

# Be a Lifesaver!

The City of San Marcos Fire Department  
invites you to learn to perform  
**CPR & AED**

## Take the American Heart Association's HeartSaver course

- Learn how to properly perform CPR on infants, children and adults to help sustain life until emergency responders arrive.
- Obtain training in the correct use of an automated external defibrillator (AED).
- Four-hour course includes both demonstration videos and instructor led hands-on experience.
- Students successfully completing the course receive an American Heart Association's HeartSaver CPR/AED Course Completion Card, valid for two years. *(Not a health provider certification).*

Classes are held from **8:30 am to 12:30 pm** at the Regional Training Center, 184 Santar Place in San Marcos on the following dates:

**Note:** Registration and payment is required in advance.

**May 12, 2012**

**July 14, 2012**

**September 8, 2012**

**November 10, 2012**

### **Class Fees:**

**\$20/person**

AHA workbooks available for purchase at the class.

Private/personal sessions can be scheduled with classes of 20 or more students and easily adapted to meet your personal/professional needs.

**Class size is limited. Register early!**
