MOVED BY COMMISSIONER SMITH, SECONDED BY COMMISSIONER MOCKUS-VALENZUELA AND CARRIED TO UNANIMOUSLY APPROVE CONSENT CALENDAR ITEM #2 AS PRESENTED.

REPORTS AND OTHER BUSINESS

3. Special Report – Lennar

David Shepherd, Director of Entitlements for the Lennar San Diego Division gave the presentation. He provided the Commission with an overview of the mix-use Lennar project in the old Restaurant Row area. The project will include residential use and commercial space along with a neighborhood park. The park project will have a mix of active and passive recreation activities for all ages and abilities.

Commissioner Prestininzi asked about the map and the position of the development in relation to San Marcos Blvd. She also asked about the restaurants that would remain. David referenced the presentation map and mentioned the restaurants that would remain would be local in nature and not major chain restaurants. He provided a quick summary of the current restaurants that were expected to stay in another area of the project.

Commissioner Mockus-Valenzuela asked about the bike area of the park and the intended level of riders since we are also opening the pump track at Bradley Park. David explained the area is meant for smaller bikes not BMX style and the levels more beginners to moderate. Commissioner Mockus-Valenzuela suggested staff take this as an opportunity to educate the public about the park limitations and differences between the Restaurant Row Park and Bradley Park.

Commissioner Sensmeier asked for clarification on the pickleball court maintenance after construction. David confirmed the maintenance of the courts will be the City's responsibility after construction. Commissioner Sensmeier also asked about the restaurant building, which David advised are privately owned and will be leased but he assured the Commission those future agreements will be made in the best interest of those involved to avoid conflict and competition.

Commissioner Smith asked about the project parking. David provided a summary of what areas would have public parking.

Commissioner Robles asked about parking lots being closed for the park area after certain hours like all other parks in the city. David confirmed the park parking lot will be closed at sunset and advised the park is not lit outside of a few security lights. Commissioner Robles pointed out the need to effectively communicate with restaurant patrons to avoid any parking issues during Friday, Saturday, and Sunday for those visiting the restaurants at night.

Commissioner Robles also asked about protections for residents and limiting public access. David advised the project is a mix use environment and the overall intention of the project is for the private and public to coexist in the same area. The project will have security elements such as lighting, but it will not be fenced off. Commissioner Robles asked what the minimum size of the residential units would be and if pricing would be under a million dollars. David provided an overview of all the available sizes ranging from 1,033 square feet to 1,949 square feet, which include a 2-car garage and/or tandem parking. The goal is for the units to start at under a million dollars, but official pricing has not been released and Lennar was open to partnering with any first-time buyer programs that may be available.

4. Special Report- Friends of San Marcos

Kathryn Gray, President of the Friends of San Marcos gave the presentation. She provided an overview of the Friends Board and Foundation. She also highlighted their most recent efforts to find new board members, including a possible membership option.

The group has also updated their Mission Statement as they continue to provide support to the Parks & Recreation Department and the San Marcos community. Kathryn outlined the last year of events the group participated in or sponsored, to support the community as much as they can. The group looks forward to continuing their fundraising efforts this year and Kathryn provided a summary of several upcoming events.

Commissioner Robles asked about the scholarship guidelines. Kathryn shared the FOSM provides the City up to \$10K each year in scholarship funds. The guidelines are set forth by the City of San Marcos. Assistant Director Gonzalez advised the Parks & Recreation Department uses the Department of Housing and Urban Development (HUD) guidelines for income-based need and residency requirements. Applicants are asked to provide proof of residency and income.

5. Park Naming Policy Update

Assistant Director Gonzalez noted there are no new updates at this time.

ORAL COMMUNICATIONS

PARKS AND RECREATION ASSISTANT DIRECTOR REPORT

The Assistant Director Gonzalez shared a summary of the department events including staffing updates.

The Aquatics Supervisor position interviews have concluded, and an offer has been made. The department hopes to have the new supervisor in place in time for the start of the summer season kickoff.

The Sales Tax Initiative Survey results were reported at the March 12th Council Meeting. The Commission and public can access the recording on the City of San Marcos YouTube Channel.

Bradley Bike Park is in its final phase of construction and the San Diego Mountain Bike Association is adding the slurry seal to cement it all together. The park could open as early as May, pending in-house logistics.

The Spring Egg Scramble is scheduled for Saturday, March 30th at 8:00am to 11:30am at Walnut Grove Park.

The Creek Ribbon Cutting Event will take place April 5th at 10:00am. An email invitation was sent to the Commissioner with RSVP details. P&R Commission Chair Franklin will be leading a portion of the event.

April Pools Day will take place April 6th from 12:00pm to 4:00pm at the Las Posas Pool. This free event focuses on water safety and is open to all residents.

The San Marcos Street Festival will take place April 7th and the volunteer sign-up schedule was shared with the Commission. The city will release a QR Code and link for a "Help Us Name Our Park" campaign for

the new Restaurant Row Park. This information will also be made available to the public at the street fair. The online campaign will run from March 21st to April 16th.

The City Volunteer Recognition Event is scheduled to take place April 24th in the lobby at City Hall. Commissioners were sent an invitation from Rania, the Communications Department coordinator.

The State of Your Community Event will take place May 21st inside the Main Hall. There will be a recreation and wellness resource fair just prior to the Mayor's presentation this year.

Quail Valley Playground was redeveloped, and new share structures were added as part of the park updates.

Assistant Director Gonzalez also addressed the most recent social media comments surrounding the splash pads and budget. She advised the splash pads are typically shut down during the off-season to help with the drought and cost savings. This year when the Sunset Splash Pads were turned on, they malfunctioned, and the replacement parts had to be ordered. The parts must be custom made and are not readily available to ship. The splash pads at Sunset Park will most likely not open by the SMUSD spring break.

Additional social media comments about the budget were brought to the attention of staff. Assistant Director Gonzalez clarified that the city is reviewing all expenses and finding the best option for goods and services. This includes looking at outsourcing versus in-house costs. Staff provided the Commission with a summary of a recent decision to bring some of the park's maintenance in-house after an RFP analysis found that it was most cost effective to provide these services in-house versus outsourcing.

Commissioner Prestininzi asked about April 5th Creek Ribbon Cutting event time. Staff advised the event will start at 10am and will forward an e-mail invitation to the commissioner.

Commissioner Robles asked for the date of State of Community May 21st and hours and about the State of City date. Staff confirmed the resource fair will take place at 4pm and the Mayor will speak at 5pm. Assistant Director Gonzalez will research and provide the Commission with the State of the City date and time.

Commissioner Sensmeier advised the new signage at the Innovation Park pickleball courts has brackets that were very sharp. She noted the walking area was very narrow and this posed a potential risk of injury. Staff advised they would submit a facilities ticket to address the concern. Commissioner Sensmeier also asked if the pickleball phone message could be updated when it rains to advise the courts are closed. Staff will make sure to provide an updated phone number that will include closure information or see about updating the message.

Commissioner Smith asked about the Nature Center birthday party and availability of the program. Staff confirmed the first party would be held during the upcoming Spring Break. At that time staff would be able to take pictures and update the website so it may be released to the public for booking. Staff also provided the Commission with a summary of the planned event guidelines.

Commissioner Robles advised she will not be at the Spring Street Festival on April 7th.

WRITTEN COMMUNICATIONS

Chair Franklin emailed to advise of his absence.

ADJOURNMENT

**MOVED BY COMMISSIONER PRESTININZI, SECONDED BY COMMISSIONER SENSMEIER
AND CARRIED TO ADJOURN THE MEETING OF MARCH 20, 2024, AT 7:10PM.**
