REPORTS AND OTHER BUSINESS

3. Annual Report- Trails & Ranger Program

Coleman Cowling, Recreation Supervisor I, gave the staff presentation.

Commissioner Mockus-Valenzuela asked about the park kiosks and the possibility of engaging our college or high school students. Supervisor Coleman thanked her for the great recommendation.

Commissioner Sensmeier asked about the e-bike concerns. Coleman advised the city has made great progress in partnering with the Sheriff's Office. Commissioner Sensmeier asked about the kiosks as she was not familiar with them. Coleman advised they were information boards like those at State Parks. These were old scout projects that are now outdated with approximately 13-14 around the city. The goal is to get new and updated information in the kiosks.

Commissioner Smith asked about the kiosks and QR codes. Coleman advised providing those links to the trail maps, etc. is part of the plan. Director Chamow advised a lot of the new trail's signage includes QR codes that link to the city website, the department has received great feedback about the information that is provided.

Commissioner Garcia asked about homelessness intervention and how successful the team has been, either our team or the social workers, in finding services for transients. Coleman advised in many circumstances the individuals will decline the assistance and simply relocate. There was one case where the transient was connected with a treatment facility, but no additional details have been shared with his team. Commissioner Garcia asked if the services offered were multilingual. Coleman confirmed outreach staff and services are multilingual.

Commissioner Robles suggested bringing back the part of the Annual Trails Day Hike that goes to the antennas as many individuals enjoy the annual challenge.

Commissioner Prestininzi asked about the aeration device at Discovery Lake and the results of the program. Director Chamow advised that it was a program under the oversight of the watershed group. He was unaware of any recent updates but would follow up with Reed and his team.

Commissioner Mockus-Valenzuela wanted to add to Commissioner Robles's comment and suggest a mid-level hike. Coleman advised he is always open to feedback to see what works and what doesn't and make adjustments.

Commissioner Robles added that she has modified her hike as needed. She notified her Ranger before leaving and thought people could be offered this option so they do not feel obligated to complete the entire hike but can still participate.

Chair Franklin asked if the pizza was local for the volunteer meetings. Coleman confirmed it is from Tasty Pizza, a local business. Chair Franklin also asked about the total number of people that completed the survey. Ranger Coleman advised 74 people participated in the survey.

4. Commercial Use Applications- various

Chair Franklin asked if all the applications were ongoing or new. Staff confirmed two of the applications were ongoing with no issues noted and one was a new application.

Commissioner Smith asked if there would be a potential conflict between the two applications that have the same park and time. Staff advised there are multiple locations that are reserved for commercial use, with no anticipated conflicts between the two applications.

MOVED BY COMMISSIONER MOCKUS-VALENZUELA SECONDED BY COMMISSIONER ROBLES AND CARRIED TO UNANIMOUSLY APPROVE AGENDA ITEM #4 AS PRESENTED.

Commissioner Lindsay asked for future applications to have the applicant's contact information removed from the packet and public notice. Staff noted the request, and future applications will have contact information redacted.

The next TAC meeting is scheduled for April 9th, we are still short a Commissioner for that meeting.

The City Volunteer Event will take place April 14th, and a calendar invite was sent out with the details.

TOVEA is celebrating 20yrs as an organization, and Assistant Director Gonzalez is working on the Proclamation for the May 13th Council Meeting.

The Youth Commission is hosting their Diversity Townhall April 12th from 10:00AM to 12:00PM at the Community Center.

Business Note, at the March 11th City Council meeting, there was an ordinance approved to change the number of alternates for the Parks & Recreation Commission from 1 to 2. There was also Council Ordinance to change the number of alternates from 1 to 2. Updates were also made to the Municipal Code as it relates to Commissions. Appointments for the additional alternate will happen in June and applications open in April.

Commissioner Garcia asked if she would receive an email with the Spring Fling details. Staff confirmed an email with all the details would be sent out.

Vice-Chair Lindsay asked if staff had details on the Waffle Ride not starting in San Marcos and the possibility of getting the Chamber, North County Chamber, or Economic Development involved to draw them back to San Marcos. Director Chamow will follow up with Tess from Economic Development and report back.

Commissioner Robles asked if the Diversity Town Hall flyer could be emailed. Staff confirmed an email with the flyer would be sent out.

Mockus-Valenzuela asked if the city had plans to bring the community together with a Dia De Los Muertos or host a similar event. She wanted to make sure it was brought up as it is many months in advance with ample time to prepare. It can be a low to no cost opportunity for the community to gather. Commissioner Robles suggested collaborating with Universidad Popular to collaborate. Staff will work on connecting with the group.

Vice-Chair Lindsay shared an update on the Friend of San Marcos Parks & Recreation strategic plan. The group is looking to establish goals that can be focused on over the next 3-5 years, given recent budget restraints from staff and their awareness of community needs. He hopes there can be an opportunity for those that are interested in getting involved in the development of the plan. Vice-Chair advised any questions on the 3-5-year plan could be sent to Kathryn from the Friends of San Marcos Parks and Recreation.
