**AFFIDAVIT OF POSTING**

Agenda packets are available for public inspection 72 hours prior to scheduled meetings at City Hall: 1 Civic Center Drive, San Marcos, CA 92069. Any agenda-related writings or documents provided to a majority of the commission after distribution of the agenda packet are available for public inspection at the time of distribution in the Council Chambers. I, Krystal Mainprize, Parks & Recreation Commission Secretary, City of San Marcos, hereby certify that I caused the posting of this agenda at the entrance of City Hall Council Chambers on Thursday, September 10, 2019.

Date: September 10, 2019

Krystal Mainprize, Commission Secretary

The City of San Marcos is committed to making its programs, services and activities accessible to individuals with disabilities. If you require accommodation to participate in this meeting or any other City programs, service or activity, please contact the City Clerk's office at 1 Civic Center Drive, San Marcos, CA 92069, or call (760) 744-1050.

## Minutes

### Regular Meeting of the San Marcos Parks & Recreation Commission

Wednesday, August 21, 2019

City Council Chambers, 1 Civic Center Drive

**CALL TO ORDER:** Chairperson Jay Franklin called the meeting to order at 6:00 pm.

**PLEDGE OF ALLEGIANCE:** Chairperson Jay Franklin

#### **ROLL CALL:**

##### Commissioners Present

FRANKLIN	(8/8)	100%
HERNANDEZ	(8/8)	100%
LINDSAY	(5/8)	66%
PRESTININZI (ALT)	(4/7)	57%
ROBLES	(6/7)	86%
SENSMEIER	(8/8)	100%

##### Commissioners Absent

MOCKUS	(7/8)	88%
SMITH	(7/8)	88%

#### **ALSO PRESENT:**

Director Buck Martin, Program Manager Darren Chamow, Recreation Supervisor Holly Payad, Recreation Coordinator Taylor Oshinski and Commission Secretary Krystal Mainprize.

#### **ORAL COMMUNICATIONS**

**Volunteer Recognition Awards** -Lori Dwyer, Recreation Leader presented an award and recognized Debbie Brittsan who works at Home Depot and coordinates the art and craft project for Home Depot. Debbie has been collecting and saving products from every department in the store and donating them to the City Adventure Day Camp program. Debbie has donated over 60 kits to make various projects such as bird houses that the kids look forward to every year. She also donates aprons that the kids are able to take home with their project. Lori thanked Debbie and the staff at Home Depot for their generous support to the Adventure Day Camp program over the past 20 years.

Chair Franklin asked staff to send a thank you letter to Home Depot and Debbie.

#### **CONSENT CALENDAR**

**COMMISSIONER SENSMEIER MOVED TO APPROVE CONSENT CALENDAR ITEMS 1-3 AS PRESENTED, SECONDED BY COMMISSIONER PRESTININZI AND CARRIED TO APPROVE. ABSTENTION: LINDSAY AND ROBLES ABSTAINED FROM CONSENT CALENDAR ITEM #1.**

## **REPORTS AND OTHER BUSINESS**

### **4. Annual Youth Sports Group Presentation, San Marcos Girls Softball**

San Marcos Girls Softball past president Tina Sybesma and current president Buzz Byer reported the organization had 457 girls last year and this year they have 420 girls registered. The organization continues to attend a Padre game at Petco Park, hold a golf fundraiser at St. Marks, and host softball tournaments to generate revenue for the organization. Buzz noted he is looking forward to raising the participants so the girls can continue to having fun on the field.

Commissioner Robles asked if they provide any scholarships for the enrollees. Tina noted they do have funds set aside for scholarships and this year Allen Brothers was a big sponsor. The organization also donates a free registration to Richland Elementary and to SM Youth Baseball.

### **5. Annual Staff Report, Community Center Administration, Enrichment Programs, Facility Reservations**

Recreation Supervisor Holly Payad reported on the administration of the Community Center including the hours and staffing structure. Holly reported she has 30 contractors going into the fall season. New classes include children acting, ballet folklorico, cardio tennis and royal academy of dance which is a prestigious program and has not been offered at a recreation center before in San Diego County. Challenges include adult programming classes declining in enrollment which is being seen county-wide. Another challenge is with decreased enrollment in summer enrichment camps due to other entities like the school district offering comparable camps at many schools in San Marcos taught by teachers. Holly noted the successes include the refund policy, trail classes, insurance coverage for instructors, and transitioning sports classes under the athletic department. The Tree Lighting will be held on Saturday, December 7th from 1-7pm. The breakfast with santa will be held on the following Saturday.

Krystal Mainprize, Community Services Specialist reported on indoor facility reservations and outdoor shelter reservations. The City has 5 recreations centers for the public to rent 11 different rooms. The Facility Reservation Policy was updated and went into effect on July 1, 2019. The City has 25 reservable park shelters and some allow jump horses, ponies and petting zoos.

### **6. Trails Advisory Committee - Options Discussion**

Program Manager Darren Chamow reviewed the options for the Trails Advisory Committee (TAC) included in the Commission packet. The guidelines have not been updated since 2008 so they are well out of date. Darren asked Commissioners to decide what they feel is the best option.

Chair Franklin feels it is best to get input from the TAC members. He would like to hold another meeting with them to get their input.

Commissioner Sensmeier noted the trails are a very important resource for the City and the green space is a positive attribute for the citizens to recreate. She doesn't want anything to jeopardize that.

Commissioner Lindsay was a member of the TAC during the end of the growth expansion and feels it is important for form a subcommittee to meet with the members to get their input and revive the committee.

Commissioners want to form a subcommittee with commissioners, staff and TAC members. They would like to meet before September 11<sup>th</sup>.

## **7. Special Events List and Social Media Posts**

Chair Franklin asked for Robin Rockey to come to the meeting so they can meet her.

Commissioner Lindsay noted Double Peak Challenge event was not listed on the special event list. Darren Chamow noted it was submitted so it will be included on next month's list.

## **ORAL COMMUNICATIONS**

Parks & Recreation Director Buck Martin provided an update on the following items:

- Introduced Evan Hoenig who is the management analyst for the department.
- The Commission Parks and Recreation email is now updated.
- A recommendation is being made to the City Manager to make an ordinance for catch and release at Discovery Lake. People are fishing and taking buckets of fish out of the lake and they are fishing out all the bass. We are having issues with fishing line and hooks affecting the wildlife at the lake.
- Public Works is also purchasing an aeration system for the lake to improve the lake quality and take care of the algae bloom.
- Woodland Park Pool does not have adequate lighting to have nighttime programming. The School District wanted to use the pool in the evening for the swim team. A study was done and to properly light the pool it would cost \$300,000 to adequately light the pool.
- 8 acres at Bradley Park will be used for a mountain bike course using prop 68 per capita funding. San Diego Mountain Biking Association donated \$2,000 and Friends of San Marcos donated \$4,500 to get the design element completed.
- The Friends of San Marcos provided funding for Title 1 Schools in San Marcos to attend a field trip at Jack's Pond Nature Center. They have donated that again this year. New this year, Vallecitos Water District is funding the transportation to and from the field trips for all the Title I schools.
- The City has submitted for Prop 68 funding which is \$5.5 million dollar ask. It will be used to build an inclusionary playground, a 2-5/5-12 playground and dog park at Bradley Park.
- This past weekend San Marcos Youth Soccer held a large tournament with over 150 teams.

## **COMMISSIONER COMMENTARY**

Commissioner Robles asked what grades benefit from the Jack's Pond Field Trip. Darren Chamow answered grades 1<sup>st</sup> – 4<sup>th</sup> can attend and the grant is just for the San Marcos Title 1 Schools.

Commissioner Lindsay remembers a presentation from an out of town citizen about not recommending catch and release and Ranger Staff agreed with that protocol. Director Martin will look into this and get back with the Commission.

**City of San Marcos**  
3 Civic Center Drive  
San Marcos, CA 92069

Chair Franklin attended some of the community meetings for the \$5.5 million grant and appreciates staffs work on looking for additional funding sources for our amazing City.

**WRITTEN COMMUNICATION**

Commissioners Mockus and Smith sent emails regarding their absence at tonight's meeting.

**ADJOURNMENT**

**CHAIRPERSON FRANKLIN ADJOURNED THE AUGUST 21, 2019 SAN MARCOS PARKS & RECREATION COMMISSION MEETING AT 7:14 P.M.**

ATTEST:

---

Jay Franklin, Chairperson  
Parks & Recreation Commission

**SAN MARCOS**  
DISCOVER LIFE'S POSSIBILITIES

# Nutrition Program

- Average 50 patrons per day
- Served 11,266 meals in 2018
- Cost \$4 suggested donation for ages 60+ and \$5 for under 60
- Serving meals since 1983
- Program funded through grant from the County of San Diego

# Nutrition Program

- Challenges

- Working closely with caterer, to make sure they follow all AIS Guidelines while providing popular meals.
- Some patrons liked the alternate meal provided by the last caterer. We still offer our salad bar on Tuesday's and Thursday's.

- Innovations

- Taking the lead in the County Initiative to reduce raw food waste
- Collaborating with other City nutrition program partners for best practices
- Nutrition program hosts 40+ special events each year that attract an average of 100+ lunch guests
- Eliminated Polystyrene

# Nutrition Program

- Birthday Celebration on 1<sup>st</sup> Monday of the month
- Special Ice Cream Days
- Special Meals for Holiday's.
- Reservations required by day before at 3pm
- 760-744-5535 x 3607
- Nutrition Contractor is Essenco Inc.

## Transportation – *Ride Service*

- Ride service option through FACT added to transportation program for senior residents 60+.
- Rides provided by FACT seven days a week anywhere in San Marcos for \$2.50 per one-way trip.
- Rides for medical appointments outside of San Marcos up to 20 miles for \$5.00 per one way trip.
- 168 residents currently enrolled in the program.

# Transportation – *Lunch Bus*

- Service is currently contracted with the San Marcos Unified School District.
- Cost: \$1 suggested donation for seniors over 60
- \$3 for non-senior caregivers
- Average 20 riders per day.

# Volunteer Program

- Currently hosting active volunteers that provide services for;
  - Nutrition Program
  - Admin/Front Desk
  - Volunteer Led Activities
  - Special Events
  - Custodial Help
  - Intergenerational Programs
- Number of monthly volunteers: 79
- Host Volunteers from local universities  
CSUSM/ St Augustines

# Marketing

## Mix & Mingle Summer Bash

Friday, August 3  
5:30 to 7:30pm  
3 Civic Center Drive

The Luau will feature food and adult beverages, with dancing to beach music by Band Diego. Hawaiian dress is encouraged and festive leis will be provided upon entry. Presale tickets are \$7, and \$10 at the door. Two drinks and dinner provided with the cost of admission.

- Monthly Newsletter gets sent out to 1150 patrons via email
- 1000 Newsletter hard copies are printed and distributed each month
- Constant Contact invitations are now being sent out for special events.
- All special events are posted on the City's social media channels
- Upcoming special events are posted on the SAC's homepage
- Nutrition Menu gets printed in Newsletter each month

# Special Events - Nutrition

- Holiday Party
- Over 90's
- Oktoberfest
- St Patrick's Day
- Luau Week
- Veteran's Day
- Thanksgiving
- Valentines Day
- And Many More

# SER Support

- SAC partners with SER (Service, Employment, Re-Development)
- Goal is to train seniors to re-enter the workforce
- Staff is paid through SER not the City
- Currently work 15 hours per week.
- Currently we have four SER Staff

# Questions?

## **YOUTH SPORTS COUNCIL MEETING**

**Tuesday, September 3, 2019**

**1 Civic Center Drive**

**Attendance:** All members present except San Marcos Youth Basketball, San Marcos Pop Warner, San Marcos Girls Softball, San Marcos Youth Soccer and San Marcos Youth Rugby.

Staff present: James Daza, Eric Leichliter, Andrea Gonzalez and Buck Martin

Parks & Recreation Commissioner: Jay Franklin

### **Call to order**

James Daza called the Youth Sports Council meeting to order at 6:03pm.

### **Approval of Minutes**

Kelly Breihan (San Marcos Youth Lacrosse) motioned to approve the minutes from the June 4, 2019 meeting. Doug Scharin (San Elijo AYSO 1505) seconded the motion.

*Motion carried 6-0.*

### **San Marcos Unified School District Update**

James reminded all YSC members that all permits for San Marcos Unified School District fields are now going through the Facilitron reservation software. James reminded all members that they will not be charged for School District field usage and San Marcos Unified School District was still working out some bugs in the system when YSC members were submitting their permit requests.

### **Sport Field Updates**

Sports fields update was given by Art Sotelo.

After current assessments, all sports fields are currently in good condition.

Art mentioned that Bradley Park Multipurpose field 1 is showing some wear down the middle of the field and urged YSC members to remind coaches to rotate drills to minimize field

damage. The Bradley Park Soccer Arena shade sail project is waiting on the structure to be re-engineered before it is installed again.

Art informed the YSC that Walnut Grove Park and San Elijo Upper fields have new “Smart” irrigation controllers. He reminded YSC representatives to notify City staffs if they notice fields are being overwatered creating wet conditions when they are at facilities. Playing on wet fields will cause significant damage to the turf. Art informed the YSC that from September 9-September 18 the City has been notified to limit field irrigation because the San Diego County Water Authority will be replacing a large water pipe that supplies most of San Diego County with water.

Art notified San Marcos Youth Baseball that Mission Sports Park will be re-lamped over the next few weeks. The project should not affect evening practices and games with the work taking place during the day.

Doug Scharin (AYSO 1505) requested the use of San Elijo Lower in the future due to the poor conditions at San Elijo Middle School fields. He stated that the field is not suitable for their games and they are receiving complaints from participants. James and Art stated that they can look at using San Elijo Lower softball field in the future but need to work out logistics regarding temporary field lining for their games to limit coaches from using the same areas for practices during the week.

### **Tegrandscape**

James and Art informed the YSC members that the Tegrandscape fees for extra janitorial service during tournaments and special events will be increasing. Their contract is expiring so the job is going out to bid and with new State regulations the new cost will likely be increasing due to prevailing wages. Art stated that they do not know the exact cost and won't have that information until after the contract has been awarded.

James requested that the second visits that Tegrandscape make to some of the sports parks continue through the weekend of November 22-23 like they have in previous years. Art asked James to work with Stew Rutledge and Amanda Haas to coordinate extending the second park visits.

## **Field Allocation / Soccer Updates**

James reminded all soccer organization presidents that he needs their practice field matrix showing how many teams they have practicing at their allocated fields to ensure the field usage is being maximized for all organizations.

Lori stated that the soccer organizations are trying to work out a plan to move one smaller set of goals from San Elijo Hilltop to Hollandia Park Multipurpose field. She asked if any other organizations would be able to help moving the goals; James Morales (AYSO 127) stated that he might be able to help with the move.

James informed the YSC that the inaugural Revolution Cup, hosted by San Marcos Youth Soccer, had 136 teams and overall the tournament ran smooth. He reminded all YSC organizations that going forward they must have a league representative as the point of contact for all communication between them and the City for their requests.

James reminded all YSC organizations to return any unused field space so other organizations in need of extra space have the option to use it. James reminded all organizations to report any unauthorized practices being held throughout the City. He reminded all organizations if they come into contact with any other flag football groups to take a picture of the practice and send it to him so he can follow up with NFL Flag football or Friday Night Lights representatives.

## **Connors Park**

James reminded the YSC members that San Marcos Pop Warner returned Mondays and Fridays at Connors Park. This made it possible to allocate this field space to San Marcos Youth Soccer on Monday's and NFL Flag Football on Fridays.

James reminded the YSC members who have access to the Connors Park storage room that the room needs to be organized. He will send a follow up email to the organizations next week to come up with a plan to organize the room.

## **Parks and Recreation Update**

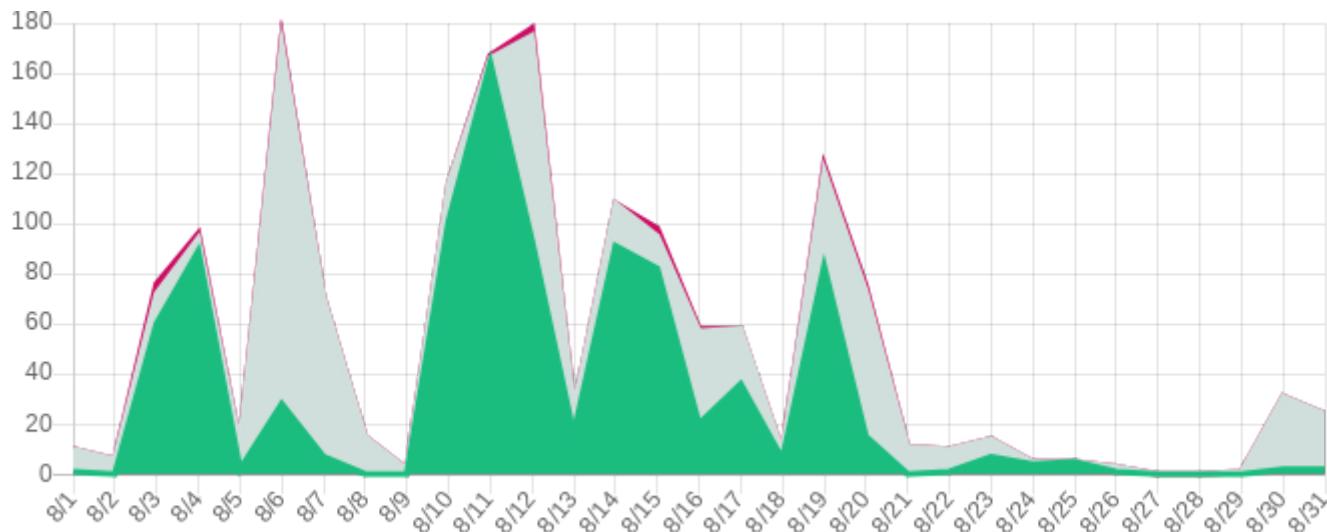

James reminded all members that the Double Peak Challenge will be hosted on Saturday, September 28, 2019. San Elijo AYSO 1505 will not have access to the field on Friday, September 27 or 28 due to event set up and the event.

**Next regularly scheduled meeting will be Tues, November 5 @ 6pm. Meeting adjourned at 6:45pm.**

Oak Trees are an enduring emblem of strength and survival. Our Valley of Discovery contained many, thus one of our main thoroughfares, Twin Oaks Valley Road. Come watch a significant event as a seasoned Old Oak finds a different home in North City at the roundabout at Bloc C.

100-Year-Old Oak Tree Relocated!  
You just don't see this everyday... Monday I had the privilege of watching an enduring emblem of strength and survival get relocated to her resting place in North City in beautiful City of San Marcos - Government, and how appropriate that

Bring the kids and share history as some of our heritage, in the life of an old oak, plants its old roots in a new location in the heart of North City.

- \* DATE: Monday, 8/12
- \* TIME: 7:00a (to maybe... 8am-ish)
- \* LOCATION: Copa Vida Café, 250 North City Drive, San Marcos, CA 92078 (North City)
- \* WHY: "Oooh and Aaaahhh" as a 35 ft tall Oak Tree is planted into the North City Dr/Campus Way roundabout.
- \* WHO: The North City team to join them in cheering on the Tree Crew.

239 8 15

They are highly protected in this state. You can go to jail for cutting a live on down.

I sure wish there was more "tree protection".

How amazing and great for the city of San Marcos!!! Can't wait to look at her when we are in the area for Fresh Healthy Cafe San Marcos smoothie <3

If the city cares for its history, I find it rather odd that the you would prefer to save this oak tree over saving the Mountain that was named after the 1st settler of our town. Instead, you endorsed the Newland project which will blast the mountain for 10 years and kill the rural character of our beloved Twin Oaks Valley. Why?

Thank you... Please try to level the area.

It's one of the worst "dog parks" I've ever seen. Our dog is sadly gone now, but we wouldn't take him there after he took a terrible fall, no thanks to the horrible slope and lack of landscaping. If you want a good dog park, try the one on Santa Fe Road in Encinitas. Big, clean, flat, well-manicured and SAFE.

📍 San Elijo Park, 1105 Elfin Forest Rd, San Marcos, CA 92078, USA

The large dog park at San Elijo Hills Park, 1105 Elfin Forest Road, will be closed until approximately August 26 for turf repairs. The closure will allow the City to provide a better environment for pooches to play by installing new sod to repair a large portion of the park's turf, which has deteriorated and exposed dirt and rocks. The new sod must be irrigated several times per day for approximately three weeks in order to establish roots and grow strong enough to handle foot (and paw) traffic. [37 more words]

part of the problem is the slope, water just runs down hill so no matter if the roots take hold eventually, you'll have to replace it again. Is there a way to flatten that area so the slope is not as much a factor?

Yay!! Thank you!

Home Depot San Marcos - Store Manager  
550 San Marcos Blvd.  
San Marcos, CA 92069

Dear Home Depot Staff,

I am writing on behalf of the City of San Marcos and the City of San Marcos Parks and Recreation Commission to express our gratitude for the donations of materials and time your store has provided along with the immense contributions from Debbie Brittsan over the 20+ years she has been with the store.

The materials donated have helped create countless unique and interactive projects for our campers and preschool participants. At our August 21<sup>st</sup> Parks and Recreation Commission meeting, Ms. Brittsan was recognized by the commission for her volunteerism and gracious assistance with our programs. We saw a variety of projects and crafts that the children participated in thanks to the donations from your store.

We sincerely appreciate the support your store has provided the City and all that Ms. Brittsan has done for our programs. We can only hope that her successor will have the same passion and determination to help the children in our community learn.

Regards,

Buck Martin, Director of Parks & Recreation

&

**Subject:** RE: Discovery Lake Catch and Release

At the August meeting, Commissioner Lindsay asked staff to research how the Department of Fish and Wildlife (DFW) felt about a catch and release process at Lakeview Park. This is something that was supposedly researched in the past by staff. Below is the correspondence staff had with the DFW regarding the pros and cons of converting the lake to a catch and release body of water.

This issue was discussed at the September 11<sup>th</sup> TAC meeting as well. Staff will provide a quick summary of this discussion at the September commission meeting.

**Subject:** RE: TAC Subcommittee Discussion

Hello All,

I just got a call back from Matt Lucero. He was not familiar with any study done by DFW at Discovery Lake in the past 10 years and wasn't able to comment on why DFW didn't support mandatory catch & release in the past. He is not familiar with Discovery Lake or any issues at the location but gave his opinion on some similar locations with similar issues. Here is a list of his comments:

- Catch & release only lakes generally stunt the growth of larger game fish like bass and end up creating a larger population of smaller bass instead of large bass due to more fish competing for the same food supply.
- He recommended introducing more bass to the lake may be a good idea if the municipal code is changed to help regrow the species if there is not currently a steady population of bass in the lake. (A full study on the balance of Discovery Lake would be recommended before stocking additional fish.)
- If we continue to have issues with poaching/taking large amounts of fish, he could send a DFW game warden out to issue state citations.

Please let me know if you have any questions!

Thank you,
