MESSAGE FROM THE P&R TEAM

Welcome to the Fall 2025 Recreation Guide!

We want to take a moment to thank you for your continued support and feedback. Your input has been invaluable in helping us shape programs that not only meet the needs of our families but also reflect the spirit of San Marcos. After a fun and busy summer, we are ready to kick off the fall season!

Behind the scenes, our team has been busy planning and preparing for an exciting fall, and we're proud to introduce several new programs designed with your children in mind. One of our most anticipated additions is Rec Club After School, a fun and safe space where elementary-aged children can unwind, connect with friends, and engage in enriching activities after the school day ends.

We're also expanding our offerings for preschoolers! This fall, we'll launch a new Monday–Thursday preschool program to provide more consistent learning and play

opportunities throughout the week. For those eager little minds who can't get enough, we're also introducing a Friday Learning Lab—an extra day of exploration, creativity, and hands-on discovery.

We've made thoughtful adjustments to the youth programs you already know and love. Our caring, enthusiastic staff are ready to welcome your children with open arms and ensure a positive, engaging experience for every participant.

We're excited for what this new year will bring and deeply grateful for the opportunity to serve the families of San Marcos. Here's to a season filled with learning, laughter, and lasting memories.
