PUBLIC HEARINGS

- Case No:** TSM 470 / ND 09-785

Application of: 1188 Borden Road and 1200 Venture LLC

Request: The proposed project is requesting to subdivide three parcels into twenty-two (22) single family residential lots (Tentative Subdivision Map 470). The applicant is also requesting a 35% density bonus, as permitted by Government Code §65915. The maximum allowed density per the existing General Plan is sixteen (16) lots. The applicant has indicated that two (2) lots will be set aside for very low income residents, thus entitling the applicant to seek the 35% density bonus per the State Density Bonus law (Government Code 65915). Because the applicant will provide two very low income lots within the subdivision, this also entitles the applicant to request two (2) waivers or concessions of development standards. The applicant has requested two concessions: a concession of the minimum 10,000 square foot lot size and standard R-1 zone setbacks (to be counted as one concession) and has requested access be provided with a private road instead of a public road, as required by the Tentative Subdivision Ordinance.

Location of Property: North side of Borden Road between El Toro Lane and La Cienega Road, more particularly described as: Parcels 1, 2, 3 of Lot 2, Block 29 of Rancho Los Vallecitos de San Marcos, in the City of San Marcos, County of San Diego, State of California, according to map thereof No. 806, filed in the office of the recorder of San Diego County, December 21, 1895.
