Subject: Richland Schoolhouse CUP on 6/7/12 Planning Commission Agenda

Sean-our construction estimator is just starting to analyze the proposed conditions and their potential financial impact associated with the Richland Schoolhouse CUP application. As we will not have the data available until early next week we request a 30 day delay of our Planning Commission hearing. Hopefully in the interim we can meet with you to discuss the conditions in more detail, once we understand the potential financial impact. Thank you for your assistance in this regard.

Thank You,
Rick Gittings
