**MOVED BY COMMISSIONER SENSMEIER, SECOND BY COMMISSIONER LINDSAY AND CARRIED UNANIMOUSLY TO APPROVE CONSENT CALENDAR ITEM #2 AS PRESENTED.**

### **REPORTS AND OTHER BUSINESS**

#### **3. Annual Report- NFL Flag**

Christopher Williams President of NFL Flag gave the presentation.

Christopher reported highlights from the 2022 season and noted this is the 10<sup>th</sup> anniversary of NFL Flag and the organization is doing better than ever, with over 1,200 youth playing in the north county league. They hold four seasons per year now and they used to only hold two per year. They just started a girls-only league and 60 participants are already signed up. The organization services Pre-K through 8<sup>th</sup> grade and also has a next gen program for high school students.

Christopher noted prior to Covid, they would hold NFL Player Day once a year and they would bring in professional football players for the youth to meet. He is looking forward to holding that event again. Chair Franklin noted the Commission would love to see an impact report on events like this that the youth sports groups hold to see what fiscal impact it has on San Marcos.

#### **4. Annual Staff Report- Friends of San Marcos**

Kathryn Gray, Friends of San Marcos President, gave the presentation.

Kathryn noted the Friends of San Marcos is a 501© (3) non-profit organization established to help raise funds for parks and recreation programs and facilities here in San Marcos. The organization was established in 2013 and they have several board members with a diverse variety of interests including equestrian, mountain biking, hiking, youth sports, youth programs and events.

Kathryn noted they partner with other organizations in San Marcos on events including the Double Peak Challenge and Bags and Brews events. They have partnered with San Marcos Promise, Boys and Girls Club, and others. The club has applied for and received \$130,000 in grant money to help pay for the proposed bike park at Bradley Park, funded Jack's Pond Nature Center renovation, Montiel Park dog agility equipment, scholarships for the Parks and Recreation Department classes and programs, title 1 school field trip program for Jack's Pond Nature Center and more.

Future goals include delving into the bylaws to grow the Friends organization, building new relationships with other nonprofits in San Marcos and build relationships with businesses in San Marcos.

Chair Franklin thanked Kathryn for her presentation and noted happy 10 year anniversary.

Vice-Chair Lindsay stated the Commission and the Friends should get together on a more strategic level to see what resources and options are available for the organization on a larger scale and what can be funded possibly through tax initiatives as surrounding Cities have done.

Chair Franklin noted his appreciation to the board members on the Friends and is curious about the scholarships for under privileged individuals; what that looks like and how the information is reaching them and if it's in their preferred language. Kathryn noted the City helps to guide that program and we look at the title 1 schools to promote in addition to collaborating with other organizations like the Boys and Girls Club.

Chair Franklin thanked the board for all the work they do for the youth in San Marcos and how great it is to see Jack's Pond brought back to life for so many to enjoy.

Commissioner Robles thanked Kathryn for her presentation and noted she has heard about the Friends sponsoring so much in the community and it is nice to put a face to the name. Commissioner Robles said there is a lot of need here in San Marcos and asked if there is a way for the public to contact the board through a public meeting. Kathryn noted the organization works mostly with the staff at the City but they do have a website where their contact information is listed and the board meetings are public and listed on the website.

Vice-Chair Lindsay (who is also a Friends board member) noted the board is 12 volunteers and if they grow and become larger then they could possibly have paid staff who can handle more. The organization is also listed in the City's 360 guide and have been making updates to the website.

## **5. Appointment of Chair and Vice-Chair**

Chair Franklin made a motion to open nominations for Vice-Chair.

Commissioner Sensmeier made a nomination to appoint Commissioner Lindsay as Vice-Chair.

Chair Franklin made a motion to close the nominations.

Commissioner voted unanimously to appoint Commissioner Lindsay as Vice-Chair.

## **6. Print Catalog & Online Registration**

Assistant Director Gonzalez noted this was added to the agenda because Commissioner Diaz sent us some really good suggestions on our online registration software when he was enrolling his child in a class. Gonzalez reviewed the recommendations and the changes we have made to make the registration and sign up easier for our customers. Gonzalez also noted that the Active.net website can be switched to Spanish language for enrollment information.

## **7. Park Naming Policy Update**

Assistant Director Gonzalez noted there is no new updates at this time as the policy is still in the City Manager's office.

## **8. Youth Sports Council Meeting Minutes- February 7, 2023**

Commissioners reviewed the minutes included in the packet.

Assistant Director Gonzalez noted the School District representative was present at the meeting.

## **PARKS AND RECREATION ASSISTANT DIRECTOR REPORT**

Assistant Director Andrea Gonzalez informed the Commission on department events and updates.

The Las Abejas ribbon cutting will be held on March 6<sup>th</sup> at 3:30pm and South Lake Ribbon Cutting will be held on March 22<sup>nd</sup> at 2pm and invitations will be sent.

Projects that have been completed include Innovation pickleball courts are open after the resurfacing and we have already received lots of complements. Connors Park synthetic turf project came out fantastic and a few modifications were made on the striping to allow for different playing options.

The City is holding a Citizens Academy that will be starting soon will include eight classes and each City department will present.

Proposals for bids for the Bradley Park bike track will be live this Thursday. Request for proposals for Montiel Dog Park is live now.

The Language Access Plan provides translation though CBCD funding. The policy around it is still in development and is in a holding pattern as there was staffing changes in the Neighborhood and Housing Services department until a new manager is hired. Once this is complete we will ask that they give the commission a report on the plan.

Discovery Lake solar aeration project was successful and has been serviced twice with no reported issues. Monitoring data indicates that the dissolved oxygen levels have significantly increased which creates an ideal environment for the fish to live and no odor or algae growth has been reported.

Commissioner Sensmeier commends the City for having the foresight on building fully dedicated pickleball courts and she is certainly enjoying them.

Commissioner Robles suggested inviting the students at Paloma Elementary School to be a part of the ceremony as school ends at 3:10 so they could attend and it would be a great way to engage with the community there. Robles participated in the restaurant row land planning and it was a lot of fun and it will be an amazing project and a great asset in our community.

Chair Franklin said it would be nice to see a bee theme for Las Abejas Park. The City is visionary with the ability to toggle between languages on the website.

Commissioners discussed the above mentioned matters and asked questions and staff provided the information they have.

#### **WRITTEN COMMUNICATIONS**

Commissioner Smith and Prestinini emailed there absence for tonight's meeting.

#### **ORAL COMMUNICATIONS**

Vice-Chair Lindsay apologized for his absence at the last meeting as he was assisting with the floods in northern California and thanked Commissioners for appointing him again.

Chair Franklin would like to see an update or agenda item on memorial benches and trees and what other City's do to honor and recognize individuals who want to have a spot in a park but space is limited.

**ADJOURNMENT**

Chair Franklin adjourned the meeting at 7:17 p.m.

---

JAY FRANKLIN, CHAIR  
PARKS AND RECREATION COMMISSION

ATTEST:
