Re: CUP 12-802 North County Wine Company—REQUEST FOR CONTINUANCE

Dear Jerry:

After conferring with our client, North County Wine Company, the owner is requesting a continuance to the advertised Planning Commission hearing scheduled for October 1, 2012.

The owner, Mr. Tobin, wants the additional time to confer with City staff regarding the proposed City conditions of approval as presented last week. There has not been sufficient time to address either the property owner or to discuss with City staff how to achieve site use as conditioned.

We do not foresee any unsolvable issues but need additional time to work with City staff and the property owner. Therefore, we request a continuance for this scheduled Planning Commission hearing. If there should be any questions, please feel free to contact me.

Sincerely,

Darrell W. Gentry
Principal Planner
