COMMISSIONER SMITH MOVED TO APPROVE CONSENT CALENDAR ITEM 2 & 3 AS PRESENTED, SECONDED BY COMMISSIONER MOCKUS AND CARRIED TO APPROVE.

REPORTS AND OTHER BUSINESS

4. Discovery Lake Environmental Report from Storm Water

Reed Thornberry, Storm Water Program Manager reported to the Commission on the water quality and esthetics of Discovery Lake. Reed gave commissioners the background on the man-made lake that was formed in the 1950's. Improvements to the lake occurred in the early 1990's and the City took ownership of the water rights at that time. In 1992 the first set of actual construction plans were made.

In the mid 2000's water quality impairments were encountered as the water was very shallow with the deepest part being 8 feet but most areas are around 5 feet deep. The lake had lots of algae growth and extra nutrient contributions. The lake didn't have enough oxygen and was smelly and green tinted. The City dredged the lake, continued to use lake pesticides, water quality and soil testing continued.

The City recently brought on an engineering company to do a study of the lake. The City received the report in the spring of 2019. Reed gave Commissioners a portion of the report which reviewed the top three strategies to improve the lake quality. The top strategy was an ozone based aeration treatment which is a newer technology. Reed explained that this technology does work best in deeper water however the ozone will still break down the algae and oils in the water and aeration helps to move the water and distribute the oxygen.

The City is looking to install a pilot ozone unit at the lake to see its effects and then proceed with a full scale version if it improves the lake quality.

Chair Franklin thanked Reed for his report.

Commissioners had questions about the lake, the sensitive habitat and the pilot program. Reed was able to answer their questions. The commissioners requested the full report be emailed to them and an update in three months and Reed obliged. Commissioners want to make sure the public is notified of this pilot program to help frontload any of their questions or concerns.

5. Annual Staff Report, Youth Programs and Nature Center

Recreation Supervisor, Jennifer Overman was present tonight to give her annual staff report on youth programming. She introduced Amber Schmaltz and Kimberly Valdovinos who reported on two different youth programs.

Amber Schmaltz, Recreation Leader reported on the Raggedy Ann and Andy Preschoolers program which has run for over 35 years with over 400 children actively enrolled. A new system is being implemented to limit single use products and cut down on waste where each child brings a reusable water bottle to school each day.

The Adventure Day Camp program is for school aged children over the summer and breaks when school is not in session. They keep the children busy by doing fun projects and crafts mainly used from recycled materials. The kids go on a field trip once a week including laser tag, bowling and trips to the pool.

Kimberly Valdovinos, Recreation Coordinator, presented on the Jack's Pond Nature Center field trips and events. The Nature Center is open on the weekends from 10am – 1pm and does rely on the support of volunteers. Kimberly is in the process of remodeling all ten rooms and they have already completed the nocturnal animal room. Each room is being repainted and updated with new manipulatives and hands on activities to engage the children.

Kimberly has applied for a grant through the Community Foundation for \$4,800 to purchase supplies and items for the other eight rooms in the Nature Center.

The nature center field trips include San Marcos schools as well as surrounding City schools. The cost is \$4 per student. The Friends of San Marcos Parks and Recreation provided money to fund 60 children from each Title 1 school in San Marcos to attend a field trip. This year Vallecitos Water District has contributed by paying for the busing cost to get the children to and from the Nature Center.

Junior Ranger Day was a successful event and had a larger turnout than previous years. They had hands on activities for the children, animal experiences including snakes and a horse, and other vendors with items for each family to take home with them.

Commissioner Robles does agree that this park is a hidden gem and would really benefit from promotion because not many people know the park is there. Robles also noted that personally reaching out to each Title 1 School to market the field trip program would be a huge benefit.

Jennifer Overman, Recreation Supervisor spoke to the Commission about recent and upcoming events. The recently held Pumpkin Breakfast was a fun inexpensive family event with fun activities and games for the children to play and receive prizes. The Tree Lighting Event is coming up the first weekend in December while the Breakfast with Santa will happen the 2nd Saturday in December and includes a picture with Santa.

The annual Family Campout includes crafts, s'mores, campfire songs, watching a movie and other fun activities.

6. Stroller Strides 4th Quarter Commercial Park Use Request

Combined with item #7.

7. Palomar RC Flyers Indoor Facility Use Request

MOVED BY COMMISSIONER MOCKUS, SECOND BY COMMISSIONER SMITH TO APPROVE STROLLER STRIDES AND PALOMAR RC FLYERS USE REQUEST AS PRESENTED.

8. Special Events List and Social Media

Chair Franklin likes the helpful tips post as it mirrored the Double Peak Challenge visuals. Franklin likes the simple contemporary look.

ORAL COMMUNICATIONS

Parks & Recreation Director Buck Martin provided an update on the following items:

- He thanked commissioners for volunteering in the City booth at the Chamber of Commerce street fair.
- He reminded Commissioners Lindsay and Smith that they need to reapply to keep their seat on the Commission.
- The School District and the City worked together to maximize the availability of the tennis courts during the day. A schedule has been created to allow the community more access.

- The City applied for a competitive prop 68 grant and Andrea was contacted by the state to schedule a site visit of our location which is great news.
- Palomar College is holding a boo dash this weekend.
- The City Starwalk event is coming up October 20th at Double Peak Park.
- The Family Night Halloween party will be held at the Wood House this weekend.
- The Veterans Day Event will be held on November 11th at Helen Bougher Park.
- A craft fair and car show will be held in November at the Senior Activity Center.
- Staff is working on the updated statistic reporting and will be presenting it to the Commission soon.

COMMISSIONER COMMENTARY

Commissioner Robles received a comment from a community member who did not feel it was appropriate for the Double Peak Challenge to include a beer garden at a school promoted event/fundraiser.

Commissioner Mockus suggests moving the City booth at the street fair events to the other side of the street so the sun doesn't shine straight into the booth.

Commissioner Smith noted the turnout seemed larger this year at the street fair.

Chair Franklin hopes Parks and Recreation can get a better location for our table because the coyote was tucked in the corner. Franklin enjoyed competing in the Double Peak Challenge and is glad the weather was cooler.

WRITTEN COMMUNICATION

Commissioners Hernandez sent an email regarding his absence for tonight's meeting.

ADJOURNMENT

CHAIRPERSON FRANKLIN ADJOURNED THE OCTOBER 16, 2019 SAN MARCOS PARKS & RECREATION COMMISSION MEETING AT 7:46 P.M.

ATTEST:

Jay Franklin, Chairperson

YOUTH SPORTS COUNCIL MEETING

Tuesday, November 5, 2019

1 Civic Center Drive

Attendance: Members present: San Marcos Pop Warner, San Marcos Girls Softball, AYSO 127, San Elijo AYSO 1505 and San Marcos Youth Rugby. All others absent.

Staff present: James Daza, Eric Leichliter and Andrea Gonzalez

Parks & Recreation Commissioner: Not Present.

Call to order

James Daza called the Youth Sports Council meeting to order at 6:10pm.

Approval of Minutes

Did not have quorum present.

San Marcos Unified School District Update

San Marcos Unified School District update was given by Joe Navarra.

Joe notified the YSC members that none of the SMUSD fields will be closed for renovations over the winter break. Joe also reminded all YSC members that they are still working out some of the bugs with the new reservations software; Facilitron.

Sport Field Updates

Sports fields update was given by Art Sotelo.

After current assessments, most multipurpose fields are rating in the poor category.

Art reminded all YSC members that all multipurpose fields will be closed for rest and renovation from January 1 through February 29, 2020. Public Works is planning to oversee certain fields during the closure including, Bradley Park multipurpose 1 and San Elijo Upper softball field. In addition, they will be laser leveling the two softball infields at San Elijo Park. Buzz Byer (San Marcos Girls Softball) asked Art when they would be leveling the fields at

Bradley Park again. Art explained that Public Works has a cycle of parks that they plan to laser level and do not have Bradley scheduled as of right now.

Art is working on the artificial turf replacement projects for the Sunset Arena and the infields at Mission Sports Park. He expects to have a meeting with the contractor in November and is hoping to have the project begin in February.

Buzz Byer (San Marcos Girls Softball) asked Art if they are able to repair the nets over the batting cages at Bradley Park. Art asked that Buzz put a request in and Public Works employees would be able to repair tears in the nets.

Tegriscap

Art reminded the YSC members that the fees for extra janitorial service during their tournaments will be increasing. Tegriscap fees are going up from \$33.25 per hour to \$41.50 per hour.

Field Allocation / Soccer Updates

James reminded AYSO 127 that he needs to have their proposed arena soccer dates to get the arena allocation send to AYSO 127 and SMYS.

James reminded all YSC members of the new Connors Park field allocation beginning in December when San Marcos Pop Warner is done. He will send the updated calendar to all YSC soccer groups and Rugby to confirm their allocated time.

Next regularly scheduled meeting will be Tues, December 3 @ 6pm. Meeting adjourned at 6:45pm.

Good evening SMGS families!

☐ "How Sweet it is.." the theme of yesterday's Palomar Cheer & Dance Competition.

Congratulations ☐☐☐

Dragons Cheer rocked their performance!

MM- Saints Cheer two 1st place ☐

JV- Cavaliers Cheer 1st and 2nd place ☐

Saints & Cavaliers advance to WESCON in LBC & PW Nationals in Orlando!

Yesterday could not had been as successful without a few shout outs (it truly takes a village):
THANK YOU to our Coaches for the endless hours you volunteer to make the season a success for your teams. Board members for volunteering with Palomar Conference for event operations & all the behind the scenes work that makes our league great . Families for your support of SMPW, football Coaches & players for your support throughout the season and yesterday cheering on our teams!

GO SMPW!!

Connie Vasquez, Cheer Director

We are excited to announce that we will be offering a Select program for those players who wish to play at a more competitive level! Select will start in mid November and will continue through March 31st. Players are required to participate in the 2020 spring recreational season in order to be eligible for the Select program.

We will be holding open try outs on November 17, 2019. Times and more details will follow.

Thank you!

In his ninth attempt to swim across the Catalina Channel last week, marathon swimmer Jamshid Khajavi, 66, was forced to give up when the observation boat following him broke down. Undeterred, the Lake San Marcos resident has decided to take on an even tougher swimming challenge next year.

Catalina channel swimmer, 66, undaunted by latest setback

Rough seas and the breakdown of the observation boat led to cancellation of quest after 10 hours

That's a drag.

Counseling

So proud of our seniors! Many are working hard on college apps!

This link has the info from our presentations, such as CSU and UC application workshops.

Remember Seniors....we are here for you!
