

NOTICE OF PUBLIC WORKSHOP

When: November 3, 2022 at 10:00 am
Where: Online only (<https://meet.goto.com/121232221>)
Applicant: City of San Marcos
Project No: TA19-0002

This notice is to inform you of an upcoming public workshop for an update to the Wireless Telecommunication Facilities Ordinance (SMMC Chp. 20.465) and adoption of a Policy for the Deployment of Small Wireless Facilities within the Public Rights-of-Way. Consistent with the objectives of the Federal Communication Commission's adopted Declaratory Ruling, Third Report and Order (FCC 18-133 - Small Cell Order), and other rulemaking proceedings, the City of San Marcos ("City") intends to update San Marcos Municipal Code (SMMC) Chapter 20.465, Wireless Telecommunications Facilities Ordinance ("Ordinance") and adopt a new Policy for the Deployment of Small Wireless Facilities within the Public Rights-of-Way ("new policy"). This updated Ordinance and new policy will establish reasonable, uniform and comprehensive standards and procedures for small wireless facilities deployment, construction, installation, collocation, modification, operation, relocation and removal within the City's jurisdictional boundaries, consistent with and to the extent permitted under federal and California state law.

This is a virtual public workshop conducted online only. Please use the link below to access and attend the workshop at the scheduled date and time:
