## CHAPTER 2.16 CONTROLS ON CAMPAIGN CONTRIBUTIONS

### 2.16.010 Purpose and Intent.

It is the intent of the City Council of the City of San Marcos in enacting this article to place realistic and enforceable limits on the amount which may be contributed to political campaigns in municipal elections, for the purpose of preventing potential improper or undue influence over elected officials by campaign contributions, and to insure against election victories based primarily on the amount expended on campaigns.

This article is intended to supplement the Political Reform Act of 1974, and in the event of a conflict between that Act and this article, that Act shall prevail. This article is enacted pursuant to Article XI, Section 7 of the Constitution of the State of California, and Section 22808 of the California Elections Code.

This article shall not apply to contributions or other amounts given to a committee which is organized solely for the purpose of supporting or opposing the qualifications for the ballot or the adoption of one or more City measures.

### 2.16.020 Definitions.

The definitions of the words and phrases defined in the Political Reform Act of 1974 (commencing with Government Code Section 81000) or in the regulations adopted by the Fair Political Practices Commission (commencing with 2 California Code of Regulations Sections 18202) shall apply to this chapter.

- (d) Except as provided in subdivision (e) below, an extension of credit which consists of a receipt of goods or services pursuant to an agreement between the provider of the goods or services and a candidate or controlled committee, and where payment is not made until a later date, is a contribution subject to this Section 2.16.030.
