabling seniors to access the services they need to remain in their homes.

Senior Emergency Fund: Funds provided by a local foundation are utilized to empower low-income seniors to return to stability after experiencing an unexpected financial setback or crisis. Over the past year, 26 seniors were provided with emergency support to prevent homelessness, assist in relocation, cover medical co-pays, purchase medical equipment, and pay for needed auto repairs.

Senior Connections Program: The Senior Connections program seeks to improve the nutritional security of vulnerable seniors by providing seniors with easily accessible and nutritious lunches through a food truck. In partnership with local mobile homes and faith centers, lunches are served in community-based locations and include senior outreach and support services including; socialization, informational presentations and performers, and connections to social service resources. Lunches and accompanying activities are held Monday through Friday every week at five mobile home parks and faith center sites along the Rte. 78 corridor, including three sites within San Marcos. In partnership with Rancho Santa Fe Foundation and Dreams for Change, Interfaith provided supportive services, as well as information and referrals, to 1,186 seniors between November 2014 and August 2015. Through the Senior Connections program's three San Marcos sites, Interfaith proudly served 581 San Marcos senior community members.

The overarching goal of Interfaith's Senior Services program is to enhance the wellness, self-sufficiency, and food security of North County seniors as they age in place. Funding from the San Marcos Community Foundation, will enable Interfaith to close an existing funding gap for personnel services associated with operating the Senior Services program. Specifically, funding will be used to support personnel costs associated with operating the Senior Services program's variety of senior services including its senior emergency account, minor home repairs, nutritional assistance, information and referrals, as well as supportive services. This grant is expected to help improve the lives and wellbeing of at least 300 vulnerable San Marcos seniors over the next year.

Program Evaluation Process

Through monthly surveys and assessments, Interfaith tracks the effectiveness of programs and outreach efforts. Interfaith will internally evaluate and share results of its long-term effectiveness in supporting the needs of underserved seniors in North County. Our internal evaluation process includes pre-and post-service results, as well as participant feedback to determine the effectiveness of our programs. Similarly, results will be shared through communications to the public which include, Interfaith's newsletter, website, blog, and social media pages. The success of this grant's outcome will be evaluated in the form of a detailed report to the San Marcos Community Foundation, which will clearly state how the funds were expended, along with an evaluation of the program effectiveness.

Briefly describe your request for funds (to be expanded upon in narrative for regular grant):

Funds are requested to sustain and grow the "Fortissimo" Orchestra Program at Joli Ann Leichtag Elementary School (SMUSD) which started in January 2015 with 25 3rd grade students. These students are continuing at the 4th grade and a new 3rd class is scheduled to begin. Requested Grant Funds will be used for instructors, instruments and program management. Please see the enclosed Program Plan for details.

Briefly describe the significance of your request to the San Marcos community:

This program as a model and forerunner of an orchestral program in all of the SMUSD Title I schools and beyond is demonstrating that it is transformational for students in low socio-economic circumstance by measured improvement academically, behaviorally, and socially. Our first class has brought the students, parents and community together with both participation and direct program support. As in other similar programs world-wide these young students will become better citizens as they grow to adulthood.

Dear Applicant:

Our letter dated July 2002, stated you would be exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code, and you would be treated as a public charity, rather than as a private foundation, during an advance ruling period.

Based on the information you submitted, you are classified as a public charity under the Code section listed in the heading of this letter. Since your exempt status was not under consideration, you continue to be classified as an organization exempt from Federal income tax under section 501(c)(3) of the Code.

Publication 557, Tax-Exempt Status for Your Organization, provides detailed information about your rights and responsibilities as an exempt organization. You may request a copy by calling the toll-free number for forms, (800) 829-3676. Information is also available on our Internet Web Site at www.irs.gov.

If you have general questions about exempt organizations, please call our toll-free number shown in the heading.

Please keep this letter in your permanent records.

Sincerely yours

You are exempt from state franchise or income tax under the section of the Revenue and Taxation Code indicated above.

This decision is based on information you submitted and assumes that your present operations continue unchanged or conform to those proposed in your application. Any change in operation, character, or purpose of the organization must be reported immediately to this office so that we may determine the effect on your exempt status. Any change of name or address must also be reported.

In the event of a change in relevant statutory, administrative, judicial case law, a change in federal interpretation of federal law in cases where our opinion is based upon such an interpretation, or a change in the material facts or circumstances relating to your application upon which this opinion is based, this opinion may no longer be applicable. It is your responsibility to be aware of these changes should they occur. This paragraph constitutes written advice, other than a chief counsel ruling, within the meaning of Revenue and Taxation Code Section 21012(a)(2).

You may be required to file Form 199 (Exempt Organization Annual Information Return) on or before the 15th day of the 5th month (4 1/2 months) after the close of your accounting period. Please see annual instructions with forms for requirements.

Dear Colleen and Board Members,

As we submit this Grant Application for your continued support of the Fortissimo Orchestra Program we do want to thank you, and your Board, for your support last year – it really allowed us to start the program. As I think you know, the program has been very successful with the 3rd grade class of 25 at Joli Ann Leichtag excelling and performing at a level that has been truly transformational for the students and their parents – grades are up, behavior has improved and attitudes have become more positive toward school. Also very encouraging has been the return of all (100%) of the students as 4th graders with a waiting list clamoring to join Fortissimo as the new 3rd grade beginner orchestra.

Our Fortissimo Program is the first step in bringing an expanded and more robust music education program into the SMUSD. With Kevin Holt's leadership and the School Boards support this program is designed to expand into all of the Title I Elementary Schools in the SMUSD and then into all of our schools, including Middle and High schools.

We, of course, hope you will give our application your favorable consideration as we continue with wonderful community support to create a musical renaissance in the SMUSD. If you should need additional information please call (or e-mail).

Best Regards,

Carole Beeson

Dear Ms. Lukoff,

Please consider increasing the San Marcos Community Foundation's support of the Fortissimo after-school strings program. Under the leadership of Carole Beeson, Fortissimo launched in January and achieved remarkable results in just a few months.

We have been advising and consulting with Carole and San Marcos Superintendent Kevin Holt since the summer of 2013 on the design and implementation of Fortissimo. Since that time, San Marcos Unified has passed a Visual and Performing Arts Strategic Plan and community support for arts education is growing. Fortissimo plays an important role in returning music education to the schools.

SDYS has been engaged in running programs similar to Fortissimo in other San Diego County communities since 2010. This transition from a start-up program to year two is a critical testing time. Will the families and musicians return? Will the community maintain and increase its support? Will the full potential for rebuilding music education be realized?

Thus far, Fortissimo is proving itself. 100% of the musicians have returned for the new school year. This is a testament to the quality of instruction and successful engagement with parents. Now it is up to the San Marcos community to meet these families enthusiasm with the necessary support to continue the program.

When communities do rally behind an after school program like Fortissimo, the ripple effect can be immense. In Chula Vista where we run our very similar Community Opus Project, the school district just invested \$5 million dollars to return arts education to all of its 45 campuses and 29,000 students. It takes a program like Fortissimo to build community commitment to providing arts education for all children while the school system rebuilds its capacity to deliver such a promise.

I urge the San Marcos Community Foundation to reinvest in Fortissimo. Not only will you support the children currently enrolled in Fortissimo. You will add weight and importance to the goal of bringing music education to all children of San Marcos.

Sincerely,

San Marcos Community Foundation

Dear Colleen Lukoff and Foundation Members,

I am writing this letter in support of Fortissimo and the San Marcos Unified School District's goal to develop, implement and conduct a youth orchestral music program in San Marcos' disadvantaged elementary schools modeled after "El Sistema", which originated in Venezuela.

At the heart of El Sistema is a simple idea: using the classical music ensemble experience to promote positive social and academic change in youth.

In order to make this program possible, we will need the resources to fund music instructors and purchase string instruments, music stands, and method books.

We are excited by their first few months of existence and are well aware of the impact your first grant made in their ability to begin. We hope, since they have proven their success with the first group, you will continue to support them. Our district is financially committed currently, but it is my plan to be able to fund them in another year.

In the meantime, it is my hope that our community, businesses and foundations will stand alongside Fortissimo and The Kid's College and assist us in providing this transformational program to our most disadvantaged students.

Sincerely,

Kevin Holt, Ed.D Superintendent

<p>Briefly describe your request for funds (to be expanded upon in narrative for regular grant): Meals-on-Wheels Greater San Diego, Inc. (MOWGSD) is requesting \$8,000 in funding to help subsidize the cost of rent at its North County Service Center located at 930 Boardwalk Street, Unit C, San Marcos, Ca 92078. Savings in operating funds will help MOWGSD serve the growing number of homebound seniors in the City of San Marcos. Expected meal delivery and corresponding services is forecasted to increase from 20,046 to 23,854 in 2016 (19% increase).</p>		
<p>Briefly describe the significance of your request to the San Marcos community: As of today's date, MOWGSD is serving 165 unduplicated homebound seniors in the City of San Marcos (92069, 92078, 92079, 92096) with a total of 18,025 meals and 13,446 beverages. MOWGSD forecasted a 19% increase in the number of meals served and/or 20,046 meals by the end of 2015. Based on the current service numbers in the San Marcos areas, MOWGSD is on track to meet these numbers by the end of December 2015. Of all clients currently being served, 52% are over the age of 85 and approximately 40% are considered extremely low-income, 47% low income, and 13% moderate income (Department of Housing and Urban Development income guidelines for all cities in San Diego County). MOWGSD expects another 19% increase in demand for its services which would equate to the delivery of 23,854 meals and corresponding services in the City of San Marcos by the end of 2016.</p>

Objectives and Challenges due to the Tremendous Demand for 2015 and 2016 - According to the San Diego County Senior Health Report prepared by the County of San Diego Health and Human Services Agency (June 2015), the number of seniors aged 65 and older living in San Diego is expected to double between 2010 and 2030. The most significant factor in this growth is the fact that seniors over the age of 85 will be the fastest growing population. This corresponds with the San Diego Association of Governments (SANDAG) most recent statistics for 2015 which shows a 21% growth for seniors aged 60 to 84 years and a 47% growth for seniors aged 85 years and older. *As a result of the changing demographics in San Diego County, MOWGSD has experienced a 32% growth over the last 6 years and 15% of that growth was experienced in 2014. The North County Service Center alone has experienced a 33% increase in the last 12 months. The organization is projecting a 19% increase overall in demand for its services by the end of 2015 and another 19% increase in 2016.*

Based on the changing demographics, MOWGSD's biggest challenge is expanding services and building organizational capacity to meet the growing demand for its services. This challenge requires growth in funding and infrastructure. Philanthropic giving in San Diego County is not keeping pace or fully recognizing the significant challenges that occur with an aging population. The goal is to build the capacity of the entire organization in order to make the biggest social impact.

Mission Statement - MOWGSD's mission is to support the independence and well-being of seniors by providing the delivery of affordable fresh meals to homebound seniors throughout San Diego County. In addition to meal delivery, MOWGSD volunteers are specially trained to provide other important services that include a wellness check with each delivery, referrals to other providers when necessary, and daily social interaction with each senior to promote their physical, emotional, and cognitive health. Of all seniors served, 84% are considered extremely low to moderate income (according to the Department of Housing and Urban Development for all cities in San Diego County). As a result, *MOWGSD subsidizes 60% of the costs for all services provided, regardless of a senior's ability to pay. Further subsidies are provided for seniors who are experiencing severe financial difficulties.*

Why Fund - In 2014 for the North County specifically, MOWGSD served 921 unduplicated homebound seniors with 116,793 meals accompanied by regular wellness checks and social interaction with a caring volunteer. The forecasted growth by the San Diego Association of Governments (SANDAG) for 2015 was an increase of approximately 7% in the number of seniors living in the East, West, and the Central areas of North County. Compareably, by 2020, the population of older adults over 65 will have grown in the Central areas of North County by 47%, the North County West by 30% and the North County East by 10%. The North County areas will experience some of the most substantial growth in terms of older adults in all of San Diego County.

According to the Robert Wood Johnson Foundation, approximately 70% of Americans who reach age 65 will need some form of long-term service and support. Currently, less than 8% of Americans have long-term care insurance due to high cost and 67% of individuals age 65 and older do not have sufficient financial assets to pay for even one year of nursing home services (Long-Term Care: What Are the Issues? Feb 2014. www.rwjf.org). As a result, the long-term care services delivery system is moving toward a home-and community-based alternative. *MOWGSD's program is a critical support service for the aging population who choose to age in their home or have to remain in their home due to the inability to afford long-term care.*

Sustainability Plan - MOWGSD has incorporated additional delivery models to expand services while also creating new initiatives to maintain and develop adequate funding to accomplish the organization's social mission. They include the following:

Rural Initiative - Currently there is limited or no access to senior nutrition programs in the rural and unincorporated areas of San Diego County. As a result, MOWGSD expanded its meal delivery service to include 3,049 sq. miles of these remote communities and partnered with Feeding America and the San Diego Food Bank to provide a twice monthly supply of fresh fruit and vegetables and a monthly supply of shelf-stable foods at no cost to seniors using the MOWGSD delivery service personnel.

Contracts With Health Plans - MOWGSD recently contracted with three Health Plans to provide home-delivered meals for low-income seniors and disabled individuals who are a high risk of hospital readmission due to age, disability, and lack of care in the home. MOWGSD continues to work closely with health organizations as a support network for the elderly.

New Models Of Care – A unique “Walk-In” concept was initiated in the new El Cajon Service Center located in the retail space of the senior-affordable Solterra Housing Complex and the Senior Center at the Norman Parks Center in Chula Vista. This delivery model allows seniors and the surrounding neighborhood to easily access daily food essentials.

The Fresh Initiative - The Fresh Initiative is a project with multiple goals which include improving the MOWGSD property at 2254 San Diego Avenue in Old Town San Diego while simultaneously transforming the ineffective and costly landscape and space into a productive on-site urban garden. The harvest of the gardens will be utilized in meals prepared by MOWGSD for homebound seniors. In addition, the project will incorporate on-site educational programs designed to foster community engagement and attract funding.

Mergers – MOWGSD has recently acquired senior clients from Rancho Bernardo Senior Services and Sharp Coronado Hospital. The meal delivery model will expand to these clients to include the transport of fresh meals daily for everyday of the week accompanied by daily wellness checks with referrals and engagement with seniors in their home on a daily basis.

MOWGSD continues to recruit, train, and maintain a strong base of committed volunteers which allows the organization to save over \$2,000,000 annually in operating expenses. MOWGSD also continues to be the only organization in San Diego County that delivers meals to seniors for every day of the year, including holidays, and provides services to all areas of San Diego County, including the 3,049 square miles of rural areas.

City of San Marcos - As stated above, the North County will experience the most significant growth in seniors than any other area in San Diego County. For the City of San Marcos, MOWGSD is forecasting another 19% increase in demand for its services with other cities in the North County following the same growth pattern. MOWGSD is looking to its North County partners in particular, to support the growth and the corresponding needs of homebound seniors in their areas. ***Funding of \$8,000 will be utilized to subsidize the rent at the North County Service Center, allowing MOWGSD to reduce operating expenses and serve an additional 19% for 2016 which would equate to the delivery of 23,854 meals and corresponding services to homebound seniors in the City of San Marcos.***

Briefly describe your request for funds (to be expanded upon in narrative for regular grant):

Oceanside Museum of Art (OMA) is excited to have major contemporary exhibitions in 2016 by such world renowned artists as Ruben Ochoa, Russell Forester, and Irving Gill. It is our intention in 2016 to engage 3000 students from Title I schools through our ArtQuest Program. We endeavor to increase the exposure to the arts in a museum setting for the north County San Diego community. OMA respectfully requests partnership funding to expand ArtQuest into San Marcos schools. OMA expects to engage 250 students who attend San Marcos schools in the Art Quest Program this year.

Briefly describe the significance of your request to the San Marcos community:

San Marcos is a migrant and military community with little exposure to the arts in their schools. OMA's ArtQuest Program is designed to engage students at a museum to increase exposure, awareness, and connection to the arts. OMA has enjoyed 5 years of success in the ArtQuest Program in Oceanside, Carlsbad, and Vista (with a focus on Title I schools). Providing arts in the school curriculum has been shown to increase academic performance, critical thinking, and self-confidence. OMA would like to include students from the San Marcos School District in this endeavor.

OMA's Arts education program was launched five years ago during the 2010/11 school year. OMA's 'ArtQuest' goals are to provide fifth grade students exposure to OMA, to give them a personal connection to the arts through a museum visit and experience success in a creative activity. With encouragement and financial support from the community, ArtQuest has grown to serve every 5th grade class, over 1,700 students, in the Oceanside Unified School District, including elementary schools on Camp Pendleton, as well as students from Carlsbad Unified School District. The majority of the children served by this program have never been to a museum and have had little art instruction or exposure. Due to the severe lack of arts education in local public schools OMA has made it a priority over the past 5 years to facilitate free art education for its local youth.

Fully 68% of schools in San Diego County have Title 1 designation along with a high level of racial/ethnic diversity among students of low socio-economic backgrounds. OMA has designed a year of exhibitions supported by application technology geared toward inclusiveness to engage these students in art and museums. OMA will secure the artworks, plan the exhibitions, research the pieces, tailor the educational offerings, supply the verified information for the technological and website Application, provide the Application to support outreach to engage 3,000 students from Title 1 schools in the museum along with a live docent. OMA has reached out to the San Marcos Superintendent of schools and will engage up to 250 San Marcos fifth graders in Title I and other elementary schools into the Art Quest Program. OMA has scheduled exhibits of excellence and merit to engage these students who would otherwise eschew attending places for art.

Background and import: Recent publications show a marked discomfort among people of color participating in museum exhibits and educational offerings. OMA seeks to change that paradigm with our 2016-17 schedule of exhibits, supporting technology, publications, engagement and education by explicitly addressing engagement of students of color, students of low socio-economic background, and military families in museum showings. OMA will be completely inclusive in audience, programming, artists included in exhibits, and governance. Engagement of students who learn in Title I schools expands the audience for the arts.

The goal is to educate students regarding the intrinsic value of art while imparting an understanding of each work of art. Engaging students in the primary grades instills a comfort with museums, art works, and other cultures. OMA's education department will work closely with 5th grade teachers in participating schools to engage students with OMA to close knowledge and opportunity gaps and give all children a strong start in learning. Specifically this program will teach them to appreciate art, discuss, think critically, listen and learn, and explore works of art through themes.

OMA phone/tablet applications that provides both online and in-museum access to exhibits, providing background on the artist, art work, influences, and enable a virtual tour of the museum that enhances knowledge transfer. Use of an iPad to scan the bar code next to the art work will bring up a wealth of information for student edification and ensure the piece of work comes to life. With background and context, students begin to understand an artist's viewpoint and integrate it into their worldview.

OMA is intentional about engaging students who would otherwise not be exposed to a museum and the arts. Nationally, museums reach millions of parents and children each year as trusted and welcoming spaces where children "make discoveries, deepen common interests, expand words and knowledge, and connect their natural curiosity to the wider world" (IMLS, 2015). Learning is self-directed, experiential, content-rich and promotes executive function skills that shape a child's success in school and life. OMA will create experiences and interactions to build brains and fuel a love for learning.

The 2016 Art Quest program features a pre-visit PowerPoint presentation for teachers to introduce ArtsQuest and the museum to the students. This visit prepares students for the museum experience with an introduction to the museum and relevant arts standards, as well as museum etiquette. Teachers receive CA State Content Standards-based pre- and post-visit curriculum materials and project suggestions to prepare students for the museum visit and deepen student learning after their visit to OMA.

The students in each class brought to OMA participate in an interactive tour and discussion on a major exhibition with OMA's staff and volunteer educators. During this visit students experience hands-on exposure to relevant art media. Students are encouraged to make their experience relevant to their own lives by creating art of their own inspired by the current educational topic and OMA exhibitions. At the conclusion of the visit students receive free passes for a second visit to the museum with their families, as well as a drawing pad and customized 'OMA' drawing pencil to take and use at home.

OMA will engage with the 5th grade teachers at Joli Ann Leichtag, San Marcos, Alvin Dunn, Knob Hill, and Richland Elementary schools. As this program gains success in San Marcos, we will work to engage the other six elementary schools. In this first year, our goal is to reach 250 students.

About OMA...

The Oceanside Museum of Art (OMA) is celebrating 20-years on the North Coastal region of San Diego County. OMA is known for its community educational programs and special events for youth, young professionals, adults and seniors in its 9,500 square foot gallery. With over 25,000 visitors annually, OMA is a bastion of culture strategically located between the museums of Balboa Park and Orange County. OMA has become known for its vanguard artistic and educational programming, its strong commitment to local artists, and the presentation of over 150 exhibitions of national and international interest.

Each year, OMA holds over 50 events including a monthly community Art Walk, lectures, panel discussions, youth art camps, art classes, performances and more. OMA serves visitors from five Southern California Counties (San Diego, Orange, Riverside, Los Angeles and San Bernardino), with the majority from San Diego County. Fully 18% of visitors are tourists from more distant locations. OMA serves a diverse demographic with 1,400 members, free admission to students and the military, as well as reduced admission to seniors.

OMA has achieved a stellar reputation through building strong collaborative and programmatic partnerships with artists and arts organizations throughout the arts community of the region. OMA's leadership regards one of its primary priorities over the coming years to function as an important and catalytic arts organization, as a "beacon of culture" for the region and collaborative leader in building the appreciation for and support of the arts.

Need for OMA

In San Diego County, there are no art museums of note north of the City and nearly one-third of the County population resides in the North Regions. There are 99 elementary schools in the North Regions of San Diego County and we have found our niche in bringing 5th graders into the museum to expose them to arts and culture. Expanding the Art Quest program to include San Marcos Elementary schools will increase student participation by 250 fifth graders, and engage a wider audience into the arts. As art is one of those interest areas eliminated in public school education, it is incumbent on OMA to provide opportunity to learn, observe, and participate in the visual arts.

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

You are required to make your annual information return, Form 990 or Form 990-EZ, available for public inspection for three years after the later of the due date of the return or the date the return is filed. You are also required to make available for public inspection your exemption application, any supporting documents, and your exemption letter. Copies of these documents are also required to be provided to any individual upon written or in person request without charge other than reasonable fees for copying and postage. You may fulfill this requirement by placing these documents on the Internet. Penalties may be imposed for failure to comply with these requirements. Additional information is available in Publication 557, Tax-Exempt Status for Your Organization, or you may call our toll free number shown above.

To Whom It May Concern:

I am pleased to write this letter of support for the fifth-grade students of the San Marcos Unified School District (SMUSD) to participate in the ArtQuest program at the Oceanside Museum of Art (OMA) – an organization that seeks to celebrate art through engagement, education, and innovation.

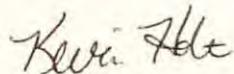

At the San Marcos Unified School District, we feel that the arts enhance and balance the curriculum and provide students with opportunities to propose and solve problems. I believe that ArtQuest, an outstanding art education program emphasizing the elements and principals of art, as well as Visual and Performing Arts standards, will greatly benefit our students.

Upon arriving at OMA, SMUSD students will be given a docent tour through current museum exhibitions, investigate each work of art, and have the opportunity to ask questions. They will be able to work on a creative project that allows them to use their imagination based on what they have seen and learned. In addition to receiving art supplies to take home, students will also receive a free Family Pass to OMA so that they may return with their families. Overall, each of our students will leave the museum with an expanded view of the professional creative process

Since I firmly believe that culturally enriching field trips that promote critical thinking are a vital part of a child's education, I strongly urge you to consider funding this proposal for the betterment of the students at San Marcos Unified School District.

Thank you for your consideration.

Sincerely,

Kevin D. Holt, Ed.D.

Project Name: Signage for Vans Date Submitted: 9/25/2015	Total # of people served: 615 Total # of San Marcos residents served: 137	Amount Requested: \$ 7,560
Non-Profit Organization Name and Address, Website T.E.R.I., Inc. 251 Airport Road Oceanside, CA 92058		Contact Person – Name, Title & Phone, email Barry Friedman, Director of Philanthropy (760) 721-1706 barryf@teriinc.org

Briefly describe your request for funds (to be expanded upon in narrative for regular grant):

TERI respectfully requests partnership to purchase signage for TERI vans that travel through the community bringing clients to and from the programs. Signage is part of our marketing and public relations plan and will elevate TERI's visibility to increase recognition of the exemplar services provided to a growing community of people with special needs as well denote recognition of the San Marcos Community Foundation as a sponsor.

Briefly describe the significance of your request to the San Marcos community:

Nationwide, and in the San Marcos community, a child is diagnosed with autism every 29 seconds. In fact, one in 68 children will receive a diagnosis, and 12.8% of children have some special need. In 2013, there were 20,003 students in San Marcos schools which translates to, that 295 students with autism, and 2,561 children with some level of special need. These children will require lifelong services and supports to engage with and participate in the fabric of our San Marcos community.

Significance to the community is multifocal: 1) San Marcos is home to the Campus of Life, an innovative project that is the first of its kind to transforms the lived experience of people with special needs; 2) the project will inform of local resources and expertise to assist with child and family need; 3) the project provides contact information to special programs that will support the student and his/her family.

Please attach the following items.

Both Mini-Grant & Regular:

1. Budget for request (use SMCF Budget Worksheet)
2. Annual Operating budget for the organization or unit
3. Federal & State Tax ID numbers

Thank you for past support from the San Marcos Community Foundation. TERI continues making tremendous strides in redefining quality of life for children and adults with autism and other developmental disabilities. Your past gifts leveraged support from additional local donors who also recognize how critical these services and supports are to our community.

It is a rare day at TERI that something extraordinary does not happen. We are located in a strong community with an indomitable spirit, and we are growing along with the North County Region. I invite your further partnership in supporting acquisition of signage for TERI vans which transport clients throughout the community. This signage will reflect your sponsorship, and will provide contact information for families in need to reach out and engage with TERI.

Signage Project

TERI operates a fleet of 45 vehicles to transport clients with special needs to and from home, and between our 17 program sites. Getting people with special needs out into the community is mission-centered, and in the best interest of the client, their family, and the community. TERI vehicles travel some 135,000 miles annually across the community. Monday through Saturday TERI vans can be found traveling to the Campus of Life, Carlo House, the Country School, and other locations in San Marcos. TERI must produce signage for these vans that advertises our mission, identifies and brands the agency as well as advertises availability of services to the community. We have received bids for \$1,200 per vehicle to design and place signs on 6 company vehicles, and request \$7,560 toward completion of this project.

It is important TERI achieve this project this year as we move forward constructing the Campus of Life. TERI has a large presence in San Marcos, and as the Campus is completed, all operations (with the exception of the 12 residential programs) will be transferred to the Campus of Life at 555 Deer Springs Road, within the sphere of influence of San Marcos.

About TERI...

TERI has built an unparalleled reputation during more than three decades as a national leader providing innovative care and supportive services to children and adults with autism and developmental disabilities and their families. Our history shows ongoing innovation through design and delivery of supports that positively impact significantly disabled people. TERI has a \$16.1 million budget and over 400 employees, and provides a full continuum of lifespan services across San Diego, South Riverside, and Orange counties to more than 600 individuals, creating new options for quality of life that can be replicated on a national and international scope.

TERI supports individuals with all developmental disabilities and is recognized for success with students and adults with severe behavioral issues. In fact, we have never exited a student or adult for behavioral issues. Our services include two nonpublic schools serving 105 children, plus the Center for the Arts & Adult Education serving 195 adults; Family Support Services serving 315 people, and residential serving 72 adults. Other programs supporting all clients across the lifespan include Fit for Life, Culinary and Agriculture; Therapy & Recreation; Therapeutic Equestrian; Life Quality Planning and Special Needs Life Coaching (international). A Transportation fleet ensures each program participant arrives at their destination.

TERI's Campus of Life construction continues progress: the U. S. Military Innovative Readiness Training (IRT) Program has committed to building the Campus over the next five years (year one is complete); major gifts are being acquired and negotiated; and construction and community improvements will follow over the next two years. TERI committed to moving to San Marcos in 2002 and we look forward to operating this landmark campus for years to come!

Dear Taxpayer:

This is in response to your July 25, 2013, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in September 1996.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

On the basis of the information submitted and provided your present operations continue unchanged or conform to those proposed in your application, you are exempt from state franchise or income tax under Section 23701d, Revenue and Taxation Code. Any change in operation, character or purpose of the organization must be reported immediately to this office so that we may determine the effect on your exempt status. Any change of name or address also must be reported.

You are required to file Form 199 (Exempt Organization Annual Information Return) or Form 1993 (Exempt Organization Annual Information Statement) on or before the 15th day of the 5th month (4 1/2 months) after the close of your accounting period. See annual instructions with forms for requirements.

You are not required to file state franchise or income tax returns unless you have income subject to the unrelated business income tax under Section 23731 of the Code. In this event, you are required to file Form 109 (Exempt Organization Business Income Tax Return) by the 15th day of the 3rd month (2 1/2 months) after the close of your annual accounting period.

If the organization is incorporating, this approval will expire unless incorporation is completed with the Secretary of State within 60 days.

Exemption from federal income or other taxes and other state taxes requires separate applications.

SMCF Resolution No. GFC 2015-05

**A RESOLUTION OF THE SAN MARCOS COMMUNITY FOUNDATION
GRANT FUNDING COMMITTEE AUTHORIZING THE AWARD OF GRANT
MONIES TO CERTAIN NON-PROFIT ORGANIZATIONS**

WHEREAS, the San Marcos Community Foundation Grant Funding Committee is authorized, pursuant to the San Marcos Community Foundation adopted articles and bylaws, and Resolution 06-82 which puts into place The Grant and Fund Raising Guidelines and Procedures Manual setting forth the Basic Guidelines and Procedures established as of January 2, 2007, to entertain proposals for non-profit activities from qualified public and charitable groups; and

WHEREAS, there were four new proposals received by the San Marcos Community Foundation Grant Funding Committee prior to the November 4, 2015, Mini-Grant submittal deadline established by the San Marcos Community Foundation 2015 schedule of meetings; and

WHEREAS, the San Marcos Community Foundation Grant Funding Committee did, at its November 12, 2015, meeting, consider such proposals for Mini Grants in a public meeting duly advertised and held in the manner required by law; and

NOW, THEREFORE, BE IT RESOLVED, that the San Marcos Community Foundation Grant Funding Committee does hereby authorize funding of the following Mini Grant proposals in the amounts specified:

<u>REQUESTING ORGANIZATION</u>	<u>GRANT AWARD</u>
Kiwanis Club of San Marcos Foundation	\$1,500.00
Miracle Babies	\$1,500.00
Toys for Joy/Rock Charitable Foundation	\$1,500.00
Words Alive	\$1,500.00

BE IT FURTHER RESOLVED, that actual award of the above Mini Grants shall be contingent upon satisfactory compliance with all preconditions to funding specified.

BE IT FURTHER RESOLVED, that the San Marcos Community Foundation Grant Funding Committee's decision is based upon its determination that each of the above-referenced requests meets applicable legal requirements for funding as a non-profit activity and conforms to Foundation policies pertaining to grant awards.

(Choose one) MINI-GRANT (Choose one) REGULAR GRANT

Project Name: Holiday Parade Date Submitted: 10/7/2015	Total # of people served: 10,000 Total # of San Marcos residents served: 8,000	Amount Requested: \$1,500
Non-Profit Organization Name and Address, Website Kiwanis Club of San Marcos Foundation P. O. Box 493 San Marcos, CA 92079		Contact Person – Name, Title & Phone, email Kate Kovrig, Treasurer (619) 246-3976 kkovrig@wd40.com

Briefly describe your request for funds (to be expanded upon in narrative for regular grant):

The Kiwanis Club of San Marcos respectfully requests partnership support for the San Marcos Holiday Parade. For 19 years the Club has designed and delivered this event, the only privately-funded holiday parade in our County. Each year, the Club raises the funds needed to deliver a high-quality event heralding the beginning of the holiday season for the children in and around San Marcos. This year, we need additional help and turn to the SMCF as a community partner in order to stage and deliver a high quality, engaging, and fun event for City residents. Each year we give out approximately 3,500 to 4,500 toys, books, and handouts to parade goers, many of whom do not receive any other gift due to the family economic circumstance. This year we will be able to hand out books to every child in attendance. This has been the case throughout the years, where socioeconomically deprived children look forward to this day of joy and possibilities.

This, our 20th year delivering the Parade, our 40th year as a Club supporting San Marcos, and our 100th year of Kiwanis, promises to be the biggest and best parade yet: increased attendance, increased exhibitors, and an increased draw from surrounding communities. With your partnership, the Kiwanis club of San Marcos will make the 2015 San Marcos Holiday Parade one to be remembered.

Briefly describe the significance of your request to the San Marcos community:

Significance of this request to the San Marcos community is tremendous: approximately 10,000 people line the parade route to see friends, family, and exciting floats, bands, and dancers. This community-wide event is the kick-off to the holiday season encouraging all religious, sport, equestrian, dance, nonprofit and business participation. We ensure elected officials and other dignitaries are represented and can interact with the community. Fire, Sheriff, Palomar College, San Marcos and Mission Hills High Schools, Boys & Girls Club, Cub and Boy Scouts, Brownie and Girl Scouts, Ballet Folklorico and other dance troupes return year-after-year to perform in front of the residents. This event is the single-best community builder this City has, and we hope to be able to present this event for another 20 years!

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

Please see enclosed Information for Exempt Organizations Under Section 501(c)(3) for some helpful information about your responsibilities as an exempt organization.

If you distribute funds to other organizations, your records must show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), you must have evidence the funds will be used for section 501(c)(3) purposes.

If you distribute funds to individuals, you should keep case histories showing the recipient's name and address; the purpose of the award; the manner of selection; and the relationship of the recipient to any of your officers, directors, trustees, members, or major contributors.

Project Name: Miracle Babies' Family Assistance Program Date Submitted: 10/5/15	Total # of people served: 60 Total # of San Marcos residents served: 60	Amount Requested: \$1,500
Non-Profit Organization Name and Address, Website Miracle Babies 8745 Aero Drive Suite 111, San Diego, CA 92123 www.miraclebabies.org		Contact Person – Name, Title & Phone, email Joelle Felton Lackey Executive Director jfelton@miraclebabies.org

Briefly describe your request for funds (to be expanded upon in narrative for regular grant):

We respectfully request \$1,500 to be used towards care packages for parents of critically ill newborns admitted to the Tri-City Hospital and Palomar Hospital neonatal intensive care units in North County San Diego. The funds will cover 60 NICU care packages at \$25 each and will include a NICU guide with useful information and inspirational stories, a bonding blanket, a list of community resources, and other essential items that help comfort and support parents as they care for their baby in the NICU.

Briefly describe the significance of your request to the San Marcos community:

Having a newborn in the NICU is an emotionally and financially draining time for families. Miracle Babies seeks to buffer the significant challenges families face while caring for their vulnerable baby in the NICU by providing essential support and inspiration directly to families. Each year nearly 1,000 babies are admitted to the NICUs at Tri-City Hospital and Palomar Hospital, both of which serve the San Marcos community. With the help of the San Marcos Community Foundation, Miracle Babies can move closer to its goal of distributing care packages to at least half of those families—helping parents navigate and overcome the constant uncertainty and hardship inherent in the NICU experience.

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

EXEMPT ACKNOWLEDGEMENT LETTER

This letter acknowledges that the Franchise Tax Board (FTB) has received your federal determination letter that shows exemption under Internal Revenue Code (IRC) Section 501(c)(3). Under California law, Revenue and Taxation Code (R&TC) Section 23701d(c)(1) provides that an organization is exempt from taxes imposed under Part 11 upon submission of the federal determination letter approving the organization's tax-exempt status pursuant to Section 501(c)(3) of the IRC.

The effective date of your organization's California tax-exempt status is 01/23/2008.

R&TC Section 23701d(c)(1) further provides that the effective date of an organization's California tax-exempt status is the same date as the federal tax-exempt status under IRC Section 501(c)(3).

Under R&TC Section 23701d(c), any change to your organization's operation, character, or purpose that has occurred since the federal exemption was originally granted must be reported immediately to this office.

Briefly describe your request for funds (to be expanded upon in narrative for regular grant):

The funds will help purchase groceries for underprivileged families during the holidays to be distributed at our event on December 12, 2015 at San Marcos High School. Toys for Joy, now in its 19th year in San Diego and second year in San Marcos, is expecting over 5,000 children and their families at this location. Each child is given a free toy and the family receives free groceries, free lunch and a day of family fun activities. Last year over 17,000 toys and 15,100 bags of groceries were given away at three locations in San Diego.

Briefly describe the significance of your request to the San Marcos community:

Many children, right here in San Marcos, will not know the joy of receiving a gift during the holidays. Toys for Joy wants to insure that these children not only receive a toy, but that their families will also have groceries and be given a full day of fun during the holiday season.

<p><u>Briefly describe your request for funds (to be expanded upon in narrative for regular grant):</u></p> <p>We kindly request project support for our Adolescent Book Group (ABG) program's San Marcos locations; Breaking Cycle and North County Technology & Science Academy (NCTSA.) Words Alive's mission is to open opportunities for life success by inspiring a commitment to reading. These funds will help us fulfill that mission as we administer a book club style reading opportunity to 80 Juvenile Court and Community School students within a specially selected, Common Core-aligned curriculum that covers content area and/or themes pertinent to the students' life experience.</p>		
<p><u>Briefly describe the significance of your request to the San Marcos community:</u></p> <p>Words Alive's ABG program fosters a connection to reading with 410 of San Diego County's underserved and at risk teens and operates in 16 San Diego County Office of Education Juvenile Court and Community Schools classrooms. We provide materials and volunteer facilitators to engage students in open dialogue in monthly discussions sessions designed to connect with the teens, build confidence, vocabulary, and critical thinking skills, and help them relate their real life situations to literature through reading and sharing. In addition, our writing component encourages students to explore written responses to books and grow accustomed to the expository writing required in California High School Exit Exams. By providing an outlet in reading, discussion, and writing, we address not only the barriers to academic success of these students, but also the social and emotional growth that oftentimes suffers as a result the life circumstances they've experienced.</p>

Dear Taxpayer:

This is in response to your Sep. 05, 2012, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in July 1999.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

Purpose : CHARITABLE
Code Section : 23701d
Form of Organization : Corporation
Accounting Period Ending: December 31

You are exempt from state franchise or income tax under the section of the Revenue and Taxation Code indicated above.

This decision is based on information you submitted and assumes that your present operations continue unchanged or conform to those proposed in your application. Any change in operation, character, or purpose of the organization must be reported immediately to this office so that we may determine the effect on your exempt status. Any change of name or address also must be reported.

In the event of a change in relevant statutory, administrative, judicial case law, a change in federal interpretation of federal law in cases where our opinion is based upon such an interpretation, or a change in the material facts or circumstances relating to your application upon which this opinion is based, this opinion may no longer be applicable. It is your responsibility to be aware of these changes should they occur. This paragraph constitutes written advice, other than a chief counsel ruling, within the meaning of Revenue and Taxation Code Section 21012 (a)(2).

You may be required to file Form 199 (Exempt Organization Annual Information Return) on or before the 15th day of the 5th month (4 1/2 months) after the close of your accounting period. See annual instructions with forms for requirements.

You are not required to file state franchise or income tax returns unless you have income subject to the unrelated business income tax under Section 23731 of the Code. In this event, you are required to file Form 109 (Exempt Organization Business Income Tax Return) by the

15th day of the 5th month (4 1/2 months) after the close of your annual accounting period.

If the organization is incorporating, this approval will expire unless incorporation is completed with the Secretary of State within 60 days.

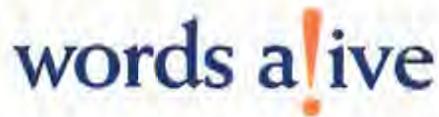

Exemption from federal income or other taxes and other state taxes requires separate applications.

A copy of this letter has been sent to the Office of the Secretary of State and to the Registry of Charitable Trusts.

MEETING OF THE GRANT FUNDING COMMITTEE
OCTOBER 14, 2015 – 6:00 PM

CALL TO ORDER BOARD PRESIDENT LUKOFF called the meeting to order at 6:05 p.m.

ROLL CALL

PRESENT: BOARD MEMBERS: LUKOFF, NAJERA, WASCO
ABSENT: BOARD MEMBERS: NONE

ALSO PRESENT Recording Secretary, Wendy Kaserman and City Staff Michael Gordon and Julia Covert.

OLD BUSINESS

1. GRANT AWARD HISTORY Fiscal year 2015-2016

Noted and filed.

NEW BUSINESS

2. REGULAR GRANT APPLICATION PROPOSALS

(A) **CANINE COMPANIONS FOR INDEPENDENCE**

The Committee discussed the request from Canine Companions for Independence for \$5,000 in funding to place one highly-skilled dog with a San Marcos resident. The Committee was concerned that the funding would only benefit one San Marcos resident and may consider recommending a lower amount than requested. BOARD PRESIDENT LUKOFF will make a site visit and will report back to the Committee at its November meeting.

(B) **CHARITY WINGS ART & CRAFT CENTER**

The Committee discussed the request from Charity Wings Art & Craft Center for \$4,902 in funding to cover expenses related to the opening of their new location, as well as 20% of the salary for their part-time Class and Volunteer Coordinator. BOARD MEMBER NAJERA will follow up with this organization and will report back to the Committee at its November meeting.

(C) **FOUNDATION FOR ANIMAL CARE & EDUCATION (FACE)**

The Committee discussed the request from Foundation for Animal Care & Education (FACE) for \$3,000 in funding to provide financial assistance to families with pets requiring emergency veterinary care through their Save-A-Life Program. The Committee felt this request did not meet the criterion for funding.

(D) INTERFAITH COMMUNITY SERVICES, INC.

The Committee discussed the request from Interfaith Community Services, Inc., for funding in the amount of \$10,000 to support their overall personnel costs associated with operating the Senior Services Program. The Committee considered the fact that this organization has received funding on multiple occasions from the Foundation. Due to limited resources available for grant making and the other grant requests received, the committee may not recommend funding of this application.

(E) KID'S COLLEGE

The Committee discussed the request from Kid's College for funding in the amount of \$10,000 to sustain and grow their "Fortissimo" Orchestra Program at Joli Ann Leichtag Elementary School (SMUSD). BOARD MEMBER WASCO will follow up with this organization and will report back to the Committee at its November meeting.

(F) MEALS-ON-WHEELS GREATER SAN DIEGO, INC.

The Committee discussed the request from Meals-on-Wheels Greater San Diego, Inc. for funding in the amount of \$8,000 to help subsidize the cost of rent at its North County Service Center in San Marcos. The Committee agreed that a site visit was unnecessary.

(G) OCEANSIDE MUSEUM OF ART (OMA)

The Committee discussed the request from Oceanside Museum of Art (OMA) for funding in the amount of \$8,680 for their Art Quest program which increases exposure to the arts in a museum setting for Title I San Marcos students. RECORDING SECRETARY KASERMAN confirmed that the San Marcos School District is, in fact, planning to partner with OMA on this program and will be providing a letter of support to OMA. After discussion, the Committee may not recommend funding of this grant request.

(H) T.E.R.I INC.

The Committee discussed the request from T.E.R.I. Inc. for funding in the amount of \$7,560 to purchase signage for T.E.R.I vans that transport clients through the community. The Committee felt this request did not meet the grant criteria.

3. MINI-GRANT APPLICATION PROPOSALS

A. KIWANIS CLUB OF SAN MARCOS FOUNDATION

The Committee discussed the request from the Kiwanis Club for \$1,500 in funding to support the annual San Marcos Holiday Parade.

B. MIRACLE BABIES

The Committee discussed the request from Miracle Babies for \$1,500 in funding to be used toward care packages for parents of critically ill newborns admitted to the Tri-City Hospital and Palomar Hospital neonatal intensive care units in North County. BOARD PRESIDENT LUKOFF will follow up with this organization and report back to the Committee at its November 12, 2015, meeting.

C. POSITIVE ACTION COMMUNITY THEATRE (PACT)

The Committee discussed the request from Positive Action Community Theatre for \$1,500 in funding to support their theatre/life skills workshops for students with autism at the Country School in San Marcos.

BOARD MEMBER NAJERA MOTIONED TO MOVE CONSIDERATION OF THE REQUESTS FROM KIWANIS CLUB OF SAN MARCOS FOUNDATION AND MIRACLE BABIES TO THE NOVEMBER 12, 2015, GRANT FUNDING COMMITTEE MEETING AGENDA FOR CONSIDERATION ALONG WITH THE REGULAR GRANTS; AND TO DECLINE THE REQUEST FROM POSITIVE ACTION COMMUNITY THEATRE (PACT).
