To Whom it May Concern:

Thank you for taking the time to hear me.

This is Christy Applegate-Hofer at 130 So. Twin Oaks Valley Road.

My concerns for my long time business, which is San Marcos Kennels is the new building projects, and the blasting.

Dealing with animals with extreme fear of Thunder, sounds or noises is hard enough without construction

I am concerned the vibration in the ground from blasting, tractors and big trucks

We also have big concerns about the changes to any water flow across, or leaving my property. With the movement of dirt the water flow may no longer bypass my property on the south and could be dammed on the north flooding my business.

Chris Hofer.
