## **CONSENT CALENDAR**

### **1. APPROVAL OF MINUTES – November 5, 2012**

## **PUBLIC HEARINGS**

### **2. Case No: TSM 470 / ND 12-821**

**Application of:** 1188 Borden Road LLC and 1200 Venture LLC

**Request:** The proposed project is a request to subdivide three parcels into twenty-two (22) single family residential lots (Tentative Subdivision Map 470). The applicant is also requesting a 35% density bonus, as permitted by Government Code §65915. The maximum allowed density per the existing General Plan is sixteen (16) lots. The applicant has indicated that two (2) lots will be set aside for very low income residents, thus entitling the applicant to seek the 35% density bonus per the State Density Bonus law (Government Code 65915). Because the applicant will provide two very low income lots within the subdivision, this also entitles the applicant to request two (2) concessions of development standards as well as waivers of development standards. The applicant has requested two concessions and development standard waivers: a concession to allow private street access instead of a public street access, as required by Title 19 of the San Marcos Municipal Code; and the ability to use a combination of retaining wall and wood fencing along the perimeter and property lines (instead of a design requiring all solid decorative wall). The applicant has also requested a waiver of the minimum 10,000 square foot lot size development standard required in the R-1 zone as well the reduced R-1 zone setbacks.

**Location of Property:** 1188 Borden Road, more particularly described as: Parcels 1, 2, 3 of Lot 2, Block 29 of Rancho Los Vallecitos de San Marcos, in the City of San Marcos, County of San Diego, State of California, according to map thereof No. 806, filed in the office of the recorder of San Diego County, December 21, 1895.
