RE: Pad Elevation for [site address and APNs]

On [date of field measurements] field measurements were taken at the above referenced site for [owner's name, address, phone number, and e-mail]. Using [identify benchmark] as the benchmark as described on the City-approved Grading Plan, GP [##-#####], the pad elevation is _____ (\pm _____), which is _____ [higher/lower] than as proposed on said plan.

If you have any questions or require additional information regarding this matter, please do not hesitate to contact me at [Civil Engineering/Land Surveying firm name, address, phone number, and e-mail].

Sincerely,

[Name of Civil Engineer/Land Surveyor]
[P.E. or L.S. #]
[Expiration Date]
