

## COMMUNITY FACILITIES DISTRICT NO. 98-02 (LIGHTING AND LANDSCAPING)

Community Facilities District No. 98-02 (Lighting, Landscaping, Open Space, and Preserve Maintenance) (“CFD 98-02” or the “District”) and the associated Improvement Areas, referred to as F-Zones, include various properties throughout the City. The District was formed to fund the maintenance of citywide parks, trails, public lighting, and landscaping. F- Zones fund the maintenance of project specific improvements. Special taxes relating to citywide services appear on property tax bills as CFD 98-02. Special taxes for each of the F-Zones in the District are collected separately and appear on property tax bills as CFD 98-02 IA #F(XX) with the (XX) replaced by the F-Zone designation (e.g., CFD 98-02 IA #F-9). The special taxes which are levied annually are used to finance authorized services as described below.

<b>YEAR FORMED:</b>	1998
<b>DISTRICT BOUNDARIES:</b>	Citywide (primarily covering new development that occurred between 1998 and the present). (Click <a href="#">here</a> to view a map of CFD 2001-01.)
<b>AUTHORIZED SERVICES (CITYWIDE):</b>	Public lighting, including, but not limited to, street lighting and traffic signals; parkway landscaping; median landscaping; public or private property required by the City of San Marcos to be maintained as passive open space areas, including, but not limited to, passive open space areas, habitat preservation areas, slope areas, and earthen/natural drainage channels.
<b>AUTHORIZED SERVICES (F-ZONES):</b>	Please see the list below of F-Zones and the improvements maintained in each.  Note: Certain F-Zones include “dormant” facilities which the City does not currently maintain, but may maintain in the future.
<b>TERM OF SPECIAL TAX:</b>	The annual special tax may be levied indefinitely.
<b>SPECIAL TAX CLASSIFICATION AND ESCALATION:</b>	The maximum special tax rates for CFD 98-02 vary by property classification and F-Zone. The maximum special tax rates may increase each fiscal year by the same rate as the Consumer Price Index (CPI) for the San Diego area. Please call (760) 744-1050 extension 4506 to obtain the current and maximum annual special tax for your property.
